Business review

Introduction:

Based on our review of the current position and future forecasts the Board believe it is appropriate to prepare the consolidated financial statements for Manor Estates Housing Association Ltd (the Association) on a going concern basis. No foreseeable material uncertainties that cast significant doubt about the ability of the Association to continue as a going concern have been identified by the governing body, the Board.

The Board is confident that we have sufficient reserves and income to cover the costs of the Association's business over future years and to carry out our long term planned maintenance programme.

The Association's main source of income is the rent paid by tenants. In the current economic climate and because of both restrictions to welfare benefit entitlements and austerity, there is an increased risk that the Association's success in collecting rents may reduce. The Association continues to maximise its rental income by maintaining good performance in managing the level of rent arrears and rent lost as a result of properties being void and unlet. This combined with a proactive approach and assistance provided to tenants seeking assistance in claiming welfare benefits will continue to mitigate the impacts of reduced income available to tenants as well as the economic impact of COVID-19.

The Board receives and reviews a range of key performance indicators and risks at regular intervals. In addition, a mid-year budget review is undertaken. These reviews allow the Board to ensure effective oversight of the Association's operations and financial affairs and to quickly introduce appropriate or mitigating action should it be necessary.

Business Activities

During 2021/22 the Association continued its major programme of expenditure on managing and maintaining its properties. The Association's subsidiary company, Manor Estates Associates Limited (MEA Limited)

continued trading, undertaking a range of complimentary activities.

REPORT OF THE BOARD (continued) FOR THE YEAR ENDED 31 MARCH 2022

Business Activities (continued)

The Association has continued to work through a programme of energy efficiency measures, to assist in meeting the Energy Efficiency Standard for Social Housing (EESSH1) with minimal exemptions. The Association has experienced a slower pace of uptake on these programmes due to combination of tenant profile and post Covid 19 response. The Association has included an outline component spend profile in the 25 year Financial Plan for meeting EESSH 2 across our stock base by December 2032. No further funding streams are available to the Association to assist in meeting the EESSH 2 target at the present time

MEHA continues to share our Welfare Advice Officer with Link HA, who aided more than 103 tenants maximise their income and entitlement to benefits. During 2021/22 a total of £144,064 of additional income was attained. In January 2022, MEHA entered into a one year partnership with Changeworks to provide Manor Estates Affordable Warmth Service. The project aims to assist up to 75 tenants with energy related issues, with a particular focus on reaching vulnerable tenants such as low income earners, tenants in arrears and the elderly age group. In quarter 1 (Jan - March 2022), the project had provided support to 12 households and achieved financial savings for them totalling £4,440.

The Association continues to spend significant sums of money each year maintaining and improving its properties, work identified in our regularly reviewed asset management plan. The Scottish Housing Quality Standard (SHQS) results were reviewed in November 2021 in line with the Scottish Housing Regulator (SHR) clarification resulting in a higher number of fails compared to prior year due to the integration of the EESSH1 data set. A programme is in place to address minor issues in meeting the (SHQS) and we continue to seek cooperation to undertake works in our mixed tenure stock. The smoke and carbon monoxide detection and the electrical safety inspection programmes have progressed and the Association is addressing a small number of tenant refusals with access set to coincide with the gas service.

The Association continues to provide factoring services to around 1700 homeowners, principally in estates where we have an interest as a landlord. Administering factoring arrangements while recovering the costs of the factoring service remains a significant area of work for the Association, and we take all practical steps to ensure the effective management of debt, including taking legal action where necessary. We are a Registered Factor and comply fully with the requirements of the Property Factors (Scotland) Act 2011.

Manor Estates is a member of ARCHIE (Alliance of Registered Co-operatives and Housing Associations, Independent in Edinburgh) with a view to sharing experience, services and knowledge to enhance services to tenants and the communities within which the organisation operates.

