FYNE HOMES LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR THE YEAR ENDED 31 MARCH 2021

The Management Committee present their report (incorporating the Strategic Report) and the audited financial statements for the year ended 31 March 2021.

Principal activities

The principal activity of the Association is the provision of social rented accommodation. The Association has three subsidiary companies, Fyne Futures, Fyne Initiatives Limited and Fyne Energy Limited.

Fyne Futures is a charitable company whose principal activities are focused on environmental sustainability, namely recycling, reuse, Local Produce and Car Club activities which provide employment and training opportunities. The charitable company also delivers a Carbon Reduction programme and performs wider role activities providing support to a range of community regeneration projects across the operational area. The charitable company has been involved in numerous projects during the year; these were mainly, but not exclusively Towards Zero Carbon Bute, Bute Produce and Employment Training.

Fyne Initiatives Limited is a company whose principal activities are to provide design and build services to the Association and the rental of commercial property.

Fyne Energy Limited's principal activity is that of electricity generation. The wind turbines were completed in the current year, with this now generating income for the group.

Objectives and Strategy

Fyne Homes Corporate Plan identified three main objectives and this is incorporated into our strategy. These objectives are as follows:

- Meet the needs and aspirations of our customers;
- Meet the housing needs of our customers; and
- Ensure we maintain value for money.

Review of business and future developments

Association

At 31 March 2021 Fyne Homes Limited made a surplus of £1,508,601 (2020: £817,356). During the year Fyne Homes Limited invested £586,537 (2020: £1,370,150) in property improvements and continues to provide quality affordable housing.

2 schemes were on site one at Tighnabruaich which provided 20 rented units completed January 2021 and one at Cairndow providing 6 units and completed May 2021. The capital spend on new developments in the year was £1,529,037.

Due to Covid restrictions the Association were unable to carry out a lot of their work on renewals to its existing stock, however we managed to "bulk buy" windows and boilers during the year in anticipation of catching up during 2021/22.

As at 31 March 2021, 95.44% of our stock met the Scottish Housing Quality Standard.

The Management Committee is satisfied with the progress of the Association over the past year.

FYNE HOMES LIMITED

REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT) FOR THE YEAR ENDED 31 MARCH 2021

Review of business and future developments (continued)

Fyne Futures

The charitable company generated a deficit in funds of £77,062 (2020: £34,596) for the year. The net assets of the charitable company were £165,277 at 31 March 2020 (2020: £242,339) and thus the charitable company is in a healthy financial position.

The main achievements in the year included continuation of our community regeneration activities to support the successful delivery of a range of projects, sustaining an income stream. Recycling Services from Argyll and Bute Council, Bute Produce, Recycling and Reuse activities and continued funding to deliver Towards Zero Carbon Bute Activity. The contract with Argyll and Bute Council has not been renewed for 2020/21.

It is hoped that revenue income will increase over the next three years primarily by expanding the existing areas of operation and by adding new income streams where possible.

Fyne Initiatives Limited

The profit after providing for taxation amounted to £77,294 (2020: loss of £8,512). There was a distribution in the form of gift aid to Fyne Homes Limited of £nil (2020: £12,369) in the year. The company continues to provide design and build services to the Association as well as generate rental income from its commercial properties. Fyne Initiatives has net assets of £97,661 (2019: £20,367).

Fyne Energy Limited

Fyne Energy Limited, was incorporated on 1 April 2016 in order to run the Kintyre Wind project. Construction was completed in year ended 31 March 2019 and electricity is now being generated. The loss after providing for taxation for the year to 31 March 2021 amounted to £174,828 (2020: profit of £246,924) and the net assets were £351,322 (2020: £526,150).

