ANNUAL ASSURANCE STATEMENT

Annual Assurance Statement 2023 on behalf of Ferguslie Park Housing Association Board and subsidiary in the Ferguslie Group.

As a result of robust, timely and evidence based reporting to the board, along with ongoing self-assessment, we can confirm to the best of our knowledge and belief that we have assurance of compliance with:

- All relevant regulatory requirement set out in section 3 of the Regulatory Framework.
- All relevant standards and outcomes of the Scottish Social Housing Charter
- The SHR Standards of Governance and Financial Management

The Management Board confirm that we have considered and assessed appropriate evidence to support our assurance of compliance with the above. This includes:

- Self-assessment against the Standards of Governance and Financial Management;
- Our annual programme of internal audit and other external specialist advice;
- External audit;
- Independent Tenant Satisfaction Survey September 2021 and project specific satisfaction surveys
- Annual Return of the Charter 2022/23
- Performance reports in key areas including service delivery, finance, risk and health and safety reports.

In considering our compliance with our legal and regulatory requirements in 2023, we are satisfied that we meet our duties in relation to tenant and resident safety with the exception of one electrical installation condition report which is currently outstanding due to extenuating circumstances. In particular, we have gained the necessary evidence-based assurance of our compliance in respect of duties relating to gas, electrical, fire, water safety and our obligations relating to asbestos, damp and mould. FPHA has robust internal policies and procedures in place which are regularly reviewed to provide assurance that we are compliant with health and safety legislative and regulatory requirements

In reviewing our compliance in relation to Equalities and Human Rights, we are assured that we have established appropriate systems for the collection of equalities data. We are also assured that we are working towards using data to take account of equality and human rights issues in our decisions, policymaking and day to day service delivery.
