GLASGOW WEST HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2020

The Management Committee presents its report and the Financial Statements for the year ended 31 March 2020.

Legal Status

The Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefit Society (No.1955R(S)), the Scottish Housing Regulator as a registered social landlord (No.HEP126) and as a registered Scottish Charity with the charity number SCO01667.

Principal Activities

The principal activities of the Association are the provision and management of affordable rented accommodation.

Review of Business and Future Developments

The year 2019/20 will be carved in our history books, with the covid-19 global pandemic leapfrogging what had arguably been the most significant event in our recent lifetime: the UK exit from the European Union (BREXIT) in January 2020. These unprecedented events have certainly tested our risk management and emergency contingency planning to the nth degree with our rapid response to emerging Government advice: including the smooth transition towards remote working; and the extended use of digital communication platforms, ensuring continuity in our robust governance framework, whilst reinforcing our resilience and agility as an organisation. Through a comprehensive Return to Work plan, we are now cautiously planning for a new "normal", and for the phased resumption of services, when it is safe enough for us to do so.

Members of the Management Committee are satisfied with the continued steady performance and state of affairs. Net current assets stand at £24.8m and the surplus for the year has been transferred to designated reserves to fund the Major Repairs programme. Key assumptions collated in March 2020 in preparation of the 30-year cashflow have been reviewed to reflect the impact of covid-19 on all aspects of our operational activities (e.g. bad debts assumed to increase significantly in the first 2 years). Our cash position remains strong and demonstrates sufficient cushioning to cope with the covid-19 impact without any reduction in service delivery.

With a recession looming, rent affordability is critical, and the Management Committee were encouraged that Year 1 of our Rent Restructuring programme delivered affordable rents for 99% of GWHHA households. Almost 200 tenants (13.4%) responded to the annual rent review consultation, our most impressive response to date; and 70% of those households supported the rent proposal which translated to an average 2.2% increase from 28th March 2020.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2020

Review of Business and Future Developments (Continued)

In our core business areas of rent collection, re-let times, and void rent loss, our performance at the end of 2019/20 remains strong, and although we are prepared for a temporary derailment as we support our most vulnerable households to recover from the economic and social impact of the covid-19 pandemic; our robust strategies and targeted tenancy sustainment focus will ensure our performance leadership objective stays within sight. Efficiencies continue to be achieved through rigorous procurement processes; enhanced data management systems and refined procedures eliminate waste and duplication; and our embedded culture of robust governance ensures our readiness for the challenges of operating in a highly regulated and ever-changing sector. A refreshed mission statement: "Homes are our purpose; Service and Sustainability our priority" was a key outcome of the 2019 strategy review; our "compliant" Annual Assurance Statement has been endorsed by the Scottish Housing Regulator; and revised Rules, aligned to the Charitable Model Rules 2020 are ready for presentation to the membership at a Special General Meeting to be held prior to the AGM. Succession planning for the Management Committee is a key priority.

By the end of March 2020, 90% of properties achieved the Scottish Housing Quality Standard (SHQS) and 70% the Energy Efficiency Standard for Social Housing (ESSH); and a 3-year strategy is in place to ensure compliance with the newly introduced SHQS criteria on electrical safety. A total of £1.2m has been invested in our properties in the last year, with works including upgrades to bin stores, kitchens, bathrooms and central heating systems; and we continue in our endeavours to work with others to preserve the heritage of our traditional housing stock; and to seek out solutions that overcome the energy efficiency challenges of our complex construction types. The Government "lockdown" restrictions have unavoidably impacted many of our asset management services, with challenges in balancing the delivery of non-essential services with our statutory and regulatory obligations, however, following an inevitable period of recovery for the sector, and for the wider economy, we remain confident in our ability to reinstate services and regain the momentum for delivery of our ambitious £20m investment programme over the next 5 years.