Risk and Uncertainties

Within Fyne Homes Limited's Risk Register we have identified the following risks which are significant to the Association;

- The financial impact of interest rates and pension contributions increasing;
- Adverse changes to the operating environment;
- Changes in welfare benefits; and
- Loss of IT systems.
- Pandemic or further Covid outbreak

These risks are mitigated as far as possible by the Association and are monitored on a quarterly basis

Financial and non-financial key performance indicators

The financial and non-financial KPIs used to monitor the performance of the Association are as follows:

- Meeting our financial covenants with lenders – this was achieved this year and also in 2019/20;
- Meeting void targets of 28 days – this was not achieved in 2020/21 as the average void period was 77.15% days (2019/20 31.87 days) due to difficult to let properties;
- Achieving a rent loss target of 2% - this was not achieved in 2020/21 the rent loss was 2.77% of total rental income including service charges (2019/20: 1.38%). If you exclude our decant properties used during major works in 2020/21 the rental loss would be 2.10% (2019/20:1.02%);
- Our internal target of completing 95% of emergency repairs within 6 hours was achieved in 2020/21 with a completion rate of 97% (2019/20: completion rate of 97%); and
- Our internal target of completing 95% of urgent repairs within 3 working days was not achieved in 2020/21 with a completion rate of 86% (2019/20: 84%) which was out with our control as we were unable to gain access to some properties, mainly due to Covid restrictions

**REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT)
FOR THE YEAR ENDED 31 MARCH 2021**

Financial and non-financial key performance indicators (continued)

Fyne Homes Limited like other RSLs completes the annual return on the Scottish Social Housing Charter. The Charter sets out the standards and outcomes that we are aiming to achieve in relation to:- Equalities, Customer & Landlord Relationship, Housing Quality and Maintenance, Neighbourhood and Community, Access to Housing & Support and Good Value from Rents and Service Charges. Each year the Scottish Housing Regulator publish reports about each landlords' performance against the Charter. This enables us to benchmark our performance against other RSLs. Our 2019/20 overall performance was slightly below the Scottish average. The full 2019/20 report can be accessed on the Scottish Housing Association's website and the 2020/21 report will be accessible on this website when published.

Governance

The Management Committee and Executive Officers of the Association are listed on the first page of the accounts.

The Management Committee and Executive Officers

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers of the Association hold no interest in the Association's share capital and although not having the legal status of directors they act as executives within the authority delegated by the Committee.

The Executive Committee is a Committee that can meet at short notice to make decisions without having to wait until the next Management Committee meeting and consists of the chair and convenors of the various sub committees.

The Management Committee meet eight times each year. The Executive Committee meet at least twice a year with one of these meetings held to approve the annual financial statements.

The other sub committees are the Staffing Committee, who meet at least three times a year and the Audit Committee who meet as deemed required.

All members of the Committee receive appropriate training twice a year.

Statement on Internal Financial Controls

The Management Committee acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- The reliability of financial information used within the Association for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements include ensuring that:

- (a) Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets;
- (b) Experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance;
- (c) Forecasts and budgets are prepared which allow the Management Committee and management to monitor the key business risks and financial objectives, and progress towards financial plans set out for the year. During the financial year, regular management accounts are prepared promptly, providing relevant, reliable and up to date financial and other information. Significant variances from budgets are investigated as appropriate;

**REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT)
FOR THE YEAR ENDED 31 MARCH 2021**

Statement on Internal Financial Controls (continued)

- (d) All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the relevant sub-committees which are comprised of Management Committee members;
- (e) The Association has appointed a firm of accountants, on a consultancy basis, as internal auditor with the specific responsibility of assessing the adequacy and reliability of the system of internal financial controls. The results of such reviews are reported to the Audit Committee;
- (f) The Management Committee reviews reports from the external auditor to provide reasonable assurance that control procedures are in place and are being followed; and
- (g) Formal practices have been established for instituting appropriate action to correct weaknesses identified from the reports of the external auditor and the internal auditor.

The Management Committee have reviewed the effectiveness of the system of internal control in existence in the Association for the year ended 31 March 2021. No weaknesses were found in internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Statement of the Management Committee's Responsibilities

Housing Association legislation requires the Management Committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and Group and of the income and expenditure of the Association and Group for the year ended on that date. In preparing those financial statements the Management Committee are required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Association and Group will continue in business.

