CUNNINGHAME HOUSING ASSOCIATION LIMITED REPORT FROM THE BOARD OF MANAGEMENT FOR THE YEAR ENDED MARCH 2023

The Association's Board of Management presents their report and the audited Financial Statements for the year ended 31st March 2023.

Legal Status

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No.2184R(S) and the Housing (Scotland) Act 2010. The Association is governed under its Rule Book. The Association is a Registered Scottish Charity with the charity number SC037972. The Association's rules are based upon the SFHA Charitable Model Rules (Scotland) 2020.

Principal Activities

Our Rules state that the objects of the Association are:

- To provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care; and
- Any other purpose or object permitted under Section 24 of the Housing (Scotland) Act 2010 which is charitable both for the purpose of Section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and also in relation to the application of the Taxes Acts.
- The permitted activities and powers of the Association will include anything which is necessary or expedient to help the Association achieve these objects.
- The Association shall not trade for profit and any profits shall only be applied for the purpose of furthering the Association's objects and/or in accordance with these Rules.
- Nothing shall be paid or transferred by the way of profit to Members.

Review of business and future developments

Cunninghame Housing Association's Corporate Strategy and Business Plan covers the period 2023/24 to 2027/28 and is reviewed and updated on an annual basis. The last review and update was carried out in April 2023 by the Board of Management. This is our key strategic document which sets out and communicates our vision, objectives, strategic direction and timescales for implementation.

Our mission is to be more than just a landlord by making our communities better places. This, together with our corporate values, defines how we operate, engage with our stakeholders and deliver on our objectives. The Group's long-term strategy to achieve our objectives is supported by our 30 year financial projections, our 5 year financial plan and our operational targets and budgets.

Objectives

As part of our recent annual governance review of the Corporate Strategy and Business Plan the Association reviewed its six strategic objectives, to ensure that they continue to drive business development and deliver the highest quality outcomes for our tenants.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

REPORT FROM THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED MARCH 2023

Our strategic objectives are:

Customers First

To deliver high quality, customer driven service by putting tenants, customers and communities at the heart of planning and decision making.

Growth

To achieve growth and financial sustainability through partnership working.

Quality

To provide affordable, high-quality homes that meet current and future needs and aspirations of our customers and our communities.

Regeneration

To support the social and economic regeneration of our communities.

Corporate Social Responsibility

To deliver effective leadership, brand positioning to positively impact on our business, our people and the communities in which we operate.

Continuous Improvement

To seek continuous improvement in our operations by investing in and developing further all our people and our business processes.

Governance

The members of the Board of Management and the Group Chief Executive and Executive Directors are listed on page 1. Our Governing Body (the Board) has 15 members with a wide range of skills and experience. The office bearers are elected annually by the Board of Management. Each member of the Board of Management holds one fully paid share of £1 in the Association. Members of the Board of Management undertake their work in a voluntary, unpaid capacity.

The Board are responsible for setting the Association's strategy, policy and overall direction.

During the year the Board of Management and its various Sub Committees hold regular meetings. The sub committees are responsible for monitoring particular operational areas of the business and they receive regular reports from the Executive Directors on activities undertaken and performance against targets.

Principal Activities and Business Need

Cunninghame Housing Association Limited: principal activities is the provision and management of affordable housing across the North & East Ayrshire, as well as the Dumfries & Galloway region. We also engage in social and economic development initiatives including employment and training, social enterprise centres and community hubs.

Within our group structure, we have two subsidiary companies. Cunninghame Furniture & Recycling which is primarily involved with the recycling and reuse of furniture. Citrus Energy which focuses on commercial energy services.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

REPORT FROM THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED MARCH 2023

Highlights of performance for the year – CHA Group

The main highlights of the year are set out as below:

- 202 new affordable homes completed during the year.
- 126 new units commenced on site in the course of the year.
- We continue to provide high quality homes and services to our tenants and customers.
- 146 staff employed across the group & retained IIP Platinum
- Working collaboratively with our Lemon Aid service to mitigate the impact of the cost-of-living crisis to our tenants.
- Successful completion of the first year of our Direct Works in house repairs service in recognition of the need to provide an improved service to our tenants.

Investment in our Homes

Maintaining our housing stock to the highest possible quality standards is a key priority for us and this is reflected in our Asset Management strategy. We delivered a full programme of component replacement and improvement work during the year across our stock.

New Build Housing

We have recognised the challenges faced in delivering new homes against a backdrop of unprecedented increases in costs and significant price rises. The Board decided that development activity should be scaled down to allow costs to stabilise and grant to be reviewed to better support project delivery.