The Association remains committed to providing high quality services to all our tenants. Throughout 2021, the staff and Board members worked collaboratively to develop a new Strategic Plan for 2022/27 this also included the development of a new vision, mission and strategic deliverables for the next five years.

Board:

The Association presently has nine Board members, including one tenant.

The Board continues to set the strategic direction of the Association and is committed to ensuring that the organisation adheres to the highest standards of governance and probity. In order to comply with the requirements of the recently published Scottish Housing Regulators: Regulatory Standards (February 2022), the Board carried out self-assessment of each of the Regulatory Standards.

The Association's Chair and Vice – Chair continue to conduct collective assessments of Board performance as well as holding annual review meetings with individual Board members; where their skills and knowledge

are appraised and where both collective and individual training needs are identified

REPORT OF THE BOARD (continued) FOR THE YEAR ENDED 31 MARCH 2022

Board (continued)

Principal Risks & Uncertainties

The Association recognises the importance of identifying, evaluating and managing strategic and operational risks, and remains focussed on ensuring events and challenges which could compromise the Association's ability to deliver services are minimised.

Risk Management addresses a wide spectrum of risks, not just those associated with finance, health and safety, business continuity and insurance. It also incorporates those risks associated with service provision, effectiveness and continuity, public image (reputation), compliance with legislation, regulation and environment.

The principal risks facing the Association are:

- Operating environment uncertainty
- Liquidation of a principal contractor
- Cyber security breach
- · GDPR breach and
- Estate Management

The Association's Risk Management Strategy identifies both major and minor risks. The Audit Committee, as well as the Board, is responsible for monitoring the management of major risks while management of lower level risks is delegated to the Senior Management Team.

Staff

The Association keeps its staff resources under review to ensure that it continues to be appropriate to the scale and scope of the organisation's activities and enables us to operate effectively and efficiently in meeting the strategic objectives set by the Board.

The Association continues to engage with Investors in People (IIP) and has achieved Gold accreditation. It remains the objective of the Association to ensure all of its employees are engaged, developed and resourced to meet the challenges of providing quality services to our tenants and customers.

The Association remain members of Employers in Voluntary Housing (EVH) and through this engagement ensures that staff terms and conditions are in line with the sector generally and that all aspects of Human Resources and Health and Safety management are effectively operated. The Association remains an accredited employer with Disability Confident, an initiative promoted by Jobcentre Plus.

The Board and senior staff, including the Chief Executive, the Depute Chief Executive/Housing Management Director, Property Services Director and Corporate Services Director, are defined as the key management personnel within the Association. Remuneration for all staff including the key management personnel is based on EVH salary scales (further information is contained within note 8). The Board are all voluntary members and receive no remuneration.

REPORT OF THE BOARD (continued) FOR THE YEAR ENDED 31 MARCH 2022

Financial Review

Income and Expenditure Reserve

Details of movements in the year are below, under the surplus for the year and transfers to reserves.

Surplus for the year

The results for the Group are shown in the Statement of Comprehensive Income on page 13. The surplus for the Group is £ 1,579,718 (2021 - £1,727,619). The surplus resulted in an increase in reserves to £20,505,930 (2021 - £18,373,237).

Statement of the Board's Responsibilities

The Board is responsible for preparing the report and financial statements in accordance with applicable law and regulations. Statute requires the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association, and of income and expenditure for the year ended on that date. In preparing these financial statements, the Board is required to:

- select suitable accounting policies and then apply them consistently;
- · make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the Association and to enable it to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements – February 2019. The Board is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Information for the Auditor

The Board members have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. Each of the Board members has confirmed that they have taken all the steps they ought to take as Board Members in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

Treasury Management Policy

It is the policy of the Association that any surplus funds (that is, cash not needed to meet immediate short-term needs) are invested to maximise interest income without the Association becoming open to unnecessary risk.

Rent Policy

The Rent Policy, is designed to set rents that are transparent, consistent and affordable to current and prospective tenants. Rents and service charges must however cover the Association's costs and promote confidence in the Association's ability to fulfil its obligations.