The Management Committee is responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Association. The Management Committee must ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FYNE HOMES LIMITED

**REPORT OF THE MANAGEMENT COMMITTEE (INCORPORATING THE STRATEGIC REPORT)
FOR THE YEAR ENDED 31 MARCH 2021**

Disclosure of information to the auditor

To the knowledge and belief of each of the persons who are members of the Management Committee at the time the report is approved:

- so far as the Association's Committee members are aware, there is no relevant audit information of which the auditor is unaware; and
- the Management Committee members have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to ensure that the auditor is aware of any such information.

Auditor

A resolution to re-appoint Azets Audit Services as auditor will be put to the members at the Annual General Meeting.

By order of the Management Committee

J McMillan
Chairperson

Dated: 15 September 2021

FYNE HOMES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FYNE HOMES LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Opinion

We have audited the financial statements of Fyne Homes Limited (the "Parent Association") and its subsidiaries (the "Group") for the year ended 31 March 2021 which comprise the Consolidated and Association Statements of Comprehensive Income, the Consolidated and Association Statements of Changes in Capital and Reserves, the Consolidated and Association Statements of Financial Position, the Consolidated and Association Statements of Cash Flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and Parent Association's affairs as at 31 March 2021 and of the Group's and Parent Association's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Co-operative and Community Benefits Societies (Group Accounts) Regulations 1969, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group and Parent Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or Parent Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Management Committee is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

FYNE HOMES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FYNE HOMES LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Other information

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained by the Parent Association; or
- the Parent Association has not kept proper accounting records; or
- the Parent Association's financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

Responsibilities of the Management Committee

As explained more fully in the Statement of the Management Committee's Responsibilities set out on page 4, the Management Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Group's and the Parent Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the Group or the Parent Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

The extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the FRC's website, to detect material misstatements in respect of irregularities, including fraud.

FYNE HOMES LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FYNE HOMES LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

Auditor's responsibilities for the audit of the financial statements (continued)

We obtain and update our understanding of the Group and the Parent Association, their activities, their control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the Group and the Parent Association are complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the Group and the Parent Association through discussions with the Management Committee members and the senior management team, and from our knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the Group and the Parent Association, including the Co-operative and Community Benefit Societies Act 2014, the Co-operative and Community Benefits Societies (Group Accounts) Regulations 1969, Part 6 of the Housing (Scotland) Act 2010, the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator, taxation legislation and data protection, anti-bribery, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of the senior management team and the Management Committee and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of the Management Committee and relevant sub-committees;
- enquiring of the senior management team and the Management Committee as to actual and potential litigation and claims;
- reviewing legal and professional fees paid in the year for indication of any actual and potential litigation and claims; and
- reviewing correspondence with HMRC, the Scottish Housing Regulator, OSCR and the Group's and Parent Association's legal advisors.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FYNE HOMES LIMITED ON THE
FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

Auditor's responsibilities for the audit of the financial statements (continued)

We assessed the susceptibility of the Group's and the Parent Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of the senior management team and the Management Committee as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Use of our report

This report is made solely to the Parent Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Parent Association's members, as a body, those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Parent Association and the Parent Association's members, as a body, for our audit work, for this report, or for the opinions we have formed.

FYNE HOMES LIMITED

**REPORT OF THE AUDITOR TO THE MANAGEMENT COMMITTEE OF FYNE HOMES LIMITED ON
CORPORATE GOVERNANCE MATTERS
FOR THE YEAR ENDED 31 MARCH 2021**

In addition to our audit of the financial statements, we have reviewed your statement on pages 3 and 4 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements on corporate governance matters within Bulletin 2009/4 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Controls on pages 3 and 4 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through our enquiry of certain members of the Management Committee and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Controls appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. **General Information**

The Group is registered under The Co-operative & Community Benefit Societies Act 2014. The financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice) and comply with the requirements of the Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator and Statement of Recommended Practice for Social Housing Providers issued in 2018.

The presentation currency is pound sterling and the financial statements are rounded to the nearest whole number.

The Association is a registered social landlord in Scotland and its registered number is 321. The registered address is included in the front page of the financial statements.

The Association is defined as a public benefit entity and thus the Association complies with all disclosure requirements relating to public benefit entities.

2. **Accounting policies**

The financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice) and comply with the requirements of the Determination of Accounting Requirements 2019 as issued by the Scottish Housing Regulator and the Statement of Recommended Practice for Social Housing Providers issued in 2018. The principal accounting policies are set out below.

