CUNNINGHAME HOUSING ASSOCIATION LIMITED
REPORT OF THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31ST MARCH, 2011

The Committee of Management present their report and the audited financial statements for the year ended 31st March, 2011.

Principal Activities

The principal activities of the Association are the provision, construction, improvement and management of rented and shared-ownership accommodation. The Association is a not for profit organisation. The results for the year are as shown in the attached Income and Expenditure Account. The deficit for the year after taxation was £683,708(2010- £200,860) and transfers from/to reserves were £197,169(2010 - £2,400,657).

Review of Business

This has been a very successful financial year for the Association.

During the last year the Association's Development Housing Building Programme continued to deliver valuable assets for the organisation. A total of 79 additional new build houses were taken into management with a further total of 134 new build houses having commenced on site. A further 89 new build houses have now been programmed for site start during 2011-2012 subject to Scottish Government approval. Expenditure on land and buildings was £9.813m.

This year also saw further sustained and ongoing success in reducing our APSR rent arrears from 2.32% in 2009-2010 to 1.62%.

Our investment in our older stock has also continued as we deliver our Planned Improvement & Repair Programmes in order to ensure that all our properties meet the Scottish Housing Quality Standards (SHQS) by 2015. This year we invested over £2m in SHQS works with around £1.6m programmed for next year.

In terms of national recognition for the work that the Association does, we were delighted to have achieved a listing in the Sunday Times 100 Best Places to Work in the Public/Third Sector for 2011.

Changes in Fixed Assets

Details of changes in fixed assets are set out in Notes 11-12.

The Committee of Management and Executive Officer

The Committee of Management and Executive Officer of the Association are as follows:-

The Executive Officer of the Association holds no interest in the Association's share capital and although not having the legal status of a director he acts as an executive within the authority delegated by the Committee.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE

FOR THE YEAR ENDED 31ST MARCH, 2011/Cont...

Statement of Committee's Responsibilities

Housing Association legislation requires the Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the income and expenditure of the Association for the year ended on that date. In preparing these financial statements, the Committee is required to:-

- . Select suitable accounting policies and then apply them consistently;
- . Make judgements and estimates that are reasonable and prudent;
- . State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- . Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Association will continue in business;
- . Prepare a statement on internal financial control.

The Committee is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the Association and to enable it to ensure that the financial statements comply with the requirements of the Industrial and Provident Societies Acts 1965-2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007. It is also responsible for safeguarding the assets of the Association and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Corporate Governance

The Association has complied throughout the accounting period with the Code of Best Practice published by the Cadbury Committee on the Financial Aspects of Corporate Governance in 1992.

In accordance with the requirements of the Scottish Housing Regulator, the auditors have confirmed that they consider this statement appropriately reflects the Association's compliance with those paragraphs of the Code of Best Practice required to be reviewed by them. The auditors have also confirmed that, in their opinion, with respect to the Statement on Internal Financial Control below, the Management Committee have provided the disclosures required by Paragraph 4.5 of the Code of Best Practice as supplemented by the related guidance for Management Committee and such statement is not inconsistent with the information of which they are aware from their audit work on the Financial Statements

Statement as to Disclosure of Information to Auditors

So far as the Committee are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the Association's auditors are unaware, and each Committee Member has taken all the steps that he or she ought to have taken as a Committee Member in order to make himself or herself aware of any relevant audit information and to establish that the Association's auditors are aware of that information.

Auditors

A resolution to appoint the auditors, Armstrongs, will be proposed at the Annual General Meeting.

By order of the Committee

Sarah Anna Greer
Secretary

CUNNINGHAME HOUSING ASSOCIATION LIMITED
COMMITTEE STATEMENT ON THE ASSOCIATION'S
SYSTEM OF INTERNAL FINANCIAL CONTROL
FOR THE YEAR ENDED 31ST MARCH, 2011

The Committee acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- . The reliability of financial information used within the Association or for publication;
- . The maintenance of proper accounting records;
- . The safeguarding of assets (against unauthorised use or disposition).

It is the Committee's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements include ensuring that:

- . Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets;
- . Experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance;
- . Forecasts and budgets are prepared regularly which allow the Committee and staff to monitor the key business risks and financial objectives, and progress towards financial plans set for the year and the medium term;
- . Regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information and significant variances from budgets are investigated as appropriate;
- . All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through relevant sub-committees comprising Committee members and others;
- . The Committee review reports from management, from directors, staff and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed. This includes a general review of the major risks facing the Association;
- . Formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports.

The Committee have reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31st March 2011 and until the below date. No weaknesses were found in internal financial controls, which resulted in material losses, contingencies, or uncertainties, which require disclosure in the financial statements or in the Auditor's Report on the financial statements.

