KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

REPORT OF THE MANAGEMENT COMMITTEE

FOR THE YEAR ENDED 31ST MARCH, 2011

The Committee of Management present their report and the audited financial statements for the year ended 31st March 2011.

Principal activities

The principal activity of the Association as a landlord and developer is the provision of good quality homes at affordable rents and prices for people in housing need.

Review of business

As the financial statements demonstrate, the Association's financial position indicates net assets of £1,331,444 (2010 - £1,129,720). The surplus for the year was £201,723 (2010 - £124,744) and transfers to designated reserves totalled £151,293.

During the year to 31st March 2011 the Association made good progress in a number of key areas of business activity.

The Association set performance targets at the start of the financial year and reported against thirty two performance indicators covering maintenance, housing management and governance. We achieved or exceeded targets in twenty nine performance indicators.

Planned/cyclical maintenance was carried out in accordance with our life cycle programme and the Association recognises the importance of effective asset management in order to protect previous investment and to prolong the life expectancy of our housing stock.

Planned maintenance carried out during the year included renewal of external doors and windows at twenty four properties at 87-133 Inchfad Drive and renewal of vinyl flooring in common closes at 37-45 Lochgoin Avenue.

Our five year and thirty year budget projections continue to demonstrate our medium/long term viability under reasonable assumptions. The Association is aware of the need for effective financial performance based on sound management practice. Our financial cost ratios are comparable with or better than peer group and national medians.

The Association were also actively involved in partnership working with the other RSL's in Drumchapel to deliver wider role projects to tackle issues such as addictions, financial inclusion, youth activities, employment and community safety.

The Association strive for continuous improvement and ongoing review and monitoring of key business objectives remains a high priority.

Changes in fixed assets

Details of changes in fixed assets are set out in Note 10.

COMMITTEE STATEMENT ON THE ASSOCIATION'S

SYSTEM OF INTERNAL FINANCIAL CONTROL

FOR THE YEAR ENDED 31ST MARCH, 2011

The Committee acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- . The reliability of financial information used within the Association or for publication;
- . The maintenance of proper accounting records;
- . The safeguarding of assets (against unauthorised use or disposition).

It is the Committee's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements include ensuring that:

- . Formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets;
- . Experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance;
- . Forecasts and budgets are prepared regularly which allow the Committee and staff to monitor the key business risks and financial objectives, and progress towards financial plans set for the year and the medium term;
- . Regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information and significant variances from budgets are investigated as appropriate;
- . All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through relevant sub-committees comprising Committee members and others;
- . The Committee review reports from management, from directors, staff and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed. This includes a general review of the major risks facing the Association;
- . Formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports.

The Committee have reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31st March 2011 and until the below date. No weaknesses were found in internal financial controls, which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the Auditor's Report on the financial statements.

REPORT OF THE INDEPENDENT AUDITORS ON THE COMMITTEE

STATEMENT ON THE ASSOCIATION'S SYSTEM OF INTERNAL FINANCIAL CONTROL

FOR THE YEAR ENDED 31ST MARCH, 2011

Corporate governance

In addition to our audit of the financial statements, we have reviewed the Committee's statement concerning the Association's compliance with the information required by the section on internal financial control within SFHA's publication "Raising Standards in Housing".

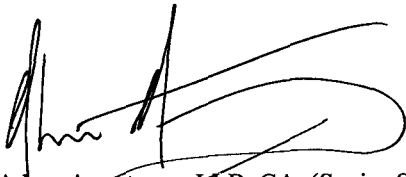

Basis of opinion

We carried out our review having regard to the Bulletin "Disclosures Relating to Corporate Governance" issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the Guidance Notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the statement on internal financial control has provided the disclosures required by the section on internal financial control within SFHA's publication "Raising Standards in Housing" and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain Committee members, directors and officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the section on internal financial control within SFHA's publication "Raising Standards in Housing".

REPORT OF THE INDEPENDENT AUDITORS TO

THE MEMBERS OF KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

We have audited the financial statements for the year ended 31st March 2011 which comprise the Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007.

This report is made solely to the Association's members, as a body, in accordance with Industrial and Provident Societies Acts 1965 to 2002. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Committee and Auditors

As explained more fully in the Statement of Committee's Responsibilities, the Committee are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the Committee, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the Association's affairs as at 31st March 2011 and of its surplus for the year then ended; and
- have been properly prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002, Schedule 1, the Housing (Scotland) Act 2001 and the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007.