The preparation of these financial statements in compliance with FRS 102 requires the use of certain accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies (see note 3).

A summary of the principal accounting policies is set out below.

Basis of preparation

The financial statements are prepared on the historical cost basis of accounting subject to the revaluation of certain fixed assets and in accordance with applicable accounting standards.

The effect of events relating to the year ended 31 March 2021, which occurred before the date of approval of the financial statements by the Board of Management have been included in the statements to the extent required to show a true and fair view of the state of affairs as at 31 March 2021 and of the results for the year ended on that date.

Basis of consolidated accounting policy

These financial statements consolidate those of Fyne Homes Limited and its subsidiary undertakings, Fyne Initiatives Limited, Fyne Energy Limited and Fyne Futures drawn up to 31 March 2021. Surpluses or deficits on intra-group transactions are eliminated in full.

Going concern

The Management Committee anticipate that a surplus will be generated by the Group and the Association in the year ended 31 March 2022 and the year ended 31 March 2023. The Group and the Association has a healthy cash position and thus the Management Committee is satisfied that there are sufficient resources in place to continue operating for the foreseeable future. Thus the Management Committee continue to adopt the going concern basis of accounting in preparing the annual financial statements. This assessment of going concern includes our consideration the expected impact of COVID-19 to the Group and the Association.

FYNE HOMES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

Turnover

Fyne Homes Limited

Turnover represents rental and service charge income, factoring service income, and fees or revenue grants receivable from Argyll and Bute Council and from The Scottish Government. Also included is any income from first tranche shared ownership disposals.

Fyne Initiatives Limited and Fyne Energy Limited

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Revenue is recognised when all of the following conditions are satisfied:

- The amount of revenue can be reliably measured;
- It is probable that the company will receive the consideration due under the transaction; and
- The costs incurred in respect of the transaction can be reliably measured.

Fyne Futures

Income is recognised when the charitable company is entitled to the income, receipt is probable and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Service Level Agreement (SLA) income is credited to income in the year in which the charitable company is entitled to the income, receipt is probable and the amount can be reliably measured.
- Donations and grants are recognised when the charitable company is entitled to the income, receipt is probable and the amount can be measured reliably. Where there are terms or performance related conditions attached, income is recognised to the extent that the conditions have been met. Income received in advance of conditions being met are deferred and released once those conditions are met. Where the grant or donation allows for the recovery by the donor of any unexpended grant, a liability is recognised when repayment becomes probable.
- Any other income from charitable trading activities are recognised when the charitable company becomes entitled to the income, receipt is probable and the amount can be reliably measured.

Apportionment of management expenses

Direct employee, administration and operating expenditure have been apportioned to the relevant sections of the Statement of Comprehensive Income on the basis of costs of staff directly attributable to the operations dealt with in the financial statements.

Interest receivable and other income

Interest income is recognised in the Statement of Comprehensive Income on an accruals basis.

2. Accounting policies (continued)

Interest payable and similar charges

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest rate method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

Interest payable during the construction phase of the Windfarm project within Fyne Energy Limited has been capitalised.

Fixed assets - Housing properties

Housing properties are stated at cost, less accumulated depreciation. The development cost of housing properties includes:-

1. Cost of acquiring land and buildings; and
2. Development expenditure including administration costs.

These costs are either termed "qualifying costs" by The Scottish Government for approved social housing grant or are considered for mortgage loans by the relevant lending authorities or are met out of the Group and Association's reserves.

All invoices and architects' certificates relating to capital expenditure incurred in the year at gross value are included in the financial statements for the year, provided that the dates of issue or valuation are prior to the year end.

Expenditure on schemes which are subsequently aborted is written off in the year in which it is recognised that the schemes will not be developed to completion.

All costs and grants relating to the share of property sold are removed from the financial statements at the date of sale. Any grants received that cannot be repaid from the proceeds of sale are abated.

Asset which are valued below the de minimus of £xxx are not capitalised.

