Business Review

East Kilbride & District Housing Association made a surplus of £620,395 (2014: £520,717) during the year. The surplus was made by East Kilbride & District Housing Association after investment in 34 replacement kitchens and 4 bathroom suites, along with 43 replacement external doors. East Kilbride and District Housing Association is in a strong financial position with £2 million deposited as cash funds. The Association's long term projections show that the Association is in a strong financial position to carry out improvements to its properties. East Kilbride & District Housing Association continues to have a substantial major repair investment programme with further replacement kitchens, windows, and gas central heating proposed within the next financial year along with continuation of the cyclical painting contract. Cash surpluses will continue to be made, subject to our planned major repair programme over the next few years.

Operational Review

This report details issues which have arisen during the year relating to the main activities undertaken

1. Governance

East Kilbride & District Housing is governed by a voluntary and unpaid Committee of Management elected by the members of the Association. It is the responsibility of the Committee to decide on the future direction of the Association and undertake the development, monitoring and review of appropriate strategies and policies which support the chosen direction. The Committee also monitors the operational activities of the Association quarterly and regularly undertakes relevant training and self assessment. During the financial year the Association carried out an options appraisal when it looked at the Associations future direction.

2. Corporate Activity

East Kilbride & District Housing Association carries out a continuous comprehensive self- assessment programme and review programme of its policies and activities to ensure they are appropriate to the agreed strategy, in line with good practice and compliant legislation.

3. Development

Bearing in mind reductions in subsidy levels and increases in borrowing costs the Association will be considering its future development options over the next period.

4. Housing

East Kilbride & District Housing Association continues to expand the use of SDM Housing Management Software. Staff continue to review policies and procedures to accompany the system. The average time to relet void properties was 9 calendar days, which is 1 below target. The percentage of total income lost during the year due to voids was 0.14%, which is well below the target of 1.5%. Arrears performance continues to look good despite the difficult economic climate.

5. Property Maintenance

East Kilbride & District Housing Association has implemented and refined its planned and cyclical maintenance programme in line with the EESH Delivery Plan. Cyclical paint, landscaping and gas maintenance programme continued on an annual basis. The planned maintenance programme included 87 bathroom installs including 87 small cloakroom toilets. The Association properties all now meet the Scottish Housing Quality Standard (SHQS) set out by the Scottish Government and look forward to further enhancing the energy efficiency of our properties in reaching the new EESH targets set for 2020.

6. Finance

East Kilbride & District Housing Association completed an options appraisal exercise, this is standard practice for Housing Associations when the senior officer leaves the organisation. The Financial projections have been updated to help set a path for the organisation's future activities.

7. Other Areas

Credit Payment Policy

East Kilbride & District Housing Association's policy concerning the payment of its trade creditors complies with the Confederation of British Industry guidelines. The average payment period is within thirty days.

7 Other Areas (continued)

Maintenance Policies

East Kilbride & District Housing Association seeks to maintain its properties to the highest standard. To this end, programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the cost of all these repairs will be charged to the Income and Expenditure Account.

In addition, East Kilbride & District Housing Association has a long term programme of major repairs to cover for work which has become necessary since the original development was completed, including works required for subsequent legislative changes. This includes replacement or repairs to features of the properties, which have come to the end of their economic lives. The costs of these repairs would be charged to the Income and Expenditure Account, unless it was agreed they could be capitalised within the terms outlined in the Statement of Recommended Practice for Registered Social Landlords.

Budgetary Process

Each year the Committee of Management approves the annual budget and rolling three-year strategic plan. Key risk areas are identified. Performance is monitored and relevant action taken throughout the year through quarterly reporting to the Committee of Management of variances from the budget, updated forecasts for the year together with information on the key risk areas. Approval procedures are in place in respect of major areas of risk such as major contract tenders, expenditure and treasury management.

Risk Management

The Association has developed a detailed Risk Management Strategy. This is reviewed on an annual basis with individual Risk Assessments being carried out for new areas of activity. An annually reviewed Business Continuity Plan is also in operation.