The provision of new homes remains one of our key objectives and growth is still projected over the next 5 years with around 400 new homes planned over the period.

Financial Review

The results for the year are as shown in the attached Statement of Comprehensive Income. The surplus for the year was £2,475,064 (2022 £2,604,560) - this is before pension adjustments of (-£538,000) (2022 £974,000).

Net assets are now £20,579,120 (2022 £18,642,059). This financial year has been another hugely successful chapter in the ongoing journey of growth and sustainability of the Association.

There are no issues with regards to Going Concern, which is detailed within our principal accounting policies on page 19.

Reserves

At the year end the Association's total reserves of £20.6m which represents the value of assets less liabilities at the period end. The Association needs to have reserves to ensure that the organisation can function into the future and meet its future liabilities including the repair, maintenance and investment needs of its properties. The Association regularly reviews and updates its long term projections in order to demonstrate that the financial position of the Association remains viable over the short, medium and longer term.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
REPORT FROM THE BOARD OF MANAGEMENT
FOR THE YEAR ENDED MARCH 2023

Risk Management

The Association operates a robust risk management Strategy and Framework which includes our strategic and operational risk registers, in terms of managing risk, we ensure that risk management is a standard item on each Board of Management agenda.

Each year, we also engage the services of an external risk consultant who carries out a review with Board members and the Executive Team. We examine our approach to risk, as well as reviewing our risks contained within the strategic risk register, and update accordingly.

In April 2023, we held a risk review session with the consultant with the main outcomes this year being the consolidation of our risk documentation into one risk management strategy document. In addition, a comprehensive review of the strategic risk register resulted in a reduction of the number of strategic risks reducing from 46 to a total of 15 strategic risks.

Our top 2 rated risks have been identified as follows:

Risk No.	Risk Description	Risk Status	Risk Status Colour/Number
6	Rising Costs affecting the viability of 30-year projections	Reviewed 30/06/2023	108
9	Unable to meet EESSH2/Net Zero standards	Reviewed 30/06/2023	100

Our strategic risk register is reviewed throughout the year by our Board of Management.

Annual Assurance Statement

In March 2022 the Association commissioned an external consultant to test CHA's compliance with the Scottish Housing Regulator's (SHR) Regulatory Standards of Governance & Financial Management in order that the Association could submit its self-assurance certificate to the SHR. An Assurance Statement is a way for Committees and Boards to declare that they are assured their organisation complies with regulatory requirements and standards or to disclose areas where they need to improve. It is meant to help governing body members get the assurance they need. The overall assessment was that Cunninghame Housing Association was fully compliant with the regulatory standards and there were no areas of material non-compliance. We are in the process of preparing this year's self-assurance certificate and have again engaged the services of a consultant to assist us with the process.

Plans for the Future

The Association is very aware of the areas which are likely to present the greatest challenges for us over the next 5 years. We recognise that if we are to achieve our vision, mission and deliver on our strategic objectives, we also need to establish those factors which are critical to our success and will help direct and measure the success of CHA. This understanding and awareness of the environment within which we operate, as well as knowing what our tenants and stakeholders require from us, allows us to present a clear vision and strategy for the next five year period and beyond.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

REPORT FROM THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED MARCH 2023

Board of Management and Executive Officers

Each member of the Board of Management holds one fully paid share of £1 in the Association. The Executive Officer & Executive Directors of the Association hold no interest in the Association's share capital and although not having the legal status of a director they act as an executive within the authority delegated by the Board.

Council Positions are held on the Board and representatives are appointed directly by the Council.

Co-opted positions are held for an annual period. Co-opted members must stand to be re-appointed if they wish to be on the board the following year.

Statement of Board of Management's responsibilities

The Co-operative and Community Benefit Societies Act 2014 require the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that year. In preparing those Financial Statements, the Board of Management is required to: -

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- Prepare a statement on Internal Financial Control.

The Board of Management is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements - 2019. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Board of Management must in determining how amounts are presented within items in the Statement of Comprehensive Income and Statement of Financial Position, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Board of Management are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditor is unaware, and

CUNNINGHAME HOUSING ASSOCIATION LIMITED
REPORT FROM THE BOARD OF MANAGEMENT
FOR THE YEAR ENDED MARCH 2023

- The Board of Management have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditor is aware of that information.

Statement on Internal Financial Control

The Board of Management acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- The reliability of financial information used within the Association, or for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets against unauthorised use or disposition.

It is the Board of Management's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- Formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- Experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- Forecasts and budgets are prepared which allow the Association's Group Chief Executive and the Executive Management Team and the Board of Management to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Board of Management;
- The Board of Management receive reports from the Group Chief Executive and the Executive Management Team and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken; and
- Formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal and external audit reports.