This time last year we were delighted to signal a "green light" for the Dover Street development, and it is hugely disappointing to report a site start delayed by a perfect storm of complex and protracted contractual negotiations, and Government restrictions on non-essential construction. Whilst we remain fully committed to delivering this prestigious development, with emerging risks in a post-pandemic construction industry, and with BREXIT uncertainty, it is fitting that we take time to review the project in the context of our strategic principles. On a more positive note, the completion of the Breadalbane Street and St Vincent Crescent remodelling projects, and the imminent handover of the Gray Street project, provide two much needed self-contained units (one general and one wheelchair accessible) and 10 supported bedspaces in our local community; and the pipeline projects at Corunna Street and Burnbank House (the latter a collaboration with Queens Cross Housing Association) are moving at a pace that reflects the complexities of these sites. Following a business case review, and with relevant consents, three ad-hoc unimproved empty flats were marketed for disposal during the year.

Another challenging and successful year is attributed to ongoing stakeholder engagement, the broad range of skills and experience of Committee Members, and the well-led, highly competent and service driven staff. As we begin to navigate the challenges of a new "normal", this provides a sound basis for delivering GWHA's vision and mission through sustainable corporate strategies supporting and delivering Service Enhancement, Robust Governance and Optimum Performance.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2020

Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

Statement of Management Committee's Responsibilities

The Co-operative and Community Benefit Act 2014 requires the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business; and
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019. It is responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

Going Concern

Based on its budgetary and forecasting processes the Management Committee has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future; therefore, it continues to adopt the going concern basis of accounting in preparing the annual financial statements.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2020

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receives reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2020. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Disclosure of Information to the Auditor

The members of the Management Committee at the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant information of which the auditors are unaware. They confirm that they have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that it has been communicated to auditors.

Auditors

A resolution to reappoint the Auditors, Alexander Sloan, Accountants and Business Advisers, will be proposed at the Annual General Meeting.

By order of the Management Committee

Interim Secretary
23 June 2020

GLASGOW WEST HOUSING ASSOCIATION LIMITED

REPORT BY THE AUDITORS TO THE MEMBERS OF GLASGOW WEST HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards with the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee, and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GLASGOW WEST HOUSING ASSOCIATION LIMITED

Opinion

We have audited the financial statements of Glasgow West Housing Association Limited (the 'Association') for the year ended 31 March 2020 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2020 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

In our opinion the exemption granted by the Financial Conduct Authority from the requirement to prepare Group Accounts is applicable.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Management Committee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Management Committee is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GLASGOW WEST HOUSING ASSOCIATION LIMITED (Continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Management Committee

As explained more fully in the Statement of Management Committee's Responsibilities as set out on page 4, the Management Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorresponsibilities>. This description forms part of our audit report.

Use of our Report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance and Basis of Accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2019. They comply with the Determination of Accounting Requirements 2019. A summary of the principal accounting policies is set out below.

Basis of Consolidation

The Association has obtained exemption from the Financial Conduct Authority from producing Consolidated Financial Statements as provided by Section 99 of the Co-operative and Community Benefit Societies Act 2014. The financial statements for Glasgow West Housing Association Limited present information about it as an individual undertaking and not about the group.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government grants are released to income over the expected useful life of the asset to which they relate. Revenue grants are receivable when the conditions for receipt of the agreed grant funding have been met.

Retirement Benefits

The Association participates in the Strathclyde Pension Fund a multi-employer defined benefit scheme. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

The Association previously participated in the Scottish Housing Association Pension Scheme (SHAPS) a multi-employer defined benefit scheme where retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102. The Association moved to the SHAPS defined contribution scheme on leaving the defined benefit scheme. Contributions to defined contribution plans are recognised as employee benefit expense when they are due.

Going Concern

On the basis that the Management Committee has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future, the Association has adopted the going concern basis of accounting in preparing these financial statements.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Housing Properties

Housing properties are held for the provision of social housing. Housing properties are stated at cost less accumulated depreciation and impairment losses. Cost includes acquisition of land and buildings and development cost. The Association depreciates housing properties over the useful life of each major component. Housing under construction and land are not depreciated.

| <i>Component</i> | <i>Useful Economic Life</i> |
|------------------------|-----------------------------|
| Roof | Over 50 years |
| Structure | Over 50 years |
| Cladding | Over 40 years |
| Central Heating System | Over 30 years |
| Doors | Over 30 years |
| Rewiring | Over 30 years |
| Bathrooms | Over 25 years |
| Windows | Over 25 years |
| Boilers | Over 15 years |
| Kitchens | Over 15 years |

Depreciation and Impairment of Other Tangible Assets

Non-current assets are stated at cost less accumulated depreciation. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

| <i>Asset Category</i> | <i>Depreciation Rate</i> |
|-----------------------|--------------------------|
| Office Premises | 4% |
| Fixtures and Fittings | 20% |
| Computer Equipment | 33% |

The carrying values of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grants and Other Capital Grants

Social housing grants and other capital grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social housing grant attributed to individual components is written off to the statement of comprehensive income when these components are replaced.

