**REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012**

The Management Committee presents its report and the Financial Statements for the year ended 31st March 2012.

Legal Status

The Association is a registered non-profit making organisation under the Industrial and Provident Societies Act 1965 No.2191RS. The Association is constituted under its Rule Book. The Association is a registered Scottish Charity with the charity number SC033962.

Principal Activities

The principal activity of Clydebank Housing Association is the development, management and maintenance of housing for people in housing need.

Strategic Aims

We aim to be an excellent landlord and factor, providing good quality, affordable homes within the Clydebank area.

We promote the involvement of tenants in our decision making, so that we can be sure our services meet their needs.

We work with the community and other partners to help to improve Clydebank as a place to live.

Our Aims are to:

1. Manage, build and maintain our housing stock to a high standard. We strive for both quality and value for money in all our services, so that rents remain affordable to people in work but with low wages.
2. Continually promote tenant involvement in how we work and perform. We try to ensure tenants views and priorities are taken into account in our policy reviews and service delivery.
3. Meet the specific housing needs of individuals where we can - as far as our existing stock allows and ensuring unmet needs are addressed.
4. Ensure we work in partnership with the community, the Council, other agencies and voluntary groups to make Clydebank more attractive as a place to live.
5. Encourage membership of the organisation among residents.
8. Support and develop staff to achieve their maximum potential in their jobs.
9. Comply with legislation and best practice in all that we do.

Business review

The Association made a surplus of £806,495 in the year.

The Association remains in a strong financial position with over £5m deposited as cash funds. Clydebank Housing Association Limited continues to have a substantial major repair investment programme with kitchen, bathroom, central heating, internal pass door and emergency light fitting renewals due in a high proportion of properties over the year. We have also provided for considerable funds over the next five years to continue our extensive major repairs programme and all of which has been recently costed. Cash surpluses in future years will be subject to our planned major repair programme.

Operational Review

1 Corporate Governance

Our governing body is our Committee of Management, which is elected by and is responsible to the wider membership. It is the responsibility of the Committee to determine the strategy and overall direction for the Association and its policies. They also monitor the operational activities of the Association and set standards of service delivery.

The Committee of Management members serve in a voluntary capacity and are unpaid. We recognise that this puts even more onus on us to ensure that we set and achieve high standards of professionalism in our work. We take governance very seriously and review our Governance policies and processes regularly.

The Executive Team is responsible for achieving the strategy set, undertaking the operational activities in line with the policies set.

This report details issues that have arisen during the year relating to the main activities undertaken by Clydebank Housing Association

2 Corporate Issues

Tenant involvement and participation is a major part of Clydebank's Aims and Objectives and we continue to review how Clydebank involves tenants in its activities. Clydebank is committed to involving tenants in decision making and policy making.

Performance Management

Service delivery is underpinned by staff performance. This continues to be a high priority for us. We continue to invest in our staff in terms of provision and access to training opportunities in order to ensure that a high level of performance is maintained.

Best use of resources

We regularly conduct risk assessments and take any action necessary to reduce or limit risk. We have continued with a programme of major investment in our housing stock, which is by far our most costly asset. This includes carrying out both major repair and cyclical repairs and also considering whether any of our schemes should be improved further to meet the changing requirements of tenants in the future. We regularly update our stock condition information, to ensure that our long-term financial planning reflects our future investment requirements.

REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012

Review of Business and Future Developments (Contd.)

Services

We aim to deliver high quality services and we set ourselves the goal of achieving continuous improvement in what we do. In our housing stock, we moved ahead with some major repairs that had become necessary and introduced improved arrangements for gas servicing.

Our rent arrears management improved, with clearer information to tenants. We continued to deliver many completed adaptations to existing properties, to meet the specific needs of our tenants.

3 Development Issues

We have spent £197,260 on developing/increasing housing stock (2011 - £351,037) during the year of which £94,136 (2011 - £218,655) was funded by Housing Association Grants.

4 Housing Issues

Clydebank continues to work on reducing the period of time taken to re-let or let new properties, to ensure that we maximise our effectiveness in housing people in need and reduce our costs. The rent loss due to empty properties was £10,353 (2011 - £9,659). Work is continuing to improve this figure.

5 Other Areas

Risk Management Policy

The Committee has a formal risk management process to assess business risks and implement risk management strategies. This involves identifying the types of risks the Association faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks. As part of this process the Committee review the adequacy of the Association's current internal controls.

