REPORT OF THE MANAGEMENT COMMITTEE**FOR THE YEAR ENDED 31 MARCH 2012**

The Management Committee presents its Report and the Audited Financial Statements for the year ended 31 March 2012.

Legal Status

The Co-operative is registered as a non-profit making organisation under the Industrial and Provident Societies Acts 1965 to 2002, registered number 2337R. The Co-operative is constituted under its rule book.

Principal Activities

The principal activity of the Co-operative is the management of the Co-operative's principal stock of housing for occupation by members.

Results

The Management Committee is of the opinion that the state of affairs of the Co-operative is satisfactory. The deficit for the year after taxation was £31,956 (2011 – surplus of £39,145 (as restated)). A transfer to the designated reserves was made of £nil (2011 – £50,000). Net Assets at 31 March 2012 total £1,828,792 (2011 - £1,873,810 (as restated)).

Changes in Fixed Assets

Details of Fixed Assets are set out in notes 11 and 12.

Management Committee and Executive Officer

The members of the Management Committee and the Executive Officer are listed on page 1.

Statement of Management Committee's Responsibilities

The Management Committee is responsible for preparing the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Statute requires the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Co-operative and of the surplus or deficit of the Co-operative for that year. In preparing those Financial Statements, the Management Committee is required to fulfil the following obligations:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Co-operative will continue in business; and
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Co-operative and to enable them to ensure that the Financial Statements comply with the Industrial and Provident Societies Acts 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007. It is also responsible for safeguarding the assets of the Co-operative and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Management Committee confirms that the Financial Statements comply with the above requirements.

REPORT OF THE MANAGEMENT COMMITTEE**FOR THE YEAR ENDED 31 MARCH 2012 (Continued)**

In so far as the Management Committee is aware:

- there is no relevant audit information of which the Co-operative's auditors are unaware; and
- the Management Committee has taken all steps that it ought to have taken to make itself aware of any relevant audit information and to establish that the Co-operative's auditors are aware of that information.

Related Party Transactions

Several members of the Management Committee are tenants. Their tenancies are on the Co-operative's normal tenancy terms and they cannot use their positions to their advantage.

Raising Standards Guidance on Internal Financial Control and Financial Reporting

The Co-operative considers that it has complied with "Raising Standards" guidance on "Internal Financial Control and Financial Reporting" contained within "Raising Standards in Housing", published by the Scottish Federation of Housing Associations and endorsed by the Scottish Housing Regulator.

Internal Financial Control

The Management Committee has overall responsibility for the Co-operative's system of internal financial control and recognises that such a system can provide only reasonable and not absolute assurance against material misstatement or loss.

To discharge this responsibility, the Management Committee will continue to establish an organisational structure with clearly defined levels of responsibility and authority and with appropriate reporting procedures. Included within these key procedures will be the following internal financial controls:

- the formulation of policies and approval procedures in the areas such as compliance, investment and treasury operations and capital expenditure;
- a comprehensive system of budgeting, planning and financial reporting;
- formal business risk reviews by management which consider the potential effects of risk and identify potential new risk;
- internal audit reviews of the controls and processes from which formal reports are prepared;
- the Management Committee considers significant control issues and receives regular reports from both the internal and external auditors; and
- external auditors report on any weaknesses in internal financial control identified during the course of their audits. These reports, together with the replies from management and details of measures taken as a consequence are reviewed by the Management Committee.

REPORT OF THE MANAGEMENT COMMITTEE

FOR THE YEAR ENDED 31 MARCH 2012 (Continued)

Auditors' Review

In addition to their audit of the financial statements, our auditors have reviewed the Management Committee's statement concerning the Co-operative's compliance with the disclosures required by the Scottish Federation of Housing Associations "Raising Standards" guidance on "Internal financial control and financial reporting". Their report is set out on page 6.

Auditors

A resolution to re-appoint French Duncan LLP, Chartered Accountants, Glasgow, as auditors will be put to the members at the Annual General Meeting.

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF
GARRION PEOPLE'S HOUSING CO-OPERATIVE LIMITED**

We have audited the Financial Statements of Garrion People's Housing Co-operative Limited for the year ended 31 March 2012 on pages 7 to 25. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Co-operative's members as a body, in accordance with Section 9 of the Friendly and Industrial Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Co-operative's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Co-operative and the Co-operative's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Management Committee and Auditors

As explained more fully in the Committee's Responsibilities Statement set out on page 2, the Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion, the Financial Statements

- give a true and fair view of the state of the Co-operatives's affairs as at 31 March 2012 and of its income and expenditure for the year then ended; and
- have been prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002, Schedule 7 of the Housing Scotland Act 2001 and the Registered Social Landlords Accounting Requirements (Scotland) Order 2007.

