Report of the Management Committee for the Year Ended 31 March 2013

The Management Committee present their report and the audited financial statements for the Year Ended 31 March 2013.

Legal Status

The Association is registered as a non-profit making organisation under the Industrial and Provident Societies Act 1965 No. 1840RS. The Association is constituted under its Rule Book. The Association is a registered Scottish Charity with the charity number SC032823.

Principal Activities

The principal activity of the Association is the provision of good quality social housing at an affordable rent.

Business Review

The Management Committee reports an operating surplus for the year of £1,322,639 (2012 - £1,196,125).

During the year, the Association, although it did not have any new developments on site, continued to market the properties for sale at the new build scheme at Elder Street/Garmouth Street which came off site in February 2012. It has also recently instructed a site investigation at the site at the old Hills Trust Primary School with a view to developing a New Build Scheme. A feasibility study on the costs will shortly be carried out and it hopes to develop this scheme in the near future.

Over the last year, the Association also had a large level of expenditure on planned maintenance and is working towards ensuring that The Scottish Housing Quality Standards are fully met by March 2015. This high level of spend will continue until March 2015 and it is confident this date will be achieved.

The Association has also being working hard at putting in place mechanisms that ensure that the requirements of The Scottish Social Housing Charter are fully met and has put in place and continues to put in place strategies to minimise any risks associated with the introduction of the Welfare Reform Act.

Over the last year, the Association was successful in applying for grants to the People & Communities Fund. This has allowed the Association to provide other activities as follows:

- Financial Inclusion advice, which complement the Welfare Rights advice that the Association provides.
- Aberlour Street work project which provides information and informal education and consultation which helps young people into further education or employment.
- Craft Cafe, which in conjunction with Impact Arts, continues to provide a Craft Cafe for over 50's. Members learn skills in art and craft.

The Committee is satisfied with the results. Of this surplus £288,362 (2012 - £277,271) was transferred to designated reserves to fund future major repairs. The Association now has Housing Properties totalling £70,329,910 (2012 - £69,927,706) and net assets now total £8,069,666 (2012-£7,040,376).

Changes in Fixed Assets

Details of fixed assets are set out in notes 10 and 11.

The Management Committee and Senior Staff

The Management Committee and Senior Staff are listed on Page 1. Each member of Committee holds one fully paid up share of £1 in the Association.

Statement of Committee's Responsibilities

The Management Committee is responsible for preparing the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Housing Association legislation requires the Committee to prepare the financial statements for each financial year which give a true and fair view of the state of affairs of the Association as at the end of the financial year and of the surplus or deficit of the Association for that year.

In preparing those financial statements, the Management Committee is required to: -

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material
 departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Association will continue in business;
- Prepare a statement on Internal Financial Control.

The Management Committee is responsible for ensuring that arrangements are made for keeping proper books of accounts in respect of the Association's transactions, its assets and liabilities and for maintaining a satisfactory system of control over the Association's books of accounts and transactions to enable them to ensure that the financial statements comply with the Industrial and Provident Societies Act 1965 to 2002, the Housing (Scotland) Act 2010, the Scottish Housing Regulator Determination of Accounting Requirements (April 2012) and the Statement of Recommended Practice for Registered Social Landlords (SORP 2010). They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

e E

The Management Committee confirms that the Financial Statements comply with the above requirements.

In so far as the Management Committee is aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- It has taken all steps that they ought to have taken to make its members aware of any relevant audit information and to establish that the Association's auditors are aware of that information.

Related Party Transactions

The Management Committee are tenants, owners, sharing owners or interested parties. For those who are tenants, their tenancies are on the Association's normal tenancy terms and they cannot use their position to their advantage.

Raising Standards Guidance on Internal Financial Control and Financial Reporting

The Association considers that it has complied with the "Raising Standards" guidance on "Internal financial control and financial reporting" contained within "Raising Standards in Housing", published by the Scottish Federation of Housing Associations and endorsed by The Scottish Housing Regulator.