CUNNINGHAME HOUSING ASSOCIATION LIMITED
REPORT OF THE AUDITORS ON THE COMMITTEE
STATEMENT ON THE ASSOCIATION'S SYSTEM OF INTERNAL FINANCIAL CONTROL
FOR THE YEAR ENDED 31ST MARCH, 2011

Corporate Governance

In addition to our audit of the financial statements, we have reviewed the Committee's statement on page four concerning the Association's compliance with the information required by the section on internal financial control within SFHA's publication "Raising Standards in Housing".

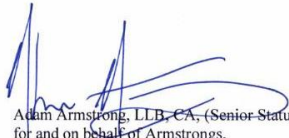

Basis of Opinion

We carried out our review having regard to the Bulletin "Disclosures Relating to Corporate Governance" issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the Guidance Notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the statement on internal financial control has provided the disclosures required by the section on internal financial control within SFHA's publication "Raising Standards in Housing" and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain Committee members, directors and officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the section on internal financial control within SFHA's publication "Raising Standards in Housing".

**REPORT OF THE INDEPENDENT AUDITORS TO
THE MEMBERS OF CUNNINGHAME HOUSING ASSOCIATION LIMITED**

We have audited the financial statements for the year ended 31st March 2011 which comprise the Income and Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007.

This report is made solely to the Association's members, as a body, in accordance with Industrial and Provident Societies Acts 1965 to 2002. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Committee and Auditors

As explained more fully in the Statement of Committee's Responsibilities, the Committee are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Committee, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the Association's affairs as at 31st March 2011 and of its deficit for the year then ended; and
- have been properly prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002, Schedule 1, the Housing (Scotland) Act 2001 and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007.

Opinion on Committee Report

In our opinion the information given in the Report of the Committee for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report

We have nothing to report in respect of the following matters where the current legislation requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Committee's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2011

1. Principal Accounting Policies

The Association is incorporated under the Industrial and Provident Societies Act 1965 and is registered by the Financial Services Authority.

The financial statements have been prepared under the historical cost convention in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by registered social landlords (2008) and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007. A summary of the more important accounting policies is set out below.

Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable from the Scottish Housing Regulator, Local Authorities and other agencies.

Housing Properties

Housing Properties are stated at cost, less social housing and other public grants or the fair value of assets transferred on the transfer of engagement and less accumulated depreciation. Depreciation is charged on a straight line basis over 60 years, the expected economic useful lives of the properties at an annual rate of 1.66%.

Improvements are capitalised where these result in an enhancement of the economic benefits of the property. Such enhancement can occur if the improvements result in an increase in rental income, a material reduction in future maintenance costs or a significant extension of the life of the property. Works to existing properties, which fail to meet the above criteria, are charged to the Income and Expenditure Account.

The Statement of Recommended Practice 2008 states that the disposal of shared-ownership properties first tranche sales be included in turnover at completion with the balance being classified as fixed assets. Due to Cunninghame's last shared-ownership scheme being off-site in 2000 and records only being required to be held for six years, this exercise has not been carried out.

Reviews for impairment of housing properties are carried out regularly and any impairment in an income-generating unit is recognised by a charge to the Income and Expenditure Account. Impairment is recognised where the carrying value of an income-generating unit exceeds the higher of its net realisable value or its value in use. Value in use represents the net present value of expected future cash flows from these units. Impairment of assets would be recognised in the Income and Expenditure Account.

Other Fixed Assets

Other fixed assets are stated at cost or the fair value of assets transferred on the transfer of engagements less accumulated depreciation. Depreciation is charged by equal instalments commencing with the year of acquisition at rates estimated to write off costs less any residual value over the expected economic useful lives at annual rates :-

| | |
|--------------------------------|-----------------|
| Freehold Property | - 2% per annum |
| Equipment, Fixtures & Fittings | - 33% per annum |

Housing Association Grants and Other Grants

Where developments have been financed wholly or partly by Housing Association Grant (HAG) or other capital grant, the cost of those developments have been reduced by the amount of the grant receivable. The amount of the grants receivable is shown separately on the Balance Sheet.

Housing Association Grant and Wider Role Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Housing Association Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

CUNNINGHAME HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2011/Cont...

1. Principal Accounting Policies/Cont...

Capitalisation of Interest

Interest incurred on financing a development is capitalised up to the date of completion of the scheme.

Acquisition and Development Allowances

Acquisition and Development Allowances are determined by the Scottish Housing Regulator and are advanced as grants. They are intended to finance certain internal administrative costs relating to the acquisition and development of housing land and buildings for approved schemes. Development Allowances become available in instalments according to the progress of work on the scheme.

Development Administration Costs

Development costs incremental to the other costs of the Association have been capitalised.

Cyclical and Major Repairs

The Association seeks to maintain its properties to the highest standard. To this end programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the costs of these repairs would be charged to the Income and Expenditure Account.