Although social housing grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche shared ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the statement of recommended practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the statement of comprehensive income.

Disposals under shared equity schemes are accounted for in the statement of comprehensive income. The remaining equity in the property is treated as a non-current asset investment, which is matched with the grant received.

Taxation

The Association is a Registered Scottish Charity and is not liable to taxation on its charitable activities.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Leases/Leased Assets

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property, a material reduction in future maintenance costs, or a significant extension of the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to ongoing development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Service Charge Sinking Funds

The Association receives a service charge from owner occupiers to fund future planned maintenance, cyclical maintenance and car park costs. In accordance with the Statement of Recommended Practice the balance of unspent service income is included as a liability where amounts are repayable or contributions are reduced.

Property Development Cost

The proportion of the development cost of shared ownership properties expected to be disposed of as a first tranche sale is held in current assets until it is disposed of. The remaining part of the development cost is treated as a non-current asset. Surpluses made on the disposal of first tranche sales are taken to the Statement of Comprehensive Income.

Property developments that are intended for resale are included in current assets until disposal.

VAT

The Association is VAT registered but a large proportion of its income is exempt for VAT purposes. As a result most of the VAT paid is not recovered and therefore expenditure is shown inclusive of VAT.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

Cash and Liquid Resources

Cash comprises cash at bank and in hand, deposits repayable on demand less overdrafts. Liquid resources are current asset investments that can't be disposed of without penalty and are readily convertible into amounts of cash at their carrying value.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Key Judgements and estimates made in the application of Accounting Policies

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the the Association to exercise judgement in applying its accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

Key Judgements

a) Categorisation of Housing Properties

In the judgement of the Management Committee the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Management Committee considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Pension Liability

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. The Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Association and has therefore adopted this valuation method.

Accounting entries in respect of transactions regarding the Strathclyde Pension Scheme within the financial statements are based on the actuary's report on the scheme. The actuary has a number of assumptions in their calculations and details of any key assumptions are included within the notes to the financial statements.

Estimation Uncertainty

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

d) Costs of shared ownership

The Association allocates costs to shared ownership properties on an percentage basis split across the number of properties the Association owns.

e) Defined pension liability

In determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds.

f) Allocation of share of assets and liabilities for multi employer schemes

Judgements in respect of the assets and liabilities to be recognised are based upon source information provided by administrators of the multi employer pension schemes and estimations performed by the Pensions Trust in respect of the scottish Housing Association Pension Scheme.

| | 2020 | 2019 |
|---|------------------|------------------|
| | £ | £ |
| Bank Loans | | |
| Amounts due within one year | 143,533 | 161,320 |
| Amounts due in one year or more but less than two years | 143,533 | 161,320 |
| Amounts due in two years or more but less than five years | 430,599 | 483,960 |
| Amounts due in more than five years | 1,204,194 | 1,419,774 |
| | <u>1,921,859</u> | <u>2,226,374</u> |

The Association has a number of bank loans the principal terms of which are as follows:

| Lender | Number of Properties Secured | Effective Interest Rate | Maturity (Year) | Variable or Fixed |
|-----------------------------|------------------------------------|-------------------------------|--------------------|----------------------|
| RBS | 60 | 1.9% | 2034 | Variable |
| Nationwide Building Society | 39 | 1.3% | 2032 | Variable |
| Scottish Building Society | 31 | 0.5% | 2029 | Variable |

All the Association's bank borrowings are repayable on a monthly basis with the principal being amortised over the term of the loans.

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS (continued)

19. RETIREMENT BENEFIT OBLIGATIONS

Scottish Housing Association Pension Scheme

Glasgow West Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pensions schemes in the UK.