Internal Financial Control

The Management Committee exercises overall responsibility for the Association's system of internal financial control and is responsible for its effectiveness. This system, like any other can only provide reasonable and not absolute assurance against material mis-statement or loss. The system in place within the Association relating to control includes the following: -

- Recognition of personal responsibility and accountability of the Management Committee;
- Policies and detailed procedures covering all the key areas of the Association's activities;
- A comprehensive system of budgeting, planning and financial reporting;
- A formal Business Risk Management policy. This risk policy considers risk as a priority and recognises that it includes risk to the organisation, its Committee, staff or customers. The Association aims to identify these risks and attempt to minimise and manage them within its day to day activities;
- The Management Committee sets up a rolling programme of internal audit, which took place during the year. The programme covers all aspects of the Association's activities. The programme was evolved from an Internal Audit Needs Assessment Plan.

Auditor's Review

In addition to their audit of the financial statements, our Auditors have reviewed the Management Committee's statement concerning the Association's compliance with the disclosures required by the Scottish Federation of Housing Associations "Raising Standards" guidance on "Internal financial control and financial reporting". Their report is set out on page 6.

Charitable Donations

During the year, the Association made charitable donations amounting to £2,772 (2012 - £5,885).

Charitable Status

The Association achieved Charitable Status on 29 January 2002.

Auditors

A resolution to re-appoint the auditors, French Duncan LLP, will be proposed at the Annual General Meeting.

By Order of the Committee

Secretary 04 June 2013

Report of the Independent Auditors on Corporate Governance Matters

In addition to our audit of the Financial Statements, we have reviewed your Statement on page 4 concerning the Association's compliance with the paragraphs of the Internal Financial Control section within the Scottish Federation of Housing Association's publication "Raising Standards in Housing".

Basis of Opinion

We carried out our review having regard to Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to perform the additional work necessary to, and we do not, express any opinion on the effectiveness of either the Association's system of internal financial control or its corporate governance procedures.

Opinion

In our opinion, the statement on internal financial controls on page 4 has provided the disclosures required by the Internal Financial Control section within the Scottish Federation of Housing Association's publication "Raising Standards in Housing" and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

14/06/2013

Report of the Independent Auditors to the Members of Elderpark Housing Association Limited

We have audited the Financial Statements on pages 9 to 27, which have been prepared under the accounting policies, set out on pages 13 and 14. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with Section 9 of the Friendly and Industrial Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Management Committee and Auditors

As explained more fully in the Committee's Responsibilities Statement set out on page 3, the Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non financial information in the report of the Management Committee to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

THE RESERVE TO SELECTION OF THE PERSON OF TH

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2013 and of its income and expenditure for the year then ended; and
- have been prepared in accordance with the requirements of the Industrial and Provident Societies Acts 1965 to 2002, Part 6 of the Housing (Scotland) Act 2010 and the Scottish Housing Regulator Determination of Accounting Requirements (April 2012).

Report of the Independent Auditors to the Members of Elderpark Housing Association Limited (cont'd)

Matters arising on which we are required to report by exception

We have nothing to report in respect of the following matters where the Industrial and Provident Societies Acts 1965 to 2002 requires us to report to you if, in our opinion:

- · a satisfactory system of control over transactions has not been maintained; or
- · the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association;
- we have not received all the information and explanations we require for our audit.

The notes on pages 13 to 27 form an integral part of these financial statements.

1. Accounting Policies

a) Accounting Basis

The financial statements are prepared under the historical cost convention, in accordance with applicable accounting standards, the 2010 Statement of Recommended Practice and comply with the Scottish Housing Regulator Determination of Accounting Requirements (April 2012).

b) Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable from Communities Scotland.

c) Social Housing Grant and Other Capital Grants

Where developments have been financed partly by a Social Housing Grant or other capital grant, the cost of those developments has been reduced by the amount of the grant receivable. This amount is shown separately on the balance sheet.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances primarily following sale of property.

d) Scottish Government New Supplied Shared Equity

The Association sells properties under the NSSE scheme. Under this scheme buyers purchase a majority share of the property with the balance funded by Scottish Government grants. The fixed asset investment represents the total of the loans receivable from purchasers of the property when the equity is released. There is an equal and opposite liability to the Scottish Government amounting to any shared equity release.

e) Fixed Assets - Housing Properties

Housing properties are stated at cost less Social Housing Grants, other capital grants and accumulated depreciation.

f) Depreciation

i. Housing Properties:

Depreciation is provided on housing properties by major component on a straight-line basis over the expected economic useful life of each identified component. All components are categorised as Housing Properties in Note 10.

