

Annual Assurance Statement

2019

As a registered social landlord (RSL), Ayrshire Housing's Board must assure the Scottish Housing Regulator (SHR) every year that it complies with the SHR's regulatory requirements and standards.

In doing so, we confirm that we:

- achieve the objectives of the Scottish Social Housing Charter for tenants, people who are homeless and others who use our services.
- meet all our legal obligations associated with housing and homelessness services, equality and human rights, and tenant and resident safety.
- meet the standards of governance and financial management for RSLs.
- have sufficient evidence to be confident that we do indeed meet the Regulator's requirements.

At its meeting on 30 October 2019, Ayrshire Housing's Board agreed to this statement being sent to the Regulator and made available to tenants and other service users.

Signed on behalf of the Board