Opinion on Committee Report

In our opinion the information given in the Report of the Committee for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the current legislation requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Committee's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

KINGSRIDGE CLEDDANS HOUSING ASSOCIATION LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2011

1. Principal accounting policies

The Association is incorporated under the Industrial and Provident Societies Act 1965 and is registered by the Financial Services Authority under number 2378R(S).

The financial statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting for Registered Social Landlords (2008), and on the historical cost basis. They also comply with the Registered Social Landlords (Accounting Requirements) (Scotland) Order 2007. A summary of the more important accounting policies is set out below.

Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable from the Scottish Housing Regulator, local authorities and other agencies.

Housing properties

Housing Properties are stated at cost, less social housing and other public grants and less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the properties of fifty years.

Improvements are capitalised where these result in an enhancement of the economic benefits of the property. Such enhancement can occur if the improvements result in an increase in rental income, a material reduction in future maintenance costs or a significant extension of the life of the property. Works to existing properties which fail to meet the above criteria are charged to the Income and Expenditure Account.

Reviews for impairment of housing properties are carried out regularly and any impairment in an income-generating unit is recognised by a charge to the Income and Expenditure Account. Impairment is recognised where the carrying value of an income-generating unit exceeds the higher of its net realisable value or its value in use. Value in use represents the net present value of expected future cash flows from these units. Impairment of assets would be recognised in the Income and Expenditure Account.

The Statement of Recommended Practice 2008 states that the disposal of shared ownership properties first tranche sales should be included in turnover at completion with the balance being classified as fixed assets. The Association believes that the effect on their retained surplus of applying this practice to previous years would be negligible and have not carried out this exercise.

Other fixed assets

Other fixed assets are stated at cost less accumulated depreciation. Depreciation is charged by equal instalments commencing with the year of acquisition at rates estimated to write off costs less any residual value over the expected economic useful lives at annual rates :-

Furniture and Fittings	- 10% per annum
Office Equipment	- 25% per annum

Social Housing Grant and other grants

Where developments have been financed wholly or partly by Social Housing Grant or other capital grant, the cost of those developments have been reduced by the amount of the grant receivable. The amount of the grants receivable is shown separately on the Balance Sheet.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH, 2011

1. Principal accounting policies/Cont...

Capitalisation of interest

Interest incurred on financing a development is capitalised up to the date of completion of the scheme.

Development administration costs

Development costs incremental to the other costs of the Association have been capitalised.

Sale of housing properties

Properties are disposed of under the appropriate legislation and guidance. All costs and grants relating to the share of property sold are removed from the financial statements at the date of sale. Any grants received that cannot be repaid from the proceeds of sale are abated and the grants removed from the financial statements.

The surplus or deficit is shown on the face of the Income and Expenditure Account.

Operating Leases

Rentals paid under operating leases are charged to the profit and loss account in the period to which they relate.

Cyclical and planned maintenance

The costs of cyclical and planned maintenance are charged to the Income and Expenditure Account in the year in which they are incurred.

Designated reserves

The Association has designated part of its long term obligations.

- * The cyclical maintenance reserve has been designated to meet future repair and maintenance obligations which are cyclical in nature. These are carried out in accordance with a planned programme of works.
- * The major repairs reserve is based on the Association's liability to maintain housing properties in a state of repair which at least maintains their residual values in prices prevailing at the time of acquisition and construction.

Pension costs

The Association participates in the centralised SFHA defined benefit pension scheme and retirement benefits to employees are funded by contributions from all participating employers and employees in the scheme. Payments are made in accordance with periodic calculations by consulting actuaries and are based on pension costs applicable across the various participating associations taken as a whole.

Mr John Barclay is a director of Kingsridge Cleddans Economic Development Group. During the year the Association paid rent totalling £10,373 (2010 - £10,153) to that organisation.

21. Pensions

The Association participates in the Scottish Housing Associations' Pension Scheme ('the Scheme'). The Scheme is funded and is contracted out of the State Pension scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

FOR THE YEAR ENDED 31ST MARCH, 2011/Cont...

21. Pensions/Cont...

The last formal valuation of the Scheme was performed as at 30th September 2009 by a professionally qualified Actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295million. The valuation revealed a shortfall of assets compared with the value of liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an actuarial report that provides an approximate update on the funding position of the Scheme as at 30th September 2010. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £335 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £162 million, equivalent to a past service funding level of 67.4%.

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performances, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Association has been notified by the Pensions Trust of the estimated employer debt on withdrawal from the SFHA scheme based on the financial position of the scheme as at 30th September 2010. As of that date the estimated employer debt for the Association was £224,096.