REPORT OF THE BOARD (continued) FOR THE YEAR ENDED 31 MARCH 2022

Internal Financial Control

The Board is responsible for ensuring that the Association has an appropriate system of internal financial control. Whilst no system of internal financial control can provide absolute assurance against material loss or misstatement, the Association's systems and procedures are designed to provide reasonable assurance that the controls in place are operating effectively. These controls are regularly reviewed.

Audit Committee

In line with good practice, the Association has an Audit Committee. This committee meet quarterly and regularly receive reports, review risks and attain independent comment as well as appropriate reassurances from our internal and external auditors.

Internal Audit

The Association operates an independent internal audit function, which reports directly to the Audit Committee. A programme of work has been agreed based on an Audit Needs Assessment by the internal auditors (Quinn Internal Audit and Business Support Services, QIABSS), which assess those areas of the Association's activity where potential risks have been identified. Overall the reviews carried out by QIABSS indicate that the Association has in place systems that are designed and operated to provide effective control and minimise risk.

Internal Financial Control System

The key elements of the internal financial control system are as follows:

- Documented financial regulations, including a policy on the delegation to and authority of the Senior Management Team;
- Approval by the Board of a detailed business plan and of income and expenditure and cashflow budgets;
- Approval by the Board of an annual programme for planned maintenance and improvement work, as part of the business planning and budgeting process;
- Quarterly reporting to the Board of actual results for the year to date and forecasts for the remainder
 of the year, including comparison to budget, with commentary on significant variations, and a half
 yearly budget review;
- Experienced and suitably qualified staff with executive responsibility for important business functions, and a formal staff appraisal and training systems to maintain skills and competence.

Throughout the year, the Board has monitored and reviewed the effectiveness of the Association's internal financial controls using the key elements noted above. No weaknesses in internal control resulting in material losses, contingencies or uncertainties which require disclosure in the financial statements were found.

Post Balance Sheet Event

Post year end the Association reviewed their ownership options in respect of the office property. An offer has been made, terms are in the process of being agreed but no legal contract has yet been signed.

REPORT OF THE BOARD FOR THE YEAR ENDED 31 MARCH 2022

Auditor

The auditor, Azets Audit Services have expressed their willingness to continue in office as auditor and will be proposed for reappointment at the Annual General Meeting

By order of the Board

Claire Ironside Secretary

Date:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

Opinion

We have audited the financial statements of Manor Estates Housing Association Limited (the "Parent Association") and its subsidiary (the "Group") for the year ended 31 March 2022 which comprise the Consolidated and Association Statements of Comprehensive Income, the Consolidated and Association Statements of Changes in Capital and Reserves, the Consolidated and Association Statements of Financial Position, the Consolidated and Association Statements of Cash Flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and Parent Association's affairs as at 31 March 2022 and of the Group's and Parent Association's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit
 Societies Act 2014, the Co-operative and Community Benefits Societies (Group Accounts)
 Regulations 1969, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting
 Requirements 2019 issued by the Scottish Housing Regulator.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group and Parent Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Group's or Parent Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Board is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained by the Parent Association;
 or
- the Parent Association has not kept proper accounting records; or
- the Parent Association's financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we need for our audit.

Responsibilities of the Board

As explained more fully in the Statement of the Board's Responsibilities set out on page 4, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Group's and the Parent Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Group or the Parent Association or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under the Co-operative and Community Benefit Societies Act 2014 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

The extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above and on the FRC's website, to detect material misstatements in respect of irregularities, including fraud.