Treasury Management

East Kilbride & District Housing Association has an active treasury management function, which operates in accordance with the Treasury Policy approved by the Committee of Management. In this way East Kilbride & District Housing Association manages its borrowing arrangements to ensure that it is always in a position to meet its financial obligations as they fall due, whilst minimising excess cash and liquid resources held.

East Kilbride & District Housing Association, as a matter of policy, does not enter into transactions of a speculative nature. At 31 March 2015, East Kilbride & District Housing Association has a mix of fixed and variable rate finance, which it considers appropriate at this time.

Quality and Integrity of Personnel

Committee Members are required to abide by the Committee Members Code of Conduct. Annual Skills and Training Audits are implemented with corporate and individual training plans drawn up dependent on training requirements based upon the annual appraisal. The integrity and competence of staff is ensured through high recruitment standards and subsequent training courses and annual staff appraisals. Staffs are required to adhere to a Staff Code of Conduct. High quality personnel are seen as an essential part of the

control environment and the ethical standards expected are communicated through the Chairperson, in respect of Committee and the Director in respect of staff.

Employee Involvement and Health and Safety

East Kilbride & District Housing Association takes seriously its responsibilities to employees and as a policy, provides employees with information on matters of concern to them. It is also the policy of the Association to consult where practical, employees or their representatives so that their views may be taken into account in making decisions likely to affect their interests. The Association also has a comprehensive Health and Safety Policy the implementation of which is independently audited on a regular basis.

Disabled Employees

Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities. In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Association may continue.

It is the policy of the Association that training, career development and promotion opportunities should be available to all employees.

Committee Members and Officers' Insurance

East Kilbride & District Housing Association has purchased and maintains insurance to cover its Committee and officers against liabilities in relation to their duties on behalf of East Kilbride & District Housing Association, as authorised by the Association's rules.

Going Concern

The Committee of Management has reviewed the results for this year and has also reviewed the projections for the next five years. It, therefore, has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, the going concern basis has been adopted in these financial statements.

Future developments

The Association will continue with its policy of improving the quality of housing and housing services within its area of activity working with its existing and new partners.

Auditors

Baker Tilly UK Audit LLP have indicated their willingness to continue acting as auditor to the Association.

STATEMENT OF COMMITTEE'S RESPONSIBILITIES

YEAR ENDED 31 MARCH 2015

Under the legislation relating to Co-operative and Community Benefit Societies we are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association of that year. In preparing those financial statements we are required to:

- Select suitable accounting policies and apply them consistently;
- Make reasonable and prudent judgements and estimates; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

We are also responsible for:

- Keeping proper accounting records;
- Safeguarding the Association's assets; and
- Taking reasonable steps for the prevention and detection of fraud.

As far as the Committee members are aware there is no relevant audit information of which the auditors are unaware and the Committee members have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to ensure that the auditors are aware of any such information.

By order of the Committee of Management

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED
COMMITTEE OF MANAGEMENT'S STATEMENT ON INTERNAL FINANCIAL CONTROL

YEAR ENDED 31 MARCH 2015

The Committee of Management acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- The reliability of financial information used within the Association or for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets (against unauthorised use or disposition).

It is the Committee of Management's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements include ensuring that;

- Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets.
- Experienced and suitably qualified staff take responsibility for important business functions; annual appraisal procedures have been established to maintain standards of performance.
- Forecasts and budgets are prepared regularly which allow the Committee of Management and staff to monitor the key business risks and financial objectives, and progress towards financial plans set for the year and the medium term; regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information and significant variances from budgets are investigated as appropriate.
- All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through relevant sub-committees comprising Committee of Management members and others.
- The Committee of Management review reports from management, from directors, staff and from the external auditors to provide reasonable assurance that control procedures are in place and are being followed. This includes a general review of the major risks facing the Association.
- Formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports.

The Committee of Management have continued to review the system of internal financial control in the Association during the year ended 31 March 2015. No weaknesses were found in the internal financial controls, which could result in material losses, contingencies, or uncertainties, which require disclosure in the financial statements, or in the auditors' report on the financial statements.

