

## ANCHO Ltd

### 31 March 2017

This Regulation Plan sets out the engagement we will have with ANCHO Ltd during the financial year 2017/18. Our regulatory framework explains more about our assessments and the purpose of this Regulation Plan.

### Regulatory profile

ANCHO was registered in 2000. It owns and manages 676 houses and provides factoring services to 197 owners. ANCHO has charitable status and employs 18 people. As at the 31 March 2016 its turnover, for the year, was just over £3.1 million and its debt per unit was £12,470.

### Engagement

ANCHO is taking forward proposals to enter into a constitutional partnership with Cairn Housing Association (Cairn). We will engage with ANCHO about the proposals and seek assurance that the proposal is in the best interests of tenants.

We note from the five year financial projections that ANCHO is forecasting an overall net cash outflow. We will continue to monitor this position as it provides us with further information in respect of the constitutional partnership.

### **Our engagement with ANCHO Ltd in 2017/18 – Medium**

We will engage with ANCHO because it is considering entering into a constitutional partnership with Cairn.

1. We will assess ANCHO's business case in support of its proposals and feedback any regulatory concerns or additional information requirements.
2. ANCHO should alert us to notifiable events and seek our consent as appropriate. It should provide us with the annual regulatory returns we review for all RSLs:
  - audited financial statements and external auditor's management letter;
  - loan portfolio return;
  - five year financial projections;
  - Annual Return on the Charter; and
  - the return on the Energy Efficiency Standard for Social Housing.

This plan will be kept under review and may be changed to reflect particular or new events. The engagement strategy set out in this plan does not restrict us from using any other form of regulatory engagement to seek additional assurance should the need arise. Our regulatory framework and other relevant statistical and performance information can be found on our website at [www.scottishhousingregulator.gov.uk](http://www.scottishhousingregulator.gov.uk).
