

Molendinar Park Housing Association

19 October 2017

This Regulation Plan sets out the engagement we will have with Molendinar Park Housing Association (Molendinar Park) during the financial year 2017/18. Our regulatory framework explains more about our assessments and the purpose of this Regulation Plan.

Regulatory profile

Molendinar Park was registered in 1993. It owns and manages 581 homes and provides factoring services to 251 properties in the east end of Glasgow. It has charitable status and employs 9 members of staff. As at 31 March 2016 its turnover for the year was £2.15 million and its debt per unit was £5,140.

Engagement

In March 2017, we used our statutory powers of intervention to address a serious governance failure when Molendinar Park identified that its governing body was not constituted in accordance with its rules. We appointed four members to its governing body to address this serious risk to Molendinar Park's governance by ensuring it had a properly constituted governing body.

We have reviewed Molendinar Park's progress. It now has a properly constituted governing body and has commissioned an independent review of its governance and financial management. We have therefore decided to end our statutory appointments to the governing body. We will continue to engage with Molendinar Park on the outcomes from the independent review. Molendinar Park has co-opted four members onto the governing body to help it take forward this review and it will address any issues that are identified to ensure it meets the Regulatory Standards of Governance and Financial Management.

Our engagement with Molendinar Park Housing Association in 2017/18 – Medium

We will have medium engagement with Molendinar Park to seek assurance that it is addressing any weaknesses in its governance.

1. Molendinar Park will complete the review of its governance against the Regulatory Standards of Governance and Financial Management and we will engage with it as necessary to review the report and its actions to address any issues arising from this.
2. Molendinar Park should alert us to notifiable events and seek our consent as appropriate. It should provide us with the annual regulatory returns we review for all RSLs:
 - audited financial statements and external auditor's management letter;
 - loan portfolio return;
 - five year financial projections;
 - Annual Return on the Charter; and
 - the return on the Energy Efficiency Standard for Social Housing.

This plan will be kept under review and may be changed to reflect particular or new events. The engagement strategy set out in this plan does not restrict us from using any other form of regulatory engagement to seek additional assurance should the need arise. Our regulatory framework and other relevant statistical and performance information can be found on our website at www.scottishhousingregulator.gov.uk.