Depreciation

(i) Housing properties

Each housing unit has been split between its major component parts. Each major component is depreciated on a straight line basis over its expected economic useful life. The following major components and useful lives have been identified by the Group and Association:

Land	-	not depreciated
Structure	-	over 60 years
Roofs	-	over 40 years
Windows	-	over 25 years
Bathrooms	-	over 20 years
Kitchen	-	over 20 years
Central Heating	-	over 33 3 years
Rewiring	-	over 25 years
Lifts	-	over 20 years
Boilers	-	over 60 years

FYNE HOMES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

Depreciation (continued)

(ii) Other fixed assets

Depreciation is charged on other fixed assets so as to write off the asset cost less any recoverable value over its anticipated useful life.

The following rates have been used:-

Heritable Property	-	4% straight line
Office Equipment	-	10% reducing balance
Computer and Other Equipment	-	33.33% straight line
Motor Vehicles	-	25% reducing balance
Buildings	-	2% straight line
Plant and machinery	-	25% reducing balance
Fixtures and fittings	-	10% straight line
Land	-	Depreciation is not provided in respect of Land.

A full year's depreciation is charged in the year of purchase. No charge is made in the year of disposal.

Shared equity housing units held

On completion of construction, shared equity units are held in stock along with the grant received. On completion of the first tranche sale, the Group's obligation ceases and the cost and grant are derecognised.

Commercial Properties

Commercial properties are valued at their fair value (which is market value) with movement in value recognised in the Statement of Comprehensive Income.

Windfarm project

All direct costs relating to the Windfarm project have been capitalised.

The three wind turbines have been depreciated from 1 March 2019, the first month following the takeover certificate being issued. The assets are being depreciated over their expected useful lives of 25 years.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Rental Arrears

Rental arrears are reviewed regularly by management and written down to the amount deemed recoverable. Any provision deemed necessary is shown alongside gross rental arrears in note 17.

Cash and Cash Equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2. Accounting policies (continued)

Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Loans

Mortgage loans are advanced by Private Lenders under the terms of individual mortgage deeds in respect of each property or housing scheme. Security can only be provided in respect of these loans once approval by The Scottish Government has been obtained.

Government Capital Grants

Government Capital Grant at amounts approved by The Scottish Government, is paid directly to the Group and Association as required to meet its liabilities during the development process. This is treated as a deferred Government capital grant and is released to income over the useful life of the assets it relates to. The accrual model requires the Group and Association to recognise income on a systematic basis over the period in which the Group and Association recognises the related costs for which the grant is intended to compensate.

Government Revenue Grants

Government revenue grants are recognised using the accrual model which means the Group and Association recognises the grant in income on a systematic basis over the period in which the Group and Association recognises the related costs for which the grant is intended to compensate.

Non-Government Grants

Non-government capital and revenue grants are recognised using the performance model. If there are no performance conditions attached the grants are recognised as revenue when the grants are received or receivable.

A grant that imposes specific future performance related conditions on the recipient is recognised as revenue only when the performance related conditions are met.

A grant received before the revenue recognition criteria are satisfied is recognised as a liability.

Public benefit concessionary loan

In line with FRS 102, the Association has made an accounting policy choice to recognise loans from public benefit entities that are being used to further the Association's core activities as public benefit concessionary loans meaning the loans are recognised at their principal value on initial recognition.

Financial Instruments

The Group and Association only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like rents and other accounts receivable and payable, loans from banks and related parties.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at the present value of the future cash flows and subsequently at amortised cost using the effective interest rate method.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

Financial Instruments (continued)

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a rental arrear deferred beyond normal Group and Association terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets are derecognised when contractual rights to the cash flows from the assets expire, or when the Group and Association has transferred substantially all the risks and rewards of ownership.

Financial liabilities are derecognised only once the liability has been extinguished through discharge, cancellation or expiry.

Pensions

The Scottish Housing Association Defined Benefits Pension Scheme and the Strathclyde Pension Fund

The Association participates in The Scottish Housing Associations' Defined Benefits Pension Scheme (SHAPS) and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the scheme. Payments are made in accordance with periodic calculations by consulting actuaries and are based on pension costs applicable across the various participating Associations taken as a whole. The Strathclyde Pension fund is accounted for as a defined benefit scheme and as such the amount charged to the Statement of Comprehensive Income in respect of pension costs and other post retirement benefits is the estimated regular cost of providing the benefits accrued in the year, adjusted to reflect variations from that cost. The interest cost is included within other finance costs/income. Actuarial gains and losses arising from new valuations and from updating valuations to the reporting date are recognised in Other Comprehensive Income.