The last valuation of the Scheme was performed as at 30 September 2018 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £877m. The valuation revealed a shortfall of assets compared with the value of liabilities of £121m (equivalent to a past service funding level of 89%). A recovery plan is in place to eliminate the past service deficit which runs to 28 February 2022.

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal, then the liability of the withdrawing employer is reapportioned amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

In 2019 the Pensions Trust, the administrator of the Scheme developed a method of determining the share of assets and liabilities for individual employers. This method was adopted by the Association in 2019 and resulted in an adjustment to the opening pension liability recognised in the statement of financial position of £(498,725).

None of the fair values of the assets shown above include any direct investment in the Association's own financial instruments or any property occupied by, or other assets used by the Association.

Key Assumptions

| | 2020 | 2019 | 2018 |
|---|--------------------------|------|------|
| Discount Rate | 2.4% | 2.3% | 2.6% |
| Inflation (RPI) | 2.6% | 3.3% | 3.2% |
| Inflation (CPI) | 1.6% | 2.3% | 2.2% |
| Salary Growth | 2.6% | 3.3% | 3.2% |
| Allowance for commutation of pension for cash at retirement | 75% of maximum allowance | | |

The mortality assumptions adopted at 31 March 2020 imply the following life expectancies:

| | Life expectancy at age 65 years (years) |
|-------------------------|---|
| Male retiring in 2020 | 21.5 |
| Female retiring in 2020 | 23.2 |
| Male retiring in 2040 | 22.8 |
| Female retiring in 2040 | <u>24.5</u> |

GLASGOW WEST HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020 NOTES TO THE FINANCIAL STATEMENTS (continued)

19. RETIREMENT BENEFIT OBLIGATIONS (continued)

Strathclyde Pension Fund Defined Benefit Scheme

The Association operates a defined benefit scheme as an admitted body under the Strathclyde Pension Fund, the assets of which are held in a separate trustee administered fund.

The administering authority has responsibility for the management of the Fund. As most of the Fund's investments are equity based, there is an inherent risk of volatility in the investment market having a significant effect on the value of the fund's assets. In order to mitigate this risk, the Fund holds a diverse investment portfolio with a range of investment managers.

The following figures are prepared by the Actuaries in accordance with their understanding of FRS 102 and Guidance Note 36: Accounting for Retirement Benefits under FRS 102 issued by the Institute and Faculty of Actuaries.

Principal Actuarial Assumptions

| Assumptions as at 31 March | 2020 | 2019 | 2018 |
|-----------------------------|-------|-------|-------|
| | %p.a. | %p.a. | %p.a. |
| Pension Increase Rate (CPI) | 1.90 | 2.5% | 2.4% |
| Salary Increase Rate | 3.00 | 3.7% | 3.6% |
| Discount Rate | 2.30 | 2.4% | 2.7% |

Members of the Scheme

| | 2020 | 2019 | 2018 |
|---------------------|-----------|-----------|-----------|
| | No. | No. | No. |
| Employee members | 9 | 9 | 9 |
| Deferred pensioners | - | - | - |
| Pensioners | 3 | 3 | 3 |
| | <u>12</u> | <u>12</u> | <u>12</u> |

Expected Return on Assets

The expected return on assets is based on the long-term future expected investment return for each asset class as at the beginning of the period as follows:

| Asset Class | 2020 | 2019 | 2018 |
|--------------|-------------|-------------|-------------|
| | % p.a. | % p.a. | % p.a. |
| Equities | 59% | 64% | 70% |
| Bonds | 26% | 24% | 18% |
| Property | 13% | 10% | 11% |
| Cash | 2% | 2% | 1% |
| Total | <u>100%</u> | <u>100%</u> | <u>100%</u> |

Mortality Rates

Life expectancy is based on the Fund's VitaCurves with improvements in line with the CMI 2016 model with an allowance for smoothing of recent mortality experience and long term rates of 1.5% p.a. for females. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

| | Males (Years) | Females (Years) |
|--------------------|------------------|--------------------|
| Current Pensioners | 20.7 | 22.9 |
| Future Pensioners | 22.2 | 24.6 |