Component	Useful Economic Life
Structure	50 Years
Roofs .	40 Years
Windows'	40 Years
Lifts	40 Years
Bathrooms	35 Years
Kitchens	20 Years
Radiators	25 Years
Door Entry	20 Years
Boilers	15 Years
Composite Flooring	25 Years

1. Accounting Policies (Cont.)

ii. Other Fixed Assets:

Depreciation is charged on heritable office property, office fixtures, fittings, equipment, motor vehicle and office improvements to write off the asset less recoverable value over its anticipated useful life. Depreciation is also provided on Office improvements over the useful economic life of the improvements to the properties. The following Rates & Methods are used:-

Heritable Office Property: Straight Line	2%
Improvements: Straight Line	10%
Fixtures, Fittings and Equipment: Reducing Balance	20%
Office Improvements: Reducing Balance	20%

A full year's depreciation is charged in the year of purchase, but no charge is made in the year of disposal.

g) Capitalisation of Interest

Interest incurred on financing a development is capitalised up to the date of completion of the scheme.

h) Development Administration Costs

Development administration costs relating to development activities are capitalised based on an apportionment of the staff time spent on this activity.

i) Sales of Housing Properties

Surpluses and deficits on sale of housing properties are accounted for in the Income and Expenditure Account in the year of disposal. The surplus or deficit is shown on the face of the Income and Expenditure Account.

j) Designated Reserves

i. Major Repairs Reserve:

The Association maintains its housing properties in a state of repair which at least maintains their residual value in prices prevailing at the time of acquisition and construction. Provision is made for future repair expenditure, the actual costs of repairs which are charged to this reserve.

ii. Planned Maintenance Reserve:

The reserve is based on the Association's liability to maintain the properties in accordance with a planned programme of works, provided it will not be met from revenue in the year in which it is incurred.

k) Pension Scheme Costs

The Association participates in the centralised Scottish Housing Associations' Pension Scheme administered by the Pension Trust for charities and voluntary organisations. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole. Scheme costs are spread over the average remaining service life of employees. Any deficiencies arising will be spread over this period.

2. Particulars of turnover, operating costs and operating surplus or deficit

	Turnover	Operating Costs	2013 Operating Surplus	2012 Operating Surplus /(Deficit)
Social Lettings	4,018,016	(2,725,087)	1,292,929	1,144,458

5. Directors' Emoluments

The Management Committee members are all classed as Directors of the Association. All perform their duties on a voluntary basis and have no emoluments from the Association. In addition the director and any other person who reports directly to the Director or the Management Committee whose total emoluments, including pension contributions, exceed £60,000 per year are also similarly classed.

	2013 £	2012 £
Total Directors Emoluments (including pension contribution and benefits in kind)	318,972	314,374
Emoluments of highest paid Director (excluding pension contributions)	68,339	68,194

The number of Directors, including the highest paid Director, who received emoluments (excluding pension contributions) in the following ranges were as follows:

	2013	2012
	Number of Directors	Number of Directors
Greater than £60,000	. 1	1

The highest paid Director is an ordinary member of the Association's pension scheme described in Note 24. No enhanced or special terms apply to membership and she has no other pension arrangements to which the Association contributes. The Association's contributions for the Director in the year amounted to £9,880 (2012 - £9,372).

Total expenses reimbursed insofar as not	2013	2012
Chargeable to income tax	£	£
Management Committee	1,045	<u>1,091</u>

Reimbursement to the Management Committee is only made for expenses directly incurred in connection with performing the Association's business. All expenses incurred are within the designated classes under Schedule 7 of the Housing (Scotland) Act 2001.