We obtain and update our understanding of the Group and the Parent Association, their activities, their control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the Group and the Parent Association are complying with that framework. Based on this understanding, we identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the Group and the Parent Association through discussions with the Board members and the senior management team, and from our knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material effect
 on the financial statements or the operations of the Group and the Parent Association, including the
 Co-operative and Community Benefit Societies Act 2014, the Co-operative and Community Benefits
 Societies (Group Accounts) Regulations 1969, Part 6 of the Housing (Scotland) Act 2010, the
 Determination of Accounting Requirements 2019 issued by the Scottish Housing Regulator, taxation
 legislation and data protection, anti-bribery, employment, environmental and health and safety
 legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of the senior management team and the Board and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

Auditor's responsibilities for the audit of the financial statements (continued)

We assessed the susceptibility of the Group's and the Parent Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of the senior management team and the Board as to where they considered there
 was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of the Board and relevant sub-committees;
- enquiring of the senior management team and the Board as to actual and potential litigation and claims;
- reviewing legal and professional fees paid in the year for indication of any actual and potential litigation and claims; and
- reviewing correspondence with HMRC, the Scottish Housing Regulator, OSCR and the Group's and Parent Association's legal advisors.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

Use of our report

This report is made solely to the Parent Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Parent Association's members, as a body, those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Parent Association and the Parent Association's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Azets Audit Services.

Azets Audit Services Statutory Auditor Chartered Accountants Titanium 1 King's Inch Place Renfrew PA4 8WF

Date: 30 UN 2023

Azets Audit Services is eligible for appointment as auditor of the Group and Parent Association by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT ON CORPORATE GOVERNANCE MATTERS TO THE MEMBERS OF MANOR ESTATES HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2022

In addition to our audit of the financial statements, we have reviewed your statement on page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2009/4 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain members of the Board and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Board's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

1. General information

The financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice) and comply with the requirements of the Determination of Housing Requirements 2022 as issued by the Scottish Housing Regulator and the Statement of Recommended Practice for Social Housing Providers issued in 2018. The principal accounting policies are set out below.

The preparation of these financial statements in compliance with FRS 102 requires the use of certain accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies (see note 3).

The presentation currency is pounds sterling and the financial statements are rounded to the nearest whole number.

The Association is a Co-operative and Community Benefit Society limited by shares and is incorporated in the United Kingdom. The Association is a registered social landlord in Scotland and its registered number is HEP 284. The registered address is available on the first page of the financial statements.

The Association is defined as a public benefit entity and thus the Association complies with all disclosure requirements relating to public benefit entities.

2. Principal accounting policies

Group accounts

The Group financial statements consolidate the financial statements of Manor Estates Housing Association Limited and its subsidiary, Manor Estates Associates Limited made up to 31 March 2022. Profits or losses on intra-group transactions are eliminated in full in accordance with FRS 102.

Basis of accounting

The financial statements are prepared under the historical cost basis of accounting.

Going concern

The financial statements have been prepared on a going concern basis. The Board have assessed the Group and Association's ability to continue as a going concern and have reasonable expectation that the Group and the Association have adequate resources to continue in operational existence for the foreseeable future. This assessment of going concern includes the expected impact of COVID-19 to the entity in the 12 months following the signing of these financial statements. Thus, they continue to adopt the going concern basis of accounting in preparing these financial statements.

Turnover

Turnover represents rental and service income receivable and fees and grants from local authorities and the Scottish Government. Also included is any income from and management fees for the factoring of properties for private owners as the provision of factoring services is accounted for on an agency basis.

Income from rental and service charges and factoring activities is recognised when the Association is entitled to it, it is probable it will be received and it can be measured reliably.

Income from revenue grants receivable have been covered in a separate accounting policy below.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

2. Principal accounting policies (continued)

Leasing

Rentals payable under operating lease are charged to the Statement of Income and Retained Earnings on a straight line basis over the period of the lease.

Grant income

Where a grant is paid as a contribution towards revenue expenditure, it is included in turnover. Where a grant is received from government and other bodies as a contribution towards the capital cost of housing schemes, the grant is recognised as income using the accrual model in accordance with SORP 2018. Unamortised capital grant is held as deferred income on the statement of financial position.