The amount charged to the Statement of Comprehensive Income in respect of pension costs and other post retirement benefits is the estimated regular cost of providing the benefits accrued in the year, adjusted to reflect variations from that cost. The interest cost is included within other finance costs/income. Actuarial gains and losses arising from new valuations and from updating valuations to the reporting date are recognised in Other Comprehensive Income.

Defined benefit schemes are funded, with the assets held separately from the Association in separate trustee administered funds. Full actuarial valuations, by a professionally qualified actuary, are obtained at least every three years, and updated to reflect current conditions at each reporting date.

The pension scheme assets are measured at fair value. The pension scheme liabilities are measured using the projected unit method and discounted at the current rate of return on a high quality corporate bond of equivalent term and currency. A pension scheme asset is recognised on the Statement of Financial Position only to the extent that the surplus may be recovered by reduced future contributions or to the extent that the trustees have agreed a refund from the scheme at the reporting date. A pension scheme liability is recognised to the extent that the Association has a legal or constructive obligation to settle the liability.

Defined benefit schemes are funded, with the assets held separately from the Association in separate trustee.

Scottish Life 'top up' scheme and Royal London Auto Enrolment scheme

The Group operates these two defined contribution schemes. Employer contributions are charged to the Statement of Comprehensive Income on the accruals basis.

2. Accounting policies (continued)

Financial Commitments

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

Consolidation

The Association and its subsidiary undertakings comprise a Group. The accounts represent the results of the Group.

3. Judgements in applying policies and key sources of estimation uncertainty

In preparing the financial statements, management is required to make estimates and assumptions which affect reported income, expenses, assets, and liabilities. Use of available information and application of judgement are inherent in the formation of estimates, together with past experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from such estimates.

The members of the Management Committee consider the following to be critical judgements in preparing the financial statements:

- The categorisation of housing properties as property, plant and equipment in line with the requirements of the SORP.
- The amount disclosed as "operating surplus" is repetitive of activities that would normally be regarding as "operating".

The Management Committee are satisfied that the accounting policies are appropriate and applied consistently. Key sources of estimation have been applied as follows:

Estimate

Basis of estimation

The valuation of investment properties

The investment properties were valued by an appropriately qualified valuer using market data at the date of valuation.

Useful lives of property, plant and equipment

The useful lives of property, plant and equipment are based on the knowledge of senior management of the Group, with reference to expected asset life cycles.

The main components of housing properties and their useful lives

The cost of housing properties is split into separately identifiable components. These components were identified by knowledgeable and experienced staff members and based on costing models.

Recoverable amount of rental and other trade receivables

Rental arrears and other trade receivables are reviewed by appropriately experienced senior management team members on a case by case basis with the balance outstanding together with the payment history of the individual tenant being taken into account.

The obligations under the SHAPS and Strathclyde pension schemes

This has relied on the actuarial assumptions of qualified actuaries which have been reviewed and are considered reasonable and appropriate.

11. Taxation

Group	2021	2020
	£	£
Corporation tax		
Corporation tax on surplus for the year	-	-
	<u>-</u>	<u>-</u>

No tax was due in 2021 or 2020 in respect of Fyne Homes Limited and Fyne Futures as both entities are registered charities. No tax was due in 2021 or 2020 in respect of Fyne Energy Limited due to the use of capital allowances. No tax was due in respect of Fyne Initiatives Limited due to the use of gift aid in 2021 and no tax was due in 2020 due to the loss incurred.

However, there was a deferred tax credit in respect of Fyne Energy Limited of £1,520 (2020: charge £156,350). This was fixed asset timing differences of £365,331 (2020: £366,851) less losses and other deductions of £210,501 (2020: £210,501).

The deferred tax provision at the year end was £154,830 (2020: £156,350).

Association

The Association is a Registered Charity and is therefore exempt from Corporation Tax on its charitable activities. No corporation tax was due on the non-charitable activities in the year (2020: £nil).