In addition, the Committee has considered the guidance for directors of public listed companies contained within the Turnbull Report. They believe that although this is not mandatory for the Association it should, as a public interest body; adopt these guidelines as best practice. Accordingly they have set policies on internal controls which cover the following:

- consideration of the type of risks the Association faces;
- the level of risks which they regard as acceptable;
- the likelihood of the risks concerned materialising;
- the Association's ability to reduce the incidence and impact on the business of risks that do materialise; and the costs of operating particular controls relative to the benefit obtained.
- clarified the responsibility of management to implement the Committee's policies and to identify and evaluate risks for their consideration.
- communicated that employees have responsibility for internal control as part of their accountability for achieving objectives.
- embedded the control system in the charity's operations so that it becomes part of the culture of the Association.
- developed systems to respond quickly to evolving risks arising from factors within the charity and to changes in the external environment.
- included procedures for reporting failings immediately to appropriate levels of management and the Committee together with details of corrective action being undertaken.

REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012

Review of Business and Future Developments (Contd.)

Treasury Management

The Association has an active treasury management function, which operates in accordance with the Treasury Management Policy approved by the Committee of Management. In this way the Association manages its borrowing arrangements to ensure that it is always in a position to meet its financial obligations as they fall due, whilst minimising excess cash and liquid resources held.

The Association, as a matter of policy, does not enter into transactions of a speculative nature. At 31 March 2012, the Association has a mix of fixed and variable rate finance, which it considers appropriate at this time.

Maintenance policies

The Association seeks to maintain its properties to the highest standard. To this end, programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the cost of all these repairs would be charged to the Income and Expenditure account.

In addition, the Association has a long-term programme of major repairs to cover for works which have become necessary since the original development was completed, including works required by subsequent legislative changes. This includes replacement or repairs to features of the properties, which have come to the end of their economic lives. The cost of these repairs would be charged to the Income and Expenditure account, unless it was agreed they could be capitalised within the terms outlined in the SORP.

Internal Financial Control

The Committee of Management is responsible for establishing and maintaining the Association's system of internal control. Internal control systems are designed to meet the particular needs of the Association and the risks to which it is exposed, and by their nature can provide reasonable but not absolute assurance against material misstatement or loss. The key procedures which the Committee of Management has established with a view to providing effective internal financial are outlined on pages 9.

Management Structure

The Committee of Management has overall responsibility for the Association and there is a formal schedule of matters specifically reserved for decision by the Committee.

Quality and Integrity of Personnel

The integrity and competence of personnel are ensured through high recruitment standards and subsequent training courses. High quality personnel are seen as an essential part of the control environment and the ethical standards expected are communicated through the Director.

Budgetary Process

Each year the Committee of Management approves the annual budget and rolling five-year strategic plan. Key risk areas are identified. Performance is monitored and relevant action taken throughout the year through quarterly reporting to the Committee of variances from the budget, updated forecasts for the year together with information on the key risk areas. Approval procedures are in place in respect of major areas of risk such as major contract tenders, expenditure and treasury management.

REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012

Review of Business and Future Developments (Contd.)

Rental Income

The Association's Rent Policy is a points system based on the size, type and facilities of the accommodation. The policy ensures that the rent structure is easy to administer and covers the wide variations within the Association's properties. This policy follows the generally accepted practice/principles of the Housing Movement.

Employee Involvement and Health & Safety

The Association encourages employee involvement in all major initiatives.

Disabled Employees

Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities. In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Association may continue. It is the policy of the Association that training, career development and promotion opportunities should be available to all employees.

Credit Payment Policy

The Association's policy concerning the payment of its trade creditors complies with the Confederation of British Industry guidelines. The average payment period is thirty days.

General Reserves Policy

The Committee members have reviewed the reserves of Clydebank. This review encompassed the nature of the income and expenditure streams, the need to match variable income with fixed commitments and the nature of the reserves. To allow Clydebank to be managed efficiently and to provide a buffer for uninterrupted services, a general reserve equivalent to at least two months operating cost is being maintained. During the year the charity's general reserve remained constant at £500,000 (see note 17).

The Association has one other designated fund, the major repairs reserve. The purpose of this fund is detailed in note 1 in the financial statements. During the year this reserve increased from £9,612,624 to £10,419,119 as a result of a transfer from revenue reserves.

The Association aims to continually add to the reserve in line with its long term plans.

Sales of housing properties

Properties are disposed of under the appropriate legislation and guidance. All costs, first tranche sales, and grants relating to the share of property sold are removed from the financial statements at the date of sale. Any grants received that cannot be repaid from the proceeds of sale are abated and the grants removed from the financial statements.

We sold 2 (2011: 2) properties under the Right to Buy scheme thereby allowing the tenants to achieve their aspiration of becoming home owners.

REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012

Review of Business and Future Developments (Contd.)

Mortgage to Rent and Shared Ownership buy-back Schemes

During the year 2011/12, the Association purchased one property through the Scottish Government's Mortgage to Rent scheme. The aim of the scheme is to help owners who are in financial difficulty and are in danger of being made homeless. The Association also purchased one shared ownership property where the sharing owner was facing serious financial difficulties and thereafter was able to remain in the property under a standard Scottish Secure Tenancy Agreement.

Future Developments 2012

In response to the Government's changes to the funding regime, the Association is currently investigating new funding models, which will allow us to continue our main objective of providing affordable housing.

Although a number of opportunities exist within our area of operation, such as Stanford Street, and the Riverside, none have been designated as "high priority" within WDC's Strategic Housing Investment Plan and therefore, are unlikely to attract the necessary subsidy from the Scottish Government to allow development within the short term.

Nevertheless, we will continue our endeavours, in partnership with West Dunbartonshire Council, to respond to identified housing needs in Clydebank.

Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the are appointed by the members at the Association's Annual General Meeting.

**REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012**

Statement of Management Committee's Responsibilities

The Industrial and Provident Societies Acts 1965 to 2002 require the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Industrial and Provident Societies Act 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements (Scotland) Order 2007. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

**REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH 2012**

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement of Loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- regular financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

Auditors

Alexander Sloan, Chartered Accountants were appointed as Auditors during the year. A resolution to re-appoint the Auditors, Alexander Sloan, Chartered Accountants, will be proposed at the Annual General Meeting.

REPORT BY THE AUDITORS TO THE MANAGEMENT COMMITTEE OF
CLYDEBANK HOUSING ASSOCIATION LIMITED
ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 9 concerning the Association's compliance with the information required by the section on Internal Financial Control within SFHA's publication "Raising Standards in Housing".

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 9 has provided the disclosures required by the section on Internal Financial Control within SFHA's publication "Raising Standards in Housing" and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the section on Internal Financial Control within SFHA's "Raising Standards in Housing".

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
CLYDEBANK HOUSING ASSOCIATION LIMITED**

We have audited the financial statements of Clydebank Housing Association Limited for the year ended 31st March 2012 which comprise an income and expenditure account, balance sheet, cash flow statement and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The financial statements of the Association for the year ended 31 March 2011 were audited by another Auditor whose report expressed an unqualified opinion on those financial statements.

This report is made solely to the Association's members, as a body, in accordance with Section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit

Respective Responsibilities of Management Committee and Auditors

As explained more fully in the Statement of Management Committee's Responsibilities the Association's Management Committee, are responsible for the preparation of the Financial Statements that give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit on the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Management Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Management Committee's report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion on the financial statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31st March 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been properly prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements

In our opinion the exemption granted by the Financial Services Authority from the requirement to prepare Group Accounts is applicable as the amounts involved are not material.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
CLYDEBANK HOUSING ASSOCIATION LIMITED**

Matters on which we are required to report by exception

We are required to report to you if, in our opinion:

- the information given in the Management Committee's Report is inconsistent with the financial statements.
- proper books of account have not been kept by the Association in accordance with the requirements of the legislation.
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation.
- the Income and Expenditure Account to which our report relates, and the Balance Sheet are not in agreement with the books of the Association.
- we have not received all the information and explanations necessary for the purposes of our audit.

We have nothing to report in respect of these matters.

CLYDEBANK HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS

1 PRINCIPAL ACCOUNTING POLICIES

Basis Of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by Registered Social Landlords 2010, and on the historical cost basis. They also comply with the Registered Social Landlords Accounting Requirements (Scotland) Order 2007. A summary of the more important accounting

Basis Of Consolidation

The Association has obtained exemption from the Financial Services Authority from producing Consolidated Financial Statements as provided by Section 14(2A) of the Friendly and Industrial and Provident Societies Act 1968. The Financial Statements for Clydebank Housing Association Limited present information about it as an individual undertaking and not about its Group.

Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue

Retirement Benefits

The Association participates in the S.F.H.A. Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

Valuation Of Housing Properties

Housing Properties are stated at cost, less social housing and other public grants and less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 11. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable

The carrying value of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Social Housing Grant And Other Grants In Advance/Arrears

Where developments have been financed wholly or partly by Social Housing Grant or other capital grant, the cost of those developments has been reduced by the amount of the grant receivable. The amount of the grants receivable is shown separately on the Balance Sheet.

Social Housing Grant attributed to individual components is written off to the Income and Expenditure Account when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as fixed asset disposals with the gain or loss on disposal shown in the Income and Expenditure Account.

Disposals of housing property under the Right to Buy scheme are treated as a fixed asset disposal and any gain and loss on disposal accounted for in the Income and Expenditure Account.

Disposals under shared equity schemes are accounted for in the Income and Expenditure Account. The remaining equity in the property is treated as a fixed asset investment, which is matched with the grant received.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1 PRINCIPAL ACCOUNTING POLICIES (Continued.)

Leases/Leased Assets

Costs in respect of operating leases are charged to the Income and Expenditure Account on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Balance Sheet and are depreciated over their useful lives.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Designated Reserves

The Association has designated part of its reserves to meet its long term obligations.

The Major Repairs Reserve is based on the Association's liability to maintain housing properties in a state of repair which at least maintains their residual values in prices prevailing at the time of acquisition and construction.

Property Development Cost

The proportion of the development cost of shared ownership properties expected to be disposed of as a first tranche sale is held in current assets until it is disposed of. The remaining part of the development cost is treated as a fixed asset. Surpluses made on the disposal of first tranche sales are taken to the Income and Expenditure Account in accordance with the Statement of Recommended Practice.

Property developments that are intended for resale are included in current assets until disposal.

21. RETIREMENT BENEFIT OBLIGATIONS

General

Clydebank Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the scheme).

The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted out of the state scheme.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate.
- Career average revalued earnings with a 1/60th accrual rate
- Career average revalued earnings with a 1/70th accrual rate
- Career average revalued earnings with a 1/80th accrual rate
- Career average revalued earnings with a 1/120th accrual rate, contracted in

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

Clydebank Housing Association Limited has elected to operate the final salary with a 1/60th accrual rate benefit structure for active members as at 31st March 2012 and the final salary with a 1/60th accrual rate benefit structure for new entrants from 1st April 2012.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

The actuarial valuation assesses whether the Scheme's assets at the valuation date are likely to be sufficient to pay the pension benefits accrued by members as at the valuation date. Asset values are calculated by reference to market values. Accrued pension benefits are valued by discounting expected future benefit payments using a discount rate calculated by reference to the expected future investment returns.

During the accounting period Clydebank Housing Association Limited paid contributions at the rate of 9.6% of pensionable salaries. Member contributions were 9.6%.

As at the balance sheet date there were 19 active members of the Scheme employed by Clydebank Housing Association Limited. The annual pensionable payroll in respect of these members was £564,402. Clydebank Housing Association Limited continues to offer membership of the Scheme to its employees.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

21. RETIREMENT BENEFIT OBLIGATIONS (Continued)

The last formal valuation of the Scheme was performed as at 30th September 2009 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295m. The valuation revealed a shortfall of assets compared with the value of liabilities of £160m (equivalent to a past service funding level of 64.8%).

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30th September 2011. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £341 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £207 million, equivalent to a past service funding level of 62.2%.

Financial Assumptions

The financial assumptions underlying the valuation as at 30th September 2009 were as follows:

	% p.a.
- Investment return pre-retirement	7.4
- Investment return post-retirement - non pensioners	4.6
- Investment return post-retirement - pensioners	4.8
- Rate of Salary increases	4.5
- Rate of pension increases:	
pension accrued pre 6 April 2005 in excess of GMP	2.9
pension accrued from 6 April 2005	2.2
(for leavers before 1 October 1993 pension increases are 5.0%)

Valuation Results

The long-term joint contribution rates required from employers and members to meet the cost of future benefit accrual were assessed as:

<i>Benefit Structure</i>	<i>Long-term joint contribution rate (% of pensionable)</i>
Final salary - 60ths	19.2
Career average 60ths	17.1
Career average 70ths	14.9
Career average 80ths	13.2
Career average 120ths	9.4

If an actuarial valuation reveals a shortfall of assets compared to liabilities the Trustee must prepare a recovery plan setting out the steps to be taken to make up the shortfall.

Following consideration of the results of the valuation it was agreed that the shortfall of £160m would be dealt with by the payment of additional contributions of 10.4% of pensionable salaries per annum with effect from 1st April 2011, increasing each 1 April in line with the rate of salary increases assumption.

As a result of Pension Scheme legislation there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any "orphan" liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

22. PRIOR YEAR ADJUSTMENT

During the year, the Association changed its accounting policy in relation to housing properties and depreciation, as detailed in Note 1 of the Financial Statements, in order to incorporate component accounting. Major repairs which relate to identified components are capitalised, with major components being depreciated over the estimated useful economic lives of each identified component.

As a result of the change in accounting policy, a prior year adjustment has been required under Financial Reporting Standard 3 - Reporting Financial Performance and Financial Reporting Standard 18 - Accounting Policies, as follows:

	£
Increase in Net Book Value of Housing Properties	3,559,759
Increase in Net Book Value of Other Fixed Assets	175,513

The effect of adopting component accounting has been to increase reserves as at 1 April 2010 by £3,379,745.

The figures in the 2011 Financial Statements have been adjusted as follows:

	Reported in 2011 Accounts £	Restated 2011 figures £
Housing Property	5,509,761	9,069,520
Office Premises & other properties	644,276	819,789
Designated Reserves	<u>5,877,352</u>	<u>9,612,624</u>
Housing Depreciation Charge	122,484	315,264
Other Depreciation Charge	64,785	35,942
Major Repairs Charge	<u>689,914</u>	<u>170,450</u>

The reported surplus in 2011 has been restated by £355,527 and now stands at £1,394,142