6. Staff Costs and Numbers

Staff Costs were:-	2013	2012
	£	£
Wages & Salaries	786,023	764,882
Social Security Costs	67,000	.62,604
Other Pension Costs	<u>145,488</u>	143,578
	998,511	971,064

The average number of employees during the year was 23 (2012 - 22).

7. Interest Payable

	2013 £	2012 £
Interest Payable on Bank Loans	<u>368,456</u>	<u>303,656</u>
8. Operating Surplus		
	2013	2012

The Association participates in the Scottish Government's New Supplied Shared Equity Scheme with the aim of providing assistance to those on lower incomes to own their own home. Grants are made to equity sharing owners to reduce the purchase cost to an affordable level. A standard security is taken over the property in favour of the Scottish Government and no interest or rent is receivable from the equity sharing owner.

At 31 March 2013 there were no known contingent liabilities other than as disclosed in note 24.

23. Commitments under Operating Leases

At 31 March 2013 there were no commitments under operating leases.

24. Pension Scheme

Elderpark Housing Association Limited participates in the Scottish Housing Associations' Pension Scheme, administered by the Pension Trust. The scheme is a multi-employer defined benefit scheme. The scheme is funded and contracted out of the State Pension scheme.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate.
- Career average revalued earnings with a 1/60th accrual rate.
- Career average revalued earnings with a 1/70th accrual rate.
- Career average revalued earnings with a 1/80th accrual rate.
- Career average revalued earnings with a 1/120th accrual rate, contracted- in.

Elderpark Housing Association Limited has elected to operate the final salary with a 1/60th accrual rate benefit option for active members as at 1st April 2013 and the final salary with a 1/60th accrual rate benefit structure for new entrants from 1st April 2013.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required so that the Scheme can meet its obligations as they fall due.

The actuarial valuation assesses whether the Scheme's assets at the valuation date are likely to be sufficient to pay the pension benefits accrued by members as at the valuation date. Asset values are calculated by reference to market values. Accrued pension benefits are valued by discounting expected future benefit payments using a discounted rate calculated by reference to the expected future investment returns.

During the accounting period the Association paid contributions at the rate of 9.6% of pensionable salaries. Member contributions were 9.6%.

As at the balance sheet date there were 20 active members of the Scheme employed by Elderpark Housing Association Limited. The annual pensionable payroll in respect of these members was £680,843.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the year under FRS17 represents the employer contribution payable.

The last formal valuation of the Scheme was performed as at 30 September 2009 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2011. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £341 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £207 million, equivalent to a past service funding level of 62.2%.

Since the contribution rates payable to the Scheme have been determined by reference to the last full actuarial valuation the following notes relate to the formal actuarial valuation as at 30 September 2009.

The key valuation assumptions used to determine the assets and liabilities of the Scottish Housing Associations' Pension Scheme are:

		% pa
-	Investment return pre-retirement	7.4
-	Investment return post retirement - Non pensioners	4.6
-	Investment return post retirement – Pensioners	4.8
-	Rate of salary increases	4.5
-	Rate of pension increases pension accrued pre 6 April 2005 in excess of GMP pension accrued from 6 April 2005 (for leavers before 1 October 1993 pension increases are 5.0%)	2.9
-	Rate of price inflation	3.0

The valuation was carried out using the SAPS (S1PA) All Pensioners Year of Birth Long Cohort with 1% p.a. minimum improvement mortality tables for non-pensioners and pensioners.

The contribution rates required from employers and members to meet the cost of future benefit accrual (payable from 1st April 2011) were assessed as:

Benefit structure Final salary 1/60 ^{ths}		% 19.2
Career average revalued earnings 1/60ths	*	17.1
Career average revalued earnings 1/70 ^{ths} Career average revalued earnings 1/80 ^{ths}		14.9 13.2
Career average revalued carnings 1/120ths		9,4
Additional rate for deficit contributions		10.4

The Association has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the Scottish Housing Associations' Pension Scheme based on the financial position of the Scheme as at 30 September 2012. As of this date the estimated employer debt on withdrawal for Elderpark Housing Association Limited has been calculated as £6,377,287.