Factors that may affect future tax charge

There are no such factors.

26. Scottish Housing Association Pension Scheme (continued)

Scottish Housing Association Pension Scheme (SHAPS)

General

Fyne Homes Limited participates in the Scottish Housing Association Pension Scheme (the "Scheme"). The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted out of the state pension scheme.

The Scheme offers six benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate;
- Career average revalued earnings with a 1/60th accrual rate;
- Career average revalued earnings with a 1/70th accrual rate;
- Career average revalued earnings with a 1/80th accrual rate;
- Career average revalued earnings with a 1/120th accrual rate, contracted in; and
- Defined Contribution (DC) option.

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. The DC option can be introduced by the employer on the first day of any month after giving a minimum of three months prior notice.

From 1 April 2011, Fyne Homes Limited has operated the career average revalued earnings with a 1/120th accrual rate benefit.

The Trustee commissions an actuarial valuation of the Scheme every 3 years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required so that the Scheme can meet its pension obligations as they fall due.

The actuarial valuation assesses whether the Scheme's assets at the valuation date are likely to be sufficient to pay the pension benefits accrued by members as at the valuation date. Asset values are calculated by reference to market levels. Accrued pension benefits are valued by discounting expected future benefit payments using a discount rate calculated by reference to the expected future investment returns.

During the accounting period, Fyne Homes Limited paid contributions at the rate of 7.1% of pensionable salaries. Employee contributions were 5%.

FYNE HOMES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

26. Scottish Housing Association Pension Scheme (continued)

General (continued)

In addition to these contributions, £283,397 (2020: £229,247) was paid in the year.

As at the Statement of Financial Position date there were 34 (2020: 34) active members of the Scheme employed by Fyne Homes Limited. Fyne Homes Limited continues to offer membership of the Scheme to its employees.

The last triennial valuation of the Scheme for funding purposes was carried out as at 30 September 2018. This valuation revealed a deficit of £121m. A Recovery Plan has been put in place to eliminate the deficit which runs to 28 February 2022 for the majority of employers, although certain employers have different arrangements.

If an actuarial valuation reveals a shortfall of assets compared to liabilities the Trustee must prepare a recovery plan setting out the steps to be taken to make up the shortfall.

The key valuation assumptions used to determine the assets and liabilities of the Scheme as at 30 September 2018 are detailed below:

Investment return pre retirement	3.12% per annum
Investment return post retirement - Non-pensioners	3.12% per annum
Investment return post retirement - Pensioners	3.12% per annum
Rate of salary increases	3.35% per annum
Rate of pension increases - pension accrued pre 6 April 2005	2.00% per annum
pension accrued from 6 April 2005	1.70% per annum
(for leavers before 1 October 1993 pension increases are 5%)	
Rate of price inflation	3.35% per annum

The SHAPS is accounted for as a defined benefit pension scheme from 1 April 2018 onwards. In accordance with FRS 102 section 28, the operating and financing costs of pension and post retirement schemes (determined by TPT) are recognised separately in the Statement of Comprehensive Income. Service costs are systematically spread over the service lives of the employees and financing costs are recognised in the period in which they arise. The difference between actual and expected returns on assets during the year, including changes in the actuarial assumptions, is recognised in Other Comprehensive Income.

26. Scottish Housing Association Pension Scheme (continued)

The main financial assumptions used by the Scheme Actuary, TPT, in their FRS 102 calculations are as follows:

Assumptions as at	31 March 2021 % per annum
Discount rate	2.18
Inflation (RPI)	3.27
Inflation (CPI)	2.87
Salary growth	3.87
Allowance for commutation of pension for cash at retirement	75% of maximum allowance

The mortality assumptions adopted at 31 March 2021 imply the following life expectancies:

	Life expectancy at age 65 (years)
Male retiring in 2021	21.5
Female retiring in 2021	23.4
Male retiring in 2041	22.8
Female retiring in 2041	25.0

Life expectancy is based on the Fund's VitaCurves with improvements in line with the CMI 2017 model with an allowance for smoothing of recent mortality experience and long term rates of 1.25% p.a. for males and 1% p.a. for females.

