

Our Annual Assurance Statement

We, Hebridean Housing Partnership, comply with the regulatory requirements set out in Chapter 3 of the Scottish Housing Regulator's Regulatory Framework. This includes that we comply with:

- ✓ all the standards and outcomes in the Scottish Social Housing Charter for tenants, people who are homeless and others who use our services;
- ✓ relevant legislative duties; and
- ✓ the Standards of Governance and Financial Management for RSLs.

We confirm that we have seen and considered sufficient evidence to give us this assurance.

Our tenants' safety is paramount, however, we have 3 properties where Electrical Installation Condition Reports (EICR) have not been carried out due to access issues.

We are assured we meet all other duties in relation to tenant and resident safety and are compliant with all relevant safety requirements.

We can further confirm that HHP are in the process of implementing an effective approach to the collection of equalities information and are considering how we can adopt a human rights approach in our work.

We approved our Annual Assurance Statement at the meeting of our Board on 23 August 2023.

I sign this statement on behalf of the Board.