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED ON INTERNAL FINANCIAL CONTROLS

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 7 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council through enquiry of certain members of the Management Committee and Officers of the Association and examination of relevant documents. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 7 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

We have audited the financial statements of East Kilbride & District Housing Association Limited for the year ended 31 March 2015 on pages 10 to 27. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Committee and auditor

As explained more fully in the Committee's Responsibilities Statement set out on page 6, the Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at <http://www.frc.org.uk/auditscopeukprivate>

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2015 and of its income and expenditure for the year then ended; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements – April 2012.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

AS AT 31 MARCH 2015

1. Principal accounting policies

Basis of Accounting

The Association is incorporated under the Co-operative and Community Benefit Societies Act 2014 and is registered by The Financial Conduct Authority. The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice 2010 - Accounting for Registered Social Landlords and on the historical cost basis. They also comply with the Determination of Accounting Requirements – April 2012. A summary of the more important accounting policies is set out below.

Turnover

Turnover relates to the income from the letting of properties at affordable rents, together with revenue grants from Scottish Government, local authorities and other organisations.

Housing Association Grants

Housing Association Grants (HAG) are made by a grant awarding body and are utilised to reduce the amount of mortgage loans in respect of an approved scheme to the amount, which it is estimated can be serviced by the net annual income of the scheme. The amount of HAG is calculated on the qualifying cost of the scheme in accordance with instructions issued from time to time by the grant awarding body.

HAG is repayable under certain circumstances, primarily following the sale of property, but will normally be restricted to net proceeds of sale.

Housing Association Grants – Acquisition and Development Allowances receivable

Acquisition and Development Allowances are determined by the grant awarding body and are advanced as grants. They are intended to finance certain internal administration costs relating to the acquisition of schemes. Development allowances become available in instalments according to the progress of work on the scheme. Amounts equal to these allowances are credited to development costs when they are receivable.

Finance

The financial statements have been prepared on the basis that capital expenditure will be grant aided, funded by loans, met out of reserves or from proceeds of sales.

Mortgages

Mortgage loans are advanced by private lenders under the terms of the individual mortgage deeds in respect of each property or housing scheme. Advances are available only in respect of those developments which have been given approval for HAG by the grant awarding body.

Fixed assets - Housing land and buildings cost

Housing land and buildings are stated at cost. The development cost of housing properties funded with HAG includes the following:-

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

AS AT 31 MARCH 2015

1. Principal accounting policies (cont.)

- Cost of acquiring land and buildings.
- Development expenditure.
- Interest charged on the loans during the development period of the scheme.

These costs are either termed "qualifying costs" for approved HAG schemes and are considered for mortgage loans by the relevant lending authorities or they are met out of the Association's reserves.

All invoices and architects' certificates relating to capital expenditure incurred in the year at gross value before retentions are included in the financial statements for the year, provided that the dates of issue or valuations are prior to the year end. Development costs are capitalised to the extent that they are attributable to specific schemes and where such costs are not excessive.

If expenditure does not qualify for HAG, it is nevertheless capitalised.

Expenditure on schemes, which are subsequently aborted, is written off in the year in which it is recognised that the scheme will not be developed to completion.

Interest on any loan financing the development is capitalised up to the relevant date of completion.

Works to existing properties will generally be capitalised under the following circumstances:

- (i) Where a component of the housing property, that has been treated separately for depreciation purposes and depreciated over its useful economic life, is replaced or restored; or
- (ii) Where the subsequent expenditure provides an enhancement of the economic benefits of the tangible fixed asset in excess of the previously assessed standard performance. Such enhancement can occur if improvements result in an increase in rental income, a material reduction in future maintenance costs or a significant extension of the life of the property.

Works to existing properties which fail to meet the above criteria are charged to the Income and Expenditure account.

The adoption of component accounting a few years ago represented a change in accounting policy. Previously major components of the Association's housing properties were deemed to be land and buildings. The major components are now deemed to be land, structure, electrical wiring, windows, bathrooms, kitchens, heating (boilers and radiators) and external doors. Each component has a substantially different economic life and is depreciated over this individual life. Depreciation rates are shown below. The new accounting policy was deemed to be more appropriate as it better reflects the actual major components of the Association's housing properties and their individual remaining useful lives.