Member data summary

Active members

	Number	Total earnings (£'000s p.a.)	Average age (unweighted)
Males	11	368	47
Females	23	717	49
Total	34	1,085	48

Deferred members

	Number	Deferred pensions (£'000s p.a.)	Average age (unweighted)
Males	4	38	54
Females	13	50	51
Total	17	87	52

Pensioners

	Number	Pensions (£'000s p.a.)	Average age (unweighted)
Males	8	46	70
Females	12	28	68
Total	20	73	69

26. Scottish Housing Association Pension Scheme (continued)

Employers debt on withdrawal

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Association has been notified by the Pensions Trust of the estimated employer debt on withdrawal from the Scheme based on the financial position of the Scheme as at 30 September 2020. As of this date the estimated employer debt for the Association was £8,275,849 (2019: £7,865,092).

27. Pensions - other

Scottish Life

From 1 April 2011, members of the SHAPS scheme have the option to join the "top up" scheme Fyne Homes Limited has with Scottish Life. Employee contribution is their choice and the employer contribution is 2%.

Royal London Auto Enrolment scheme

The group operate a defined contribution auto enrolment pension scheme. For 2020/21, the employee contribution was 5% and the employer contribution was 3%. This will remain the same for 2021/22.

Strathclyde Pension Fund

Fyne Homes Limited participates in the Strathclyde Pension Fund which is a statutory multi-employer defined benefit scheme. It is administered by Glasgow City Council in accordance with the Local Government Pension Scheme (Scotland) Regulations 1998, as amended.

From 1 April 2015, the scheme changed from a 1/60th annual scheme to a care 1/45th annual scheme.

NOTES TO THE FINANCIAL STATEMENTS

27. Pensions - other (continued)

Strathclyde Pension Fund

The main financial assumptions used by the Council's Actuary, Hymans Robertson, in their FRS 102 calculations are as follows:

Assumptions as at	31 March 2021	31 March 2020
Inflation / Pension Increase Rate	2.85%	1.9%
Salary increases	3.55%	3.0%
Discount rate	1.95%	2.3%

Mortality

Life expectancy is based on the Fund's VitaCurves with improvements in line with CMI 2020 Model, with a 0% weighting of 2020 data, standard smoothing (Sk7), initial adjustment of 0.5% and a long term rate of improvement of 1.5% p.a. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	Males	Females
Current Pensioners	19.8 years	22.6 years
Future Pensioners	21.2 years	24.7 years

The following details relate to Fyne Homes Limited and show the fair value of the assets, analysed over the main asset classes, together with the expected returns for each asset class.

Scheme assets

The assets in the scheme and the expected rate of return were:-

	Value at 31 March 2021 £000	Value at 31 March 2020 £000
Fair value of plan assets	3,928	3,094
Present value of funded liabilities	(4,840)	(3,635)
Net pension liability	<u>(912)</u>	<u>(541)</u>

28. Related party transactions

InspirAlba Limited

InspirAlba Limited is a related party as the Chief Executive of the Association is a Board member of InspirAlba Limited. InspirAlba Limited is a company limited by guarantee.

At the Statement of Financial Position date the Group and Association was owed £37,774 (2020: £27,216) by InspirAlba Limited in respect of salary costs. This is included in debtors.

During the year £5,433 (2020: £8,000) was charged to InspirAlba Limited for office rental costs.

Board members

The Association has Board members who are also tenants. The total rent received in the year relating to tenant Board members is £10,328 (2020: £14,270). The total rent arrears relating to tenant Board members included within debtors at the year-end is £82 (2020: £221). There is £nil (2020: £33) of rents in advance included in creditors.

29. Legislative Provisions

The Association is incorporated under the Co-operative and Community Benefit Societies Act 2014.

Fyne Futures, Fyne Initiatives Limited and Fyne Energy Limited are incorporated under the Companies Act 2006.

30. Prior year adjustment

In the prior year an invoice for £106,000 was received which related to the 2021 financial year. No entry was made in the financial statements for this. A prior year adjustment has been made to increase prepayments and trade creditors by this amount. This has no impact on the 2020 profit.