Bad and doubtful debts

Provision is made against rent arrears of current and former tenants, as well as other miscellaneous debts due to, the extent that they are considered potentially irrecoverable. Debts are classed as uncollectable after an assessment of the legislative options available to recover and consideration of specific circumstances.

Interest receivable

Interest receivable is recognised in the Statement of Comprehensive Income using the effective interest rate method.

interest payable

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

Tangible fixed assets - Housing properties

Housing Properties are stated at cost less accumulated depreciation. Works to existing properties will generally be capitalised under the following circumstances:

- (i) Where a component of the housing property that has been treated separately for depreciation purposes and depreciated over its useful economic life is replaced or restored; or
- (ii) Where the subsequent expenditure provides an enhancement of the economic benefits of the tangible fixed assets in excess of the previously assessed standard of performance. Such enhancement can occur if the improvements result in an increase in rental income, a material reduction in future maintenance costs or a significant extension of the life of the property.

Works to existing properties which fail to meet the above criteria are charged to the Statement of Comprehensive Income.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

2. Principal accounting policies (continued)

Depreciation

Depreciation is charged on a straight line basis over the expected economic useful lives of each major component that makes up the housing property as follows:

Land	not depreciated	
Roof	65 years	(Depreciated at 1.54% per annum)
Walls	65 years	(Depreciated at 1.54% per annum)
Bathroom	30 years	(Depreciated at 3.33% per annum)
Kitchen	15 years	(Depreciated at 6.67% per annum)
Windows	30 years	(Depreciated at 3.33% per annum)
Boilers	20 years	(Depreciated at 5% per annum)
External Doors	40 years	(Depreciated at 2.5% per annum)

Other fixed assets

Other tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight-line basis over the expected economic useful lives of the assets at the following annual rates:

Leasehold improvements Office furniture and equipment Computer equipment	20% 10% 20%	(5 years) (10 years) (5 years)
Mid-Market Rent properties: Floor Coverings Appliances	10% 20%	(10 years) (5 years)
Social Rent properties: Floor Coverings Appliances	10% 20%	(10 years) (5 years)

Impairment

Reviews for impairment of housing properties are carried out at scheme level when a possible impairment is highlighted by a change in circumstances (such as high repair costs or difficulties in lettings). Any impairment in an income generating unit is recognised by a charge in the Statement of Comprehensive Income and is recognised when the carrying value of the unit exceeds the higher of its net realisable value or value in use. The net realisable value is determined by an external valuation by a RICS approved valuer.

Housing Association Grant and other capital grants

Housing Association Grant and other capital grants certain developments have been financed wholly or partly by Housing Association Grant (HAG) or other capital grants. HAG is repayable under certain circumstances, primarily following sale of the related property but will normally be restricted to net proceeds of sale.

Capital grants are accounted for using the accrual model and are recognised in income on a systematic basis over the useful life of the related housing asset. The Association uses the useful lives of all housing components on a pro-rata basis to calculate the annual amortisation.

Financial instruments

(Debtors and creditors receivable/payable within one year)

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at the transaction price. Any losses arising from impairment are recognised in the statement of comprehensive income in other administrative expenses.

8. Emoluments and interests of key management personnel

Manor Estates Housing Association Limited employs all staff for the Group and provides staff and services to Manor Estates Associates Limited.

The Board and senior staff, including the Chief Executive, Depute Chief Executive/Housing Management Director, Property Services Director and Corporate Services Director, are defined as the key management personnel within the Association. No emoluments were paid to any member of the Board during the year and details of the aggregate emoluments payable to key management personnel whose emoluments were £60,000 per annum or more follow.

