Dear Eleanor

EILDON HOUSING ASSOCIATION – ANNUAL ASSURANCE STATEMENT

I am pleased to submit our first Annual Assurance Statement to the Scottish Housing Regulator on behalf of Eildon Housing Association.

The Eildon Board met on the 12 June to consider this issue and authorised me to submit the statement on their behalf.

We are happy to confirm, following our assessment, that we comply with the requirements set out in Chapter 3 of the Regulatory Framework.

We understand that the SHR are currently working with the SFHA and GWSF to develop a toolkit to assist RSLs in this process in the future and we look forward to applying this toolkit once it becomes available. For the purposes of this submission, we have used an 'adherence checklist' that was developed by RSM to help organise our assessment. We are happy to make this documentation available to the SHR if required, as well as any other supporting documentation that may be of use.

I trust this is all in order.

Yours sincerely.
