

Cathcart & District Housing Association Ltd

Regulatory Status:

We have not included a regulatory status in this box. After we receive the first annual Assurance Statements in October 2019 from all landlords and complete our annual risk assessment we will give Registered Social Landlords (RSLs) a regulatory status in line with our Regulatory Framework.

We don't require any further assurance from Cathcart Housing Association Ltd (Cathcart) at this point in time other than the annual regulatory returns required from all RSLs.

What we will do

We will review Cathcart's stock condition survey plans when we review the performance of all landlords as part of our annual risk assessment. Cathcart has surveyed 20% of its homes for the Scottish Housing Quality Standard (SHQS) compliance in the last five years and plans to survey a further 20% in January 2021.

Regulatory returns

Cathcart must provide us with the following annual regulatory returns and alert us to notifiable events as appropriate:

- Annual Assurance Statement;
- audited financial statements and external auditor's management letter;
- loan portfolio return;
- five year financial projections;
- Annual Return on the Charter; and