The Board of Management has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2023. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

**CUNNINGHAME HOUSING ASSOCIATION LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CUNNINGHAME HOUSING ASSOCIATION
LIMITED FOR THE YEAR ENDED MARCH 2023**

In addition to our audit of the Financial Statements, we have reviewed your statement on page 7 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 7 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of The Board of Management and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that The Board of Management's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CUNNINGHAME HOUSING ASSOCIATION
LIMITED FOR THE YEAR ENDED MARCH 2023

OPINION

We have audited the financial statements of Cunninghame Housing Association for the year ended 31 March 2023 which comprise a statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in capital and reserves and related notes including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland.

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been properly prepared in accordance with the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs UK) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the housing association in accordance with the ethical requirements that are relevant to our audit of financial statements in the UK, including the Financial Reporting Councils Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Board of Management's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Board of Management has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Board of Management is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our

CUNNINGHAME HOUSING ASSOCIATION LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CUNNINGHAME HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED MARCH 2023

knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Board of Management.

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF THE BOARD OF MANAGEMENT

As explained more fully in the Board of Management's responsibilities statement set out on page 6, the Board members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Management are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board members either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below: We gained an understanding of the legal and regulatory framework applicable to the Association and the industry in which it operates and considered the risk of acts by the Association which were contrary to applicable laws and

CUNNINGHAME HOUSING ASSOCIATION LIMITED
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CUNNINGHAME HOUSING ASSOCIATION
LIMITED FOR THE YEAR ENDED MARCH 2023

regulations, including fraud. These included but were not limited to the Housing SORP 2018, the Co-operative and Community Benefit Societies Act 2014 and the Housing (Scotland) Act 2010.

We focused on laws and regulations that could give rise to a material misstatement in the Association's financial statements. Our tests included, but were not limited to:

- agreement of the financial statement disclosures to underlying supporting documentation;
- enquiries of the members;
- review of minutes of board meetings throughout the period;
- review of legal correspondence or invoices, and
- obtaining an understanding of the control environment in monitoring compliance with laws and regulations.

There are inherent limitations in an audit of financial statements and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

USE OF OUR REPORT

This report is made solely to the Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2023
NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Legal status

The Association is incorporated under the Co-operative and Community Benefit Societies Act 2014 and is registered by the Financial Conduct Authority. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102.

Basis of Accounting

These financial statements have been prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for Social Housing Providers 2018 and comply with the requirements of the Determination of Housing Requirements 2019 as issued by the Scottish Housing Regulator.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies (see below).

The following principal accounting policies have been applied:

Going Concern

The Board of Management have assessed the Association's ability to continue as a going concern and have reasonable expectations that the Association has adequate resources to continue in operational existence for the foreseeable future. Long term projections are reviewed twice a year for revenue income, capital income and costs and are reported to the Board of Management. Thus, they continue to adopt the going concern basis accounting in preparing these financial statements.

The Association has taken into account the current economic conditions in its consideration and is satisfied that the Association has adequate resources to manage the impact of this on an ongoing basis.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised as expenditure is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates. Revenue grants and funding are released as per the terms of the award or as agreed outcomes are achieved.

Development administration costs

Development costs incremental to the other costs of the Association have been capitalised.

Government grants received in respect of revenue expenditure are credited to the Statement of Comprehensive Income in the same period as the expenditure to which they relate.

Cyclical and major repairs

The Association seeks to maintain its properties to the highest standard. To this end programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the costs of these repairs would be charged to the Statement of Comprehensive Income.

In addition, the Association completes programmes of major repairs to cover for works which have become necessary since the original development was completed, including works required by legislative changes. This

CUNNINGHAME HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

includes replacement or repairs to features of the properties which have come to the end of their economic lives. The costs of these repairs would be charged to the Statement of Comprehensive Income, unless it was agreed that they could be capitalised within the terms outlined in the SORP.

Retirement Benefits

The Association participates in the Scottish Housing Association Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

The Association accounts for the pension scheme on a defined benefit basis based on its share of scheme assets and liabilities as determined by the scheme actuary. Defined benefit costs are recognised in the Statement of Comprehensive Income within operating costs. Actuarial gains and losses are recognised in Other Comprehensive Income. Further details are disclosed in the notes to the accounts.

The Association closed the defined benefit scheme at 1st July 2014 and transferred staff over to the SHAPS defined contribution scheme. Auto enrolment commenced for the Association on 1st July 2014 for all eligible staff through Scottish Widows. The costs to the Association of such pension contributions are charged too the Statement of Comprehensive Income.