The emoluments of key management personnel were as follows:	2022 £	2021 £
Salary Pension contributions Social security costs	129,649 42,791 15,451	220,559 33,616 26,800
	187,891	280,975
The emoluments of the Chief Executive were as follows:	2022 £	2021 £
Salary	66,849	79,501
Pension contributions	24,851	10,534
	91,700	90,035

The Chief Executive is an ordinary member of the Association's pension scheme as described in note 23. No enhanced or special terms apply to their membership.

The number of key management personnel whose emoluments, excluding pension contributions, were above £60,000 for the year were:

	2022 £	2021 £
£60,001 to £70,000	2	1
£70,001 to £80,000	-	2
£80,001 to £90,000	-	-

Expenses payable to the Board amounted to £274 (2021 - £2,087).

	23,284,797	24,915,545	23,284,797	24,915,545

£ 4,200,000 of the above bank loan is secured over housing properties and is repayable by instalments which commenced on 30 March 2012. At 31 March 2022, interest on £2,655,000 of the above loan was based on a fixed rate of 2.845% for a period of 5 years. The interest on the remaining loan is charged at a variable rate. Under certain circumstances, part of the above loan may, at the request of the lender, become repayable within one year. Under normal circumstances, such a situation could only arise where increased cash has been generated and projections indicate that the Association's expenditure plans will not be jeopardised by an additional loan repayment.

The loan can also be repaid early at the option of the Association.

The balance of £9,000,000 is the loan that has financed all 3 phases of the development at Sandilands Close. The finance costs for this loan are held in debtors and are being written off over the life of the loan.

The average rate of interest paid in the year is 3.5% (2021 -3.58%).

The net book value of housing properties secured at the year-end was £22,626,818 (2021 - £22,636,509).

We are continuing to pay off the loan of £266,030 from the Energy Savings Trust. This is repayable over 10 years at 0% interest rate from May 2017. We are also continuing to pay off the loan of £383,219 from the Scottish Government through the Fire and Carbon Monoxide Detectors Loan Scheme. The loan is repayable over 5 years at 0% interest rate from March 2021.

Loans are repayable as follows:

23. Pension scheme

(i) The Pensions Trust – Scottish Housing Associations' Pension Scheme (SHAPS)

Manor Estates Housing Association participates in a multi-employer scheme which provides benefits to some 150 non-associated employers. The scheme is a defined benefit scheme in the UK.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the Scheme for funding purposes was carried out as at 30 September 2021. This valuation results have not yet been published. It was agreed to review the present Recovery Plan which was in place to eliminate the deficit which runs to 30 September 2022 for the majority of employers, although certain employers have different arrangements.

The Scheme is classified as a 'last-man standing arrangement'. Therefore, the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the Scheme. Participating employers are legally required to meet their share of the Scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

For financial years ending on or before 28 February 2019, it was not possible for the company to obtain sufficient information to enable it to account for the Scheme as a defined benefit scheme, therefore the company has accounted for the Scheme as a defined contribution scheme.

For financial years ending on or after 31 March 2019, it is possible to obtain sufficient information to enable the company to account for the Scheme as a defined benefit scheme.

For accounting purposes, a valuation of the scheme was carried out with an effective date of 30 September 2021.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

23. Pension scheme (continued)

Year ended 31 March 2022

The Trustee of the Pensions Trust ('the Trust') has completed a review of the changes made to the benefit structure of the defined benefit pension scheme within the Trust. This involved reviewing the changes made to the benefits in the scheme over the years. The result of this review is that, in some cases, it is unclear whether the changes were made to the scheme benefits in accordance with the Trust's governing documentation. The Trust has been advised to seek direction from the Court on the effect of these changes. This process is ongoing and is unlikely to be resolved until late 2024 at the latest. The Trustee is not including an allowance for potential additional liabilities with the Technical Provisions methodology for triennial actuarial valuations.

The liabilities are compared, at the relevant accounting date, with the company's fair share of the Scheme's total assets to calculate the company's net deficit or surplus.