In addition the Association completes programmes of major repairs to cover for works which have become necessary since the original development was completed, including works required by legislative changes. This includes replacement or repairs to features of the properties which have come to the end of their economic lives. The costs of these repairs would be charged to the Income and Expenditure Account, unless it was agreed that they could be capitalised within the terms outlined in the SORP.

Designated Reserves

The Association has designated part of its long term obligations.

- The Cyclical Maintenance Reserve has been designated to meet future repair and maintenance obligations which are cyclical in nature. These are carried out in accordance with a planned programme of works.
- The Major Repairs Reserve is based on the Association's liability to maintain housing properties in a state of repair which at least maintains their residual values in prices prevailing at the time of acquisition and construction.

Pension Costs

The Association participates in the centralised SFHA defined benefit pension scheme and retirement benefits to employees of the Association are funded by contributions from all participating employers and employees in the scheme. Payments are made in accordance with periodic calculations by consulting actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

The expected costs to the Association of pension is charged to the income and expenditure accounts so as to spread the cost of pensions over the service lives of employees.

Leasing

Rentals paid under operating leases are charged to the income and expenditure account over the lease term.

Value Added Tax

The Association is VAT registered, but a large proportion of its income, namely rents is exempt for VAT purposes, and therefore gives rise to a partial exemption calculation. Expenditure as a result is shown inclusive of VAT.

Consolidation

The Association and its subsidiary undertakings, Cunninghame Enterprises Limited and Cunninghame Furniture Recycling Company, comprise a group. The Financial Services Authority has granted exemption from preparing group financial statements. The Accounts therefore represent the results of the Association and not of the group.

The Association has secured from Santander loan facilities to cover its immediate known development programme. The £10,950,009 is the balance for projects which have received tender approval and the funding requirements are known, being HAG of £3,464,226, private finance £6,081,043 and other funding of £1,404,740.

23. Pensions

The Association participates in the Scottish Housing Associations' Pension Scheme ('the Scheme'). The Scheme is funded and is contracted out of the State Pension scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed as at 30th September 2009 by a professionally qualified Actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an actuarial report that provides an approximate update on the funding position of the Scheme as at 30th September 2010. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £335 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £162 million, equivalent to a past service funding level of 67.4%.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2011/Cont...

23. Pensions/Cont...

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the scheme's liability attributable to employment with the leaving employer compared to the total amount of the scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total scheme liabilities, scheme investment performances, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Association has been notified by the Pensions Trust of the estimated employer debt on withdrawal from the SFHA scheme based on the financial position of the scheme as at 30th September 2010. As of that date the estimated employer debt for the Association was £7,606,348.

The current triennial formal valuation of the Scheme, as at 30 September 2009, is being undertaken by a professionally qualified actuary. The provisional results of this valuation were issued by the SFHA Pension scheme in May 2010. These figures show that the deficit on the scheme has increased from £53.6 million to £160 million. The funding level of liabilities, based on these figures, would be 68.4% (2006-83.4%).

As a result of this valuation the total contribution rate must increase on average by 7% of pensionable earnings for all existing benefit option structures from April 2011.

The total pension cost for the Association was £190,012(2010: £197,459) of which £Nil(2010 : £21,093)was unpaid and is included in Creditors.

LSVT Contracts

The Scottish Government made concessions to LSVT excess right to buy receipts after the expiry of the initial 10Year contract period. In terms of the 3 Towns contract at the end of February 2007 there is a potential repayment to the Scottish Government under the contract agreement of approximately £335,000 in respect of excess Right to Buy sales receipts over the initial estimates by Cunninghame Housing Association Limited. This balance was potentially owing at 31st March 2010.

As at 31st March 2010 the Scottish Government had confirmed the process to be adopted that would result in cessation of contract agreements. This process has been followed by the Association and the contracts have now been set aside. No liability exists at 31st March 2011 regarding this matter.

Development Scheme Overspend

One of the Association's scheme developments at Altonhill, completed 2009/2010, has a projected overspend of £1,800,000 in terms of the works cost. This is primarily due to the requirement to remediate the site. At present a temporary funding arrangement is in place to ensure that all contractual obligations can be met by the Association. Dialogue is continuing with Partners and specialists in this matter to achieve a resolution. This is expected to be concluded by November 2011. In the event that any or all of the overspent monies are irrecoverable they may be written off in future years. Although this matter is material in terms of the overall finances of the Association, no going concern issues are viewed to be relevant in terms of long term financial projections completed in 2010/2011.

28. Group Structure

Cunninghame Housing Association Limited is a Housing Association registered in Scotland, and forms part of a group. The other members are Cunninghame Enterprises Limited, a company registered whose main activities relate to commercial activities such as Factoring Services, and Cunninghame Furniture Recycling Company, a registered charity whose activities relate to the diversion of waste from landfills and recycling furniture and white goods.

Cunninghame Housing Association Limited is considered to be the ultimate parent undertaking of the group. Separate accounts are not prepared as the Financial Services Authority has exempted the group from this requirement.