Matters arising on which we are required to report by exception

We have nothing to report in respect of the following matters where the Industrial and Provident Societies Acts 1965 to 2002 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Co-operative has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Co-operative; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO GARRION PEOPLE'S HOUSING
CO-OPERATIVE LIMITED ON CORPORATE GOVERNANCE MATTERS**

In addition to our audit of the Financial Statements, we have reviewed your Statement on page 3 concerning the Co-operative's compliance with the disclosure required by the Scottish Federation of Housing Associations - "Raising Standards" guidance on "Internal financial control and financial reporting".

Basis of Opinion

We carried out our review having regard to Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Co-operative's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the statement on internal financial controls on page 3 has provided the disclosures required by the Scottish Federation of Housing Associations "Raising Standards" guidance on "Internal financial control and financial reporting", and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2012

1. ACCOUNTING POLICIES

The Co-operative is incorporated under the Industrial and Provident Societies Acts and is registered by The Registrar of Friendly Societies. The financial statements have been prepared in compliance with the Registered Social Landlords Accounting Requirements (Scotland) Order 2007.

The principal accounting policies are set out below.

a) Basis of accounting

The financial statements are prepared on the historical cost basis modified to include the revaluation of properties.

b) Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable from Scottish Homes, Local Authorities and other agencies.

c) Social Housing Grant (SHG)

Where Social Housing Grant (SHG) or other capital grant has been received towards the cost of developments, the cost of these developments has been reduced by the amount of grant receivable. This amount is shown separately on the balance sheet. Where SHG has been received in respect of revenue expenditure, it is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although SHG or other revenue grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of the sale.

d) Scottish Government New Supplied Shared Equity (NSSE)

The Co-operative sells properties under the NSSE scheme. Under this scheme buyers purchase a majority share of the property with the balance funded by Scottish Government grants. The fixed asset investment represents the total of the loans receivable from purchasers of the property when the equity is released. There is an equal and opposite liability to the Scottish Government amounting to any shared equity release.

e) Tangible Fixed Assets - Housing Properties

Housing properties are stated at cost less Social Housing Grant and other grants and adjusted for property revaluations at the stated dates.

f) Depreciation - Housing Properties

The Co-operative adopted component accounting during the financial year. Properties other than heritable land are depreciated in accordance with FRS15 at rates calculated to reduce the net book value of each component of the property to its estimated residual value, on a straight line basis, over the expected remaining life of the component. Heritable land is not depreciated. The estimated useful lives of the assets and components are shown in the table below:

Boilers	12 years	Kitchens	15 years
Bathrooms	20 years	Heating Systems	24 years
Windows	30 years	Roofs	60 years
Structure	100 years		

The year to March 2012 represents the first full year of implementation of component accounting and prior to this only land and structure were recognised.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2012 (Continued)

1. ACCOUNTING POLICIES (Continued)**g) Depreciation - Other Fixed Assets**

Depreciation on office refurbishment, fixtures, fittings and equipment has been charged at rates estimated to write off the cost less residual value over their estimated useful lives as follows::

Office Equipment	-	20% straight line
Furniture & Fittings	-	10% straight line
Computer Equipment	-	33% straight line
Motor Vehicles	-	25% straight line

h) Capitalisation of Interest

Interest incurred on financing a development is capitalised up to the date of completion of the scheme.

i) Development Administration

Development administration costs relating to development activities are capitalised based on the time spent by staff on this activity.

j) Cyclical Repairs

The costs of cyclical repairs are charged to the income and expenditure account in the year in which they are incurred.

k) Designated Reserves**Planned Maintenance**

The Co-operative maintains its housing properties in a state of repair which at least maintains their residual value in prices prevailing at the time of acquisition and construction. Provision is made for such future repair expenditure on the basis of a costed programme.

l) Pensions

The Co-operative participates in the centralised Scottish Housing Associations' Pension Scheme (SHAPS) which provides benefits based on final pensionable salary. Contributions are charged to the income and expenditure account so as to spread the cost of pensions over the employees' working lives with the Co-operative.

m) Leases

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

n) Mortgages

Mortgage loans are advanced by Private Lenders, Local Authorities or the Scottish Government under the terms of individual mortgage deeds in respect of those developments which have been given approval by the Scottish Government.

