EAST AYRSHIRE COUNCIL
ANNUAL ASSURANCE STATEMENT 2026

Based on our self-assessment of compliance and the associated evidence, we comply with all of the Regulatory Requirements set out in the Scottish Housing Regulator's (SHR) Regulatory Framework.

In a letter to all registered social landlords (RSLs) and local authorities on 19 March 2026, the SHR asked that landlords provide specific assurance that there was comprehensive, good quality and up-to-date information on the construction, components and condition of every house we own and we have evidence that underpins that assurance, demonstrating that our asset data is robust, current and subject to ongoing monitoring, review and governance.

In reviewing our compliance with the Regulatory Framework, we are assured that we have robust arrangements in place to ensure that we meet all duties in relation to good quality data on our homes, which is fundamental to delivering safe and high-quality services.

I confirm that East Ayrshire Council has seen and considered appropriate evidence in approving this Annual Assurance Statement at a Governance and Scrutiny Committee meeting on 22 October 2026.

Signed:

Councillor Peter Mabon
Chair of Governance and Scrutiny Committee
