Dear Eleanor

## **ANNUAL ASSURANCE STATEMENT**

I am pleased to submit our third Annual Assurance Statement to the Scottish Housing Regulator on behalf of Eildon Housing Association. The Eildon Board met on the 9 June to consider this issue and authorised me to submit the statement on their behalf.

We are happy to confirm, following a comprehensive review and our assessment workshop on the 2 June, that we comply with the requirements set out in Chapter 3 of the Regulatory Framework.

We have taken the view that, in these highly unusual times, as we approach what we hope to be the end of the current pandemic situation it is important that we reflect and draw lessons from our experience over this period. This review is currently underway and we expect to discuss the outcome of this process as a Board at our meeting in August. If required we will subsequently update our Annual Assurance Statement and resubmit to the SHR.

I trust this is all in order.

Yours sincerely.