25. PRIOR YEAR ADJUSTMENT

During the year, the Co-operative changed its accounting policy in relation to housing properties and depreciation, as detailed in Note 1 to the Financial Statements, in order to incorporate component accounting. Major repairs which relate to identified components are now capitalised, with major components being depreciated over the estimated useful economic lives of each identified component.

As a result of the change in accounting policy, a prior year adjustment has been required under Financial Reporting Standard 3 - Reporting Financial Performance, and Financial Reporting Standard 18 - Accounting Policies.

Balances brought forward have been adjusted as follows:

	Reported in 2011 Accounts £	Adjustment £	Restated 2011 Figures £
Housing Property - net book value	16,508,710	(197,491)	16,311,219

The reported surplus in 2011 has been reduced by £16,944 and now stands at £39,145.

26. PENSION OBLIGATIONS

Garrion People's Housing Co-operative Limited (the "Co-operative") participates in the Scottish Housing Association's Pension Scheme (the "Scheme"). The Scheme is funded and is contracted-out of the State Pension scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the Scheme is a multi-employer arrangement where the assets are commingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed as at 30 September 2009 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2011. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £341 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £207 million, equivalent to a past service funding level of 62.2%.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate.
- Career average revalued earnings with a 1/60th accrual rate.
- Career average revalued earnings with a 1/70th accrual rate.
- Career average revalued earnings with a 1/80th accrual rate
- Career average revalued earnings with a 1/120th accrual rate, contracted in.

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

The Co-operative has elected to operate the final salary with a 1/60th accrual rate benefit structure for active members and new members.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2012 (Continued)

26. PENSION OBLIGATIONS (Continued)

During the year, the Co-operative paid contributions at the rate of 9.6%. Member contributions were 9.6%.

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis, i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Co-operative has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the SFHA Pension Scheme based on the financial position of the Scheme as at 30 September 2011. As of this date the estimated employer debt for the Co-operative was £1,104,842.

As at the balance sheet date there were 6 active members of the Scheme employed by the Co-operative. The annual pensionable payroll in respect of these members was £193,617.

NOTES TO THE FINANCIAL STATEMENTS

26. PENSION OBLIGATIONS (Continued)

The key valuation assumptions used to determine the assets and liabilities of the SFHA Pension Scheme are:

2009 Valuation Assumptions	% p.a.
Investment return pre retirement	7.4
Investment return post retirement - Non-pensioners	4.6
Investment return post retirement - Pensioners	4.8
Rate of salary increases	4.5
Rate of pension increases	
- Pension accrued pre 6 April 2005 in excess of GMP	2.9
- Pension accrued post 6 April 2005 (for leavers before 1 October 1993 pension increases are 5.0%)	2.2
Rate of price inflation	3.0

Mortality Tables	
Non-pensioners	SAPS (S1PA) All Pensioners Year of Birth Long Cohort with 1% p.a. minimum improvement
Pensioners	SAPS (S1PA) All Pensioners Year of Birth Long Cohort with 1% p.a. minimum improvement

Contribution Rates for Future Service (payable from 1 April 2011)	%
Final salary 1/60ths	19.2
Career average revalued earnings 1/60ths	17.1
Career average revalued earnings 1/70ths	14.9
Career average revalued earnings 1/80ths	13.2
Career average revalued earnings 1/120ths	9.4
Additional rate for deficit contributions *	10.4

(* Expressed in nominal pound terms (for each employer) increasing each 1 April in line with the rate of salary increases assumption. Earnings as at 30 September 2009 are used as the reference point for calculating the additional contributions.)

As the Co-operative continues to offer membership of the scheme to employees it therefore regards crystallisation of the buy-out as remote. No provision for the buy-out debt is therefore required.

The pension cost charge of £39,652 (2011: £29,360) represents amounts paid by the Co-operative to this scheme during the year.

The Co-operative's Director is an ordinary member of the pension scheme and no enhanced or special terms apply. The Director does not have an individual pension arrangement. The Co-operative paid £6,839 (2011: £5,310) of contributions towards the Director's pension in the year.

25. RELATED PARTY TRANSACTIONS

The members of the management committee who are tenants have their tenancies on the Co-operative's normal tenancy terms and they cannot use their positions to their advantage.

During the year the Co-operative charged Bridges Housing Association Ltd, a company in which the Co-operative owns 50% of the share capital, £17,550 for Agency services. The balance owed by Bridges Housing Association Ltd to the Co-operative at 31 March 2012 was £19,034 (2011 - £22,000).