Valuation of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 12. CHA has a minimum capitalisation policy of £1,000. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Kitchens	18 Years
Bathrooms	25 Years
Central Heating	18 Years
Windows	25 Years
PV Solar Panels	25 Years
Roofs	55 Years
Structure	60 Years

Depreciation and Impairment of Other Non-Current Assets

Non-Current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following rates:-

Office Premises	50 years
Commercial premises	50 years
Fixtures and Fittings	3 years
Office Equipment	5 years
Motor Vehicles	7 years
Plant & Machinery	5 years

CUNNINGHAME HOUSING ASSOCIATION LIMITED
FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2023
NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

There was a change in depreciation charge for all new vehicles purchases from 21/22. All pre April 21 vehicles were depreciated over 5 years. All new purchases from April 21 have been depreciated over 7 years based on the current useful life of the assets.

The carrying value of non-current assets is reviewed for impairment at the end of each reporting year.

Social Housing Grant and Other Grants in Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which it relates.

Social Housing Grant attributed to individual components is written off to the Income and Expenditure Account when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same year as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals of housing property under the Right to Buy scheme are treated as a non-current asset disposal and any gain and loss on disposal accounted for in the Statement of Comprehensive Income.

Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Board of Management to exercise judgement in applying the Association's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, is disclosed below:

Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers: tenant payment history, arrangements in place, and court action.

Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2023
NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

Useful Lives of Other Fixed Assets

The useful lives of other fixed Assets are based on the knowledge of senior management at the Association with reference to expected asset life cycles.

Pension Liabilities

This has relied on the actuarial assumptions of qualified actuaries which have been reviewed and are considered reasonable and appropriate.

Costs of Shared Ownership

The Association allocates costs to shared ownership properties on a percentage basis split across the number of properties the Association owns.

Leases/Leased Assets

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Key Judgements made in the application of Accounting Policies

a) The Categorisation of Housing Properties

In the judgement of the Board of Management the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Association considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Financial Instruments – Basic

The Association only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like rents, accounts receivable and payable, loans from banks and related parties.

These are recognised in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

25. RETIREMENT BENEFIT OBLIGATIONS (continued)

Scottish Housing Associations' Pension Scheme

The Association participates in the Scottish Housing Associations' Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The Scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the scheme for funding purposes was carried out as at 30 September 2021. This valuation revealed a deficit of £27m. A Recovery Plan has been put in place to eliminate the deficit which will run to either 30 September 2022 or 31 March 2023 (depending on funding levels) for the majority of employers, although certain employers have different arrangements.

The Scheme is classified as a 'last man standing arrangement'. Therefore, the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the Scheme. Participating employers are legally required to meet their share of the Scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

For financial years ending on or before 28 February 2019, it was not possible for the company to obtain sufficient information to enable it to account for the Scheme as a defined benefit scheme, therefore the company has accounted for the Scheme as a defined contribution scheme.

For financial years ending on or after 31 March 2019, it is possible to obtain sufficient information to enable the company to account for the Scheme as a defined benefit scheme.

For accounting purposes, a valuation of the scheme is carried out with an effective date of 30 September each year. The liability figures from this valuation are rolled forward for accounting year-ends from the following 31 March to 28 February inclusive.

The latest accounting valuation was carried out with an effective date of 30 September 2021. The liability figures from this valuation were rolled forward for accounting year-ends from the following 31 March 2022 to 28 February 2023 inclusive.

The liabilities are compared, at the relevant accounting date, with the company's fair share of the Scheme's total assets to calculate the company's net deficit or surplus.

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e., the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2023
NOTES TO THE FINANCIAL STATEMENTS

25. RETIREMENT BENEFIT OBLIGATIONS (continued)

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any "orphan" liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

In May 2021 the Scheme Trustee (TPT Retirement Solutions) notified employers of a review of historic scheme benefit changes, and this review has raised legal questions regarding whether and when some historic benefit changes should take effect, the outcome of which could give rise to an increase in liabilities for some employers. The Scheme Trustee has determined that it is prudent to seek clarification from the Court on these items. This process is ongoing, and the matter is unlikely to be resolved before late 2024 at the earliest.

On 4 May 2022 the Scheme Trustee issued an update to employers which included an estimate of the potential total additional liabilities at total scheme level, on a Technical Provisions basis. However, until Court directions are received, it is not possible to calculate the impact of this issue on an individual employer basis with any accuracy. As a result of this no allowance will be made for this within the accounting disclosures included in this note.

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The Association has been notified by TPT of the estimated employer debt on withdrawal from the Scheme based on the financial position of the Scheme as at 30 September 2022. As of this date the estimated employer debt for the Association was £3,537,929.

The Association has no intention of withdrawing from the scheme.