Total	15	157	71

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

23. Pension scheme (continued)

(ii) Pension Trust's Growth Plan

The company participates in the scheme, a multi-employer scheme which provides benefits to some 638 non-associated participating employers. The scheme is a defined benefit scheme in the UK. It is not possible for the company to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore, it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The scheme is classified as a 'last-man standing arrangement'. Therefore, the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out at 30 September 2020. This valuation showed assets of £800.3m, liabilities of £831.9m and a deficit of £31.6m. To eliminate this funding shortfall, the Trustee has asked the participating employers to pay additional contributions to the scheme as follows:

Deficit contributions

From 1 April 2022 to 31 January 2025:

£3,312,000 per annum (payable monthly and increasing by 3% each on 1 April)

The recovery plan contributions are allocated to each participating employer in line with their estimated share of the Series 1 and Series 2 liabilities.

As the Growth Plan is in deficit and the Association has agreed to a deficit funding arrangement the Association recognises a liability for this obligation in the amount of the net present value of the deficit reduction contributions payable under the agreement. The present value is calculated using the discount rate detailed below. The unwinding of the discount rate is recognised as a finance cost.

Assumptions	2022	2021
Rate of discount – % per annum	2.35	0.66
•		

The discount rates shown above are the equivalent single discount rates which, when used to discount the future recovery plan contributions due, would give the same results as using a full AA corporate bond yield curve to discount the same recovery plan contributions.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

23. Pension scheme (continued)

(ii) Pension Trust's Growth Plan (continued)

The liability recognised is as follows:	2022 £'000	2021 £'000
Present value of provision at 1 April Unwinding of the discount factor (interest expense) Deficit contributions paid Remeasurements – impact of any change in assumptions Remeasurements – amendments to the contribution schedule	(14) - 4 - 7	(17)
Present value of the provision at 31 March	(3)	(14)

(iii) Employer Debt on Withdrawal

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up. The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e., the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

The Association has been notified by the Pensions Trust of the estimated employer debt on the withdrawal from the relevant schemes based on the financial position of the schemes as at 30 September 2020. As of this date the total estimated employer debt for the Association is £5.6m for both schemes.

(iv) Contingent Liability

In May 2021 TPT Retirement Solutions notified employers of a review of historic scheme benefit changes, and this review has raised legal questions regarding whether and when some historic benefit changes should take effect, the outcome of which could give rise to an increase in liabilities for some employers. The Scheme Trustee has sought clarification from the Court on these liabilities. This process is ongoing, and the matter is unlikely to be resolved before late 2024 at the earliest. As a result of this no allowance will be made for this within the accounting disclosures included in this note.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 2022

24. Related Party Transactions

Management and administration services are provided to Manor Estates Associates Limited (the subsidiary company). These costs amounted to £11,786 in the year (2021 - £13,879). In addition, management charges of £44,029 (2021 - £41,462) and lease costs of £394,129 (2021 - £393,120) have been incurred by Manor Estates Associates Limited in relation to the MMR properties.

Manor Estates Associates Limited agreed a gift aid distribution of £24,549 (2021 - £17,852) to the Association. The balance owed to Manor Estates Associates Limited by the Association at 31 March 2022 is £30,792 (2021 - £18,669 debtor) and is included in the Association's creditors note 16.

There is a proposal to receive a distribution in the form of a gift aid payment of £30,176 (2021 – £24,549) next year from Manor Estates Housing Association Limited.

25. Tenant Board Members

During the year, one of our tenant Board members resigned at our AGM in September. Both Board members have had standard tenancy agreements and were awarded their tenancies in line with best practice allocations policy. Rents charged to the two tenant Board Members during the year was £7,341 (2021 - £8,148) and the net balance outstanding from the tenant Board Member as at 31 March 2022 was £nil (2021 - £38).

26. Post Balance Sheet Event

Post year end the Association reviewed their ownership options in respect of the office property. An offer has been made, terms are in the process of being agreed but no legal contract has yet been signed