Depreciation and Impairment of Housing Properties

Housing Properties and are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of each major component that makes up the housing property as follows;

Land	Not depreciated
Structure	Over 50 years
Electrical Wiring	Over 25 years
Windows	Over 30 years
Bathrooms	Over 25 years
Kitchens	Over 15 years
Heating (boilers and radiators)	Over 15 years
External Doors	Over 20 years

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

AS AT 31 MARCH 2015

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Impairment of fixed assets

Reviews for impairment of housing properties are carried out on an annual basis and any impairment in an income-generating unit is recognised by a charge to the income and expenditure account. Impairment is recognised where the carrying value of an income-generating unit exceeds the higher of its net realisable value or its value in use. Value in use represents the net present value of expected future cash flows from these units.

Impairment of assets would be recognised in the income and expenditure account.

Other fixed assets – depreciation

Depreciation is charged by equal annual instalments at rates estimated to write off costs less any residual value over expected useful lives as follows:

- Computers 33.3%
- Office equipment 33.3%
- Office premises 2%

1. Principal accounting policies (cont.)

Designated reserves

Cyclical repairs and maintenance reserve

The Association does have a costed programme of cyclical maintenance. The reserve represents amounts set aside in respect of an estimate of future costs and will be released to the Income and Expenditure Account as required.

Major repairs

Accrued major repair expenditure, being the Association's commitment to undertake major repairs to its properties is set aside in a designated reserve to the extent that it is not met from HAG.

Apportionment of management expenses

Direct employee administration and operating costs have been apportioned to the income and expenditure account on the basis that they are directly engaged in each of the operations dealt with in those accounts.

Pensions

The Association participates in the centralised SHAPS. Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

Pensions (cont.)

The expected cost to the association of pensions is charged to the Income and Expenditure Account so as to spread the cost of the pensions over the service lives of the employees in the scheme taken as a whole.

Lease obligations

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

AS AT 31 MARCH 2015

Rentals paid under operating leases are charged to the income and expenditure account as they are incurred.

Sale of housing properties

Properties are disposed of under the appropriate legislation and guidance. All costs and grants relating to the share of property sold are removed from the financial statements at the date of sale.

Value added tax

The Association is not VAT registered. Expenditure as a result is shown inclusive of VAT.

Taxation

EKDHA is a registered charity and therefore is not liable to tax on its charitable activities.

17. Pension Fund General –

East Kilbride & District Housing Association Limited participates in the SHAPS Pension Scheme (the "Scheme"). The Scheme is funded and is contracted out of the State Pension scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed at 30 September 2012 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets as at the valuation date was £394 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £304 million, equivalent to a past service funding level of 56.4%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2013. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £470 million and indicated a decrease in the shortfall of assets compared to liabilities to approximately £272 million, equivalent to a past service funding level of 63%.

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

EAST KILBRIDE & DISTRICT HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2015

East Kilbride & District Housing Association Limited has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the SHAPS Scheme based on the financial position of the Scheme as at 30 September 2014. As of this date the estimated employer debt for East Kilbride & District Housing Association Limited was £1,811,066.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate
- Career average revalued earnings with a 1/60th accrual rate.
- Career average revalued earnings with a 1/70th accrual rate.
- Career average revalued earnings with a 1/80th accrual rate.
- Career average revalued earnings with a 1/120th accrual rate, contracted in.

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

East Kilbride & District Housing Association has elected to operate the career average revalued earnings with a 1/80th accrual rate (from 1 April 2011), benefit option for active members as at 30 June 2011 and the career average revalued earnings with a 1/80th accrual rate (from 1 April 2011). Benefit option for new entrants from 30 June 2011.

During the accounting period East Kilbride & District Housing Association paid contributions at the rate of 14.0% of pensionable salaries. Member contributions were 7.0%.

As at the balance sheet date there were 9 active members of the Scheme employed by East Kilbride & District Housing Association. The annual pensionable payroll in respect of these members was £279,834.

East Kilbride & District Housing Association continues to offer membership of the Scheme to its employees.

The key valuation assumptions used to determine the assets and liabilities of the Scottish Housing Associations' Pension Scheme are:
