REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

The Management Committee presents its report and the financial statements for the year ended 31 March 2011.

Legal Status

The Association is registered as a non-profit making organisation under the Industrial and Provident Societies Act 1965 No 1917 R S. The Association is constituted under its rule book.

Principal Activities

The principal activity of the Association is to maximise its impact as a social landlord in the local community through the provision of wide ranging quality services.

Strategic Objectives

- (i) The Association seeks to provide, manage and maintain desirable, quality, affordable housing in Dalmuir and surrounding areas in response to local housing need.
- (ii) The Association wishes to promote community control of the Association.
- (iii) The Association wishes to contribute to the improvement of social, physical, environmental and economic conditions in the local community.
- (iv) The Association will try to ensure that all services are managed and monitored by highly competent staff and committee members working within an effective strategic framework based on plans, policies and procedures.

Key Policies

- (i) Allocations Policy The Association has established a points based allocations system so that houses are made available to those in housing need.
- (ii) Rent Policy A rent policy has been formulated after conducting income surveys, to ensure that rents are at first affordable but also comparable to other housing providers and which also allows the Association to remain a viable entity by being able to meet all of its present and future financial obligations.
- (iii) Major Repairs The Association recognises its obligation to provide major repairs to its properties when required and life cycle costing exercises have been carried out to identify the extent of such repairs over each property's expected life span. It had been anticipated that funding would have been available to fund the major repairs of older developments but this may now not be the case and the Association may have to fund these projects from its own resources. This has been recognised within the Association's rent policy.

REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

(iv) Reserves:

- a) Designated Reserves The Association has set aside funds into major repair reserve accounts in order to recognise that surpluses made from rented properties will be reinvested in these properties in the form of major repairs as and when required.
- b) Revenue Reserves The Association's long term aim is to build reserves to a level equivalent to 25% of turnover (currently £0.6m) to cover operational working capital requirements and also property risk over the next five years.

The balances in these reserve funds are shown in the notes accompanying these financial statements.

(v) Treasury Management – The Association has a treasury management policy which is based on CIPFA's Code of Practice "Treasury Management for Housing Associations" and is designed to minimise the risk on investments whilst ensuring an acceptable return and limiting the Association's exposure to sudden rises in interest rates by having a balanced portfolio containing loans with variable interest rates and loans with fixed interest rates.

Review of Business and Future Developments

Financial Review

The Management Committee is satisfied with the Association's financial performance during the year and is pleased to report a surplus for the year of £47,960 (2010 – Surplus £157,599).

Turnover for the year increased by 0.7% to £2,514,552 (2010 - £2,496,636) whilst operating costs increased by 3.4% to £2,418,422 (2010 - £2,339,498).

The Association's investments consist of a programmed outlay of £380,000 on shares held within a Corporate Bond Fund managed by HBOS UK Investments Funds. The Corporate Bond Fund is a cautious-medium risk fund which aims to provide an above average income from a diversified portfolio of interest bearing securities. This portfolio has been exposed to the turbulence in the global financial markets over the past few years and the value of the shares held by the Association at the end of March was valued at £321,900 (2010 - £323,670), providing an unrealised loss for the year of £1,770 (2010 - gain of £61,785).

The Association's cash balance at March 2011 decreased to £780,512 (2010 - £1,335,155) and this was mainly due to property loan repayments of £356,739 (2010 - £80,470) which included the redemption of the Scottish Homes loan portfolio for £292,774 (2010 - £nil) repaid to the Scottish Government and the purchase of other fixed assets amounting to £197,423 (2010 - £6,592).

REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

Wider Role

The Association prioritises many social interaction activities which, when added to our own budgeted expenditure on community development, donations and activities, ensures that we create a varied range of initiatives involving the widest cross section of the community possible.

The Association has also demonstrated its commitment to wider action by subscribing to Community Links Scotland, an organisation formed to fund and establish new wider action projects, and by employing specialist fundraising consultants, Winning Leishman. We are in the process of creating a new community trust, the Beardmore Trust, which will create wider community involvement and increased financial support for community projects.

The two most significant wider role projects of Lynx Care and Dalmuir Out of School Care together produced a deficit of £8,092 (2010 – surplus of £15,820).

The Future

The Association is currently discussing its housing development programme with the Scottish Government and remains optimistic that funding will be made available to allow the acquisition of land and the development of new housing projects. Discussions are also ongoing with other interested housing providers and consultants, etc.

The Association also intends to continue with smaller scale projects such as special needs adaptations. We hope to continue to develop the role of The Beardmore Trust to assist with our plans for community regeneration and other wider role projects.

The Association intends to continue with its major repairs programme with plans to spend almost £671,000 in the forthcoming year on various planned maintenance projects.

Supporting People Grant

The Supporting People Grant came into effect on 1 April 2003 and allows local authorities to fund the costs of support services provided to people in the community. The Association now provides three services which qualify for Supporting People Grant; a sheltered housing service, a community alarm service and the Lynx Care Project.

The Association entered into an interim agreement with West Dunbartonshire Council regarding the provision of these support services and the Council paid £158,388 (2010 - £174,804) to the Association as Supporting People Grant.

REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

Statement of Management Committee's Responsibilities

The Management Committee is responsible for preparing the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Statute requires the Management Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that year. In preparing those financial statements the Management Committee is required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable it to ensure that the financial statements comply with the Industrial and Provident Societies Acts 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements (Scotland) Order 2007. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Management Committee confirms that the financial statements comply with the above requirements.

Raising Standards - Guidance on Internal Financial Control and Financial Reporting

The Association considers that it has complied with "Raising Standards" guidance on "Internal financial control and financial reporting" contained within "Raising Standards in Housing", published by the Scottish Federation of Housing Associations and endorsed by Communities Scotland.

REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

Internal Financial Control

The Management Committee recognises that it is responsible for the systems of internal financial control and accepts that such systems can only provide reasonable and not absolute assurance against material misstatement or loss.

To discharge this responsibility the Management Committee will continue to establish an organisational structure with clearly defined levels of responsibility and authority and with appropriate reporting procedures. Included within these key procedures will be the following internal financial controls:

- the formulation of policies and procedures relating to all areas of finance including: receipt of income, approval of capital and revenue expenditure, and treasury management;
- a formal system of policy reviews;
- an internal audit programme which reviews the suitability of policies and procedures and controls; and
- an audit committee which oversees the function and performance of both internal and external auditors and which receives reports from internal and external auditors.

The Audit Committee is made up of members of the full Management Committee and the Association has now completed the third phase of a new three year internal audit plan this year.

The Audit Committee have received reports of work undertaken during the year and have in turn reported to the Management Committee.

REPORT OF THE MANAGEMENT COMMITTEE

YEAR ENDED 31 MARCH 2011

Auditors' Review

In addition to their audit of the financial statements, our auditors have reviewed the Management Committee's statement concerning the Association's compliance with the disclosures required by the Scottish Federation of Housing Associations "Raising Standards" guidance on "Internal financial control and financial reporting". Their report is set out on page 9.

Related Party Transactions

Several members of the Association's Management Committee are tenants. Their tenancies are on the Association's normal tenancy terms and they cannot use their position to their advantage.

Disclosure of Information to Auditors

Each of the Committee Members have confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditors are aware of such information.

Auditors

A resolution to re-appoint French Duncan LLP as auditors will be proposed at the Annual General Meeting.

By order of the Management Committee.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF DALMUIR PARK HOUSING ASSOCIATION LIMITED

We have audited the financial statements of Dalmuir Park Housing Association for the year ended 31 March 2011 on pages 10 to 30. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members as a body, in accordance with section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Committee and Auditor

As explained more fully in the Committee's Responsibilities Statement set out on page 5, the Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2011 and of its income and expenditure for the year then ended; and
- have been prepared in accordance with the requirements of the Industrial and Provident Societies Acts 1965 to 2002, Schedule 7 of the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements (Scotland) Order 2007.

Matters arising on which we are required to report by exception

We have nothing to report in respect of the following matters where the Industrial and Provident Societies Acts 1965 to 2002 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

AUDITORS' REPORT TO THE MEMBERS OF DALMUIR PARK HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed whether your statement on page 5 concerning the Association's compliance with the disclosure required by the Scottish Federation of Housing Associations - "Raising Standards" guidance on "Internal financial control and financial reporting".

Basis of Opinion

We carried out our review having regard to Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the statement on internal financial controls on pages 5 and 6 has provided the disclosures required by the Scottish Federation of Housing Associations "Raising Standards" guidance on "Internal financial control and financial reporting", and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2011

1. Accounting Policies

The Association is established under the provisions of the Industrial and Provident Societies Act 1965 and is registered by the Financial Services Authority.

The financial statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice – Accounting by Registered Social Landlords issued in 2008 and comply with the Registered Social Landlord Accounting Requirements (Scotland) Order 2007. The principal accounting policies are set out below.

1.1 Basis of Accounting

The financial statements are based on the historical cost convention.

1.2 Turnover

Turnover represents rental and service charge income receivable, other fees and charges receivable and revenue grants receivable from Scottish Ministers, local authorities and other agencies.

1.3 Social Housing Grant (SHG)

Where new developments have been funded wholly or partly by Social Housing Grant or other capital grant, the cost of those developments has been reduced by the amount of grant receivable. This amount is shown separately in the Balance Sheet.

Where Social Housing Grant has been received in respect of revenue expenditure it is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Social Housing Grant is repayable under certain circumstances, primarily following the sale of housing property, but this will be restricted to the net proceeds of any such sale.

1.4 Tangible Fixed Assets – Housing Properties

Housing properties are stated at cost less Social Housing Grants and other grants and accumulated depreciation.

1.5 Other Fixed Assets

Other fixed assets are stated at cost less accumulated depreciation.

1.6 Investments

Fixed asset investments are stated at cost less provision for diminution in value.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 MARCH 2011

1.7 **Depreciation**

Depreciation is charged on Housing Properties less land and estimated residual value, on a straight line basis over the expected economic useful lives of the properties at annual rates of 1% and 2%. The Association also performs an annual impairment review where appropriate in accordance with FRS 11.

Depreciation is charged on other fixed assets as follows:

Commercial Property

Computers and other Office Equipment

Furniture and Fittings

Furniture for Furnished Accommodation

Laundry Equipment in Sheltered Accommodation

- $6^{2}/_{3}\%$ straight line

- 20% straight line

- 15% reducing balance

 $-33^{1}/_{3}\%$ straight line

- 20% straight line

1.8 Capitalisation of Interest

Interest accrued on financing a new development is capitalised up to the date of completion of the development.

1.9 **Development Administration Costs**

Development Administration Costs relating to new developments are capitalised based on the time spent by staff on these activities.

1.10 Cyclical and Major Repairs

The costs of cyclical and major repairs are included in the Income and Expenditure Account in the year in which they are incurred.

1.11 Designated Reserves

i Cyclical Maintenance Reserve

This reserve is based on the Association's responsibility to maintain its properties in accordance with a planned programme of works in the event expenditure will not be met from revenue in the year in which it is incurred.

ii <u>Major Repairs Reserve – Various</u>

The Association maintains its Housing Properties in a state of repair which at least maintains their residual value in prices prevailing at the time of acquisition and construction. Provision is made for such future repair expenditure and the actual costs of repairs is charged to this reserve.

iii Wider Action

The Association has earmarked these reserves to meet the future commitments to community projects in the Wider Action Plan.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 MARCH 2011

1.12 Pensions

The Association has a policy which allows an employer's contribution to be paid into an employee's own personal pension scheme. The amount the employee contributes into his/her own personal scheme is determined by that employee. The Association's contribution will be twice that of the employee's contribution up to a maximum of 15.4% of the employee's basic annual salary.

The Association also participates in the Scottish Housing Associations' Pension Scheme which is a defined benefit scheme, the cost of which is written off to the income and expenditure account on an accruals basis. The assets of the scheme are held separately from those of the Association in an independently administered fund. For details please refer to Note 26.

1.13 Operating Leases

Rentals applicable to operating leases where substantially all the benefits and risks of ownership remain with the lessor are charged to the Income and Expenditure Account over the lease term on a straight line basis.

24. REVENUE COMMITMENTS

In November 1995 the Association acquired 103 housing units from Scottish Homes, (now Scottish Housing Regulator) through a Large Scale Voluntary Transfer (LSVT). The terms of the transfer are detailed in a Minute of Agreement between the Association and the Scottish Housing Regulator and is subject to an annual compliance check by the Scottish Housing Regulator.

Part of this Minute of Agreement commits the Association to spend £4.17m on reactive and planned maintenance, including major repairs, on these properties by March 2026, being the end of 30 years after the transfer date.

In the year to 31 March 2011 a total of £39,206 was spent on reactive and planned maintenance. This makes a total of £1,651,237 spent since the date of transfer.

The funding for this expenditure will be met from the rental income received from the properties concerned.

The Association has also sold 6 properties to sitting tenants under "right to buy" since the date of the transfer, leaving 98 of these properties still in ownership.

25. RELATED PARTIES

Various members of the Management Committee are tenants of the Association. The transactions with the Association are all done on standard terms, as applicable to all tenants.

26. PENSION OBLIGATIONS

The Association participates in the Scottish Housing Associations' Pension Scheme ('the Scheme'). The Scheme is funded and is contracted-out of the state scheme.

The Scheme offers five benefit structures to employers, namely:

- final salary with a 1/60th accrual rate;
- career average revalued earnings with a 1/60th accrual rate;
- career average revalued earnings with a 1/70th accrual rate;
- career average revalued earnings with a 1/80th accrual rate; and
- career average revalued earnings with a 1/120th accrual rate, contracted in

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

The Association has elected to operate the final salary with a 1/60th accrual rate benefit structure for active members as at 1 April 2008 and for new entrants from 1 April 2008.

During the year, Dalmuir Park Housing Association Limited paid contributions at the rate of 15.4% of pensionable salaries. Member contributions were 7.7%.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 MARCH 2011

26. PENSION OBLIGATIONS (Continued)

As at the balance sheet date there were 10 active members of the Scheme employed by Dalmuir Park Housing Association Limited. The annual pensionable payroll in respect of these members was £299,767.

Dalmuir Park Housing Association Limited continues to offer membership of the Scheme to its employees.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed as at 30 September 2009 by a professionally qualified Actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2010. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £335 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £162 million, equivalent to a past service funding level of 67.4%.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 MARCH 2011

26. PENSION OBLIGATIONS (Continued)

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis, i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Association has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the Scottish Housing Associations' Pension Scheme based on the financial position of the Scheme as at 30 September 2010. As of this date the estimated employer debt for Dalmuir Park Housing Association was £378,029 (see note 22).
