REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

The Committee of Management present their report and audited financial statements for the year ended 31 March 2013.

Principal activity

North View Housing Association manages and maintains residential accommodation, whilst providing a high quality of service that is responsive to the needs of its tenants and residents. The Association provides housing for let at affordable rents.

North View Housing Association is registered with the Financial Conduct Authority as a Friendly Society, The Office of the Scottish Charities Regulator (OSCR) as a charity and The Scottish Regulator as a Registered Social Landlord.

Total	676	677

Financial Review

Before transfers to and from reserves there was an overall surplus of £141,286 (2012: £75,609) at the year end.

North View is in a strong financial position with £826,177 deposited as cash funds. We continue to have a substantial major repair investment programme with further replacement kitchens, bathrooms and windows due in a substantial proportion of properties over the next few years. Cash surpluses will continue to be made, subject to our planned major repair programme over the next few years.

Surplus for the year

REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

Business Review

The Association's involvement with Investors in People stretches back to February 2001. During this time we have continued to develop our business delivery processes to a level thought good enough for us this year to retain the Investor in People Silver Standard status.

2012/13 was all about new policy and procedures being put in place to ensure that we satisfy new legislation brought into force during the year.

- Our Complaints Procedure was revised to ensure compliance with guidance from the housing association's ombudsman (SPSO) and
- Registration on the Property Factors Register was completed by 1st October 2012 as required by the Property Factors (Scotland) Act 2011. We are now working to advise all owners by means of a "Statement of Services" of all services we provide and their share of common areas expenditure.

The Association carried out a Residents' Satisfaction Survey in June 2012 with over 385 tenants and owners taking part. Highlights of the survey include:-

92% of residents are satisfied with North View as a landlord.

98% of residents thought North View were good at keeping them informed about its activities and services.

83% of residents thought North View gives them the opportunity to make their views known, and 81% thought that North View listened to their views and acted on them.

93% of tenants are satisfied with the quality of services that North View provide,

Operational Review

Welfare Rights Service

97% of tenants are satisfied with our Welfare Rights service. (Survey 2012)

This is such an important service for our tenants that North View, in light of the forthcoming Welfare Reform, took the decision to employ a full time Welfare Rights Officer (WRO). Although the service has only been up and running for 5 months there has been a constant flow of tenants making use of the service. During this time the WRO has had contact with 403 people and has dealt with 127 claims etc on behalf of tenants.

Staffing

93% of residents are satisfied with the customer care provided when they contact the office by telephone and 92% satisfied with the customer care provided when they visit the office.(Survey 2012)

Through our Investor in People accreditation, we continue to develop and strengthen our ethos and processes towards training and development of our staff. We are committed to this ethos. We hold the view that a well trained staff will be able to do their job better, and therefore deliver a better service to tenants.

REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

Housing Management

North View has a good performance record on the time taken to re-let our properties, however we are never complacent and staff work diligently to ensure that we maximise our rental income, reduce costs and house people in need.

Rent loss due to void properties was £9,649 (2012 - £8,453). Our internal target of "Void loss not more than 0.3% of rental income" was not met as the void loss was 0.38%. This figure includes a property which was under major repair for 67 days during the year. The average time taken to relet a property was 15 days (2012 - 11.4 days). Our target of 8 days was not met due to various factors. During the year 11 properties were handed back due to death of the tenant which delayed considerably the relet time as the Association allow 14 days for the family to clear out the property.

All the factors noted have had a significant impact on our ability to turn around the properties quickly and have also resulted in an increase in void loss.

Current tenant arrears at the year-end represent 3.35% of the total rental income for the year (2012 - 2.71%). Our target of 3% was not met despite the efforts of the Housing Management team.

Property Maintenance

86% of residents are satisfied with the Repairs service provided by us. (Survey 2012)

The Repair service and Modernising tenant's homes came top in terms of what service was most important to residents.

The Association continues to meet all targets set, for completion of works orders within timescale.

Total no of works orders issued in 2012/13 - 4,496

Emergency 1,232 issued-96.1% completed within 24 hours - Target 95% Urgent 782 issued -95.2% completed within 3 days - Target 90% Routine 2,482 issued -94.5% completed within 10 days - Target 90%

It was again a particularly busy year in Maintenance with the upgrading of the electric central heating system or Gas boilers in 44 homes and the replacement of bathroom suites in 20 properties.

Our "In House" trades' team replaced kitchen units and worktops in 47 tenants' homes, replaced windows in 16 properties and front/back doors in 64 properties.

Wider Role

Our Annual Summer Coach Trip for residents and visit to M & D Theme Park for the under 15 years were very well attended and thoroughly enjoyed by all. We also participated in the Castlemilk Family Day which proved to be a fun packed day with the sun shining brightly.

REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

Treasury Management

The Association has an active treasury management function, which operates in accordance with the Treasury Policy approved by the Committee of Management. In this way the Association manages its borrowing arrangements to ensure that it is always in a position to meet its financial obligations as they fall due, whilst minimising excess cash and liquid resources held. At 31 March 2013 North View is funding £7.522m (2012 - £7.687m) of development expenditure.

North View, as a matter of policy, does not enter into transactions of a speculative nature. Our loan portfolio gives the Association fixed rate loans at very favourable rates.

Maintenance Policies

The Association seeks to maintain its properties to the highest standard. To this end, programmes of cyclical repairs are carried out in the medium term to deal with the gradual and predictable deterioration of building components. It is expected that the cost of all these repairs would be charged to the Income and Expenditure account.

In addition, the Association has a long-term programme of major repairs to cover for works which have become necessary since the original development was completed, including works required by subsequent legislative changes. This includes replacement or repairs to features of the properties, which have come to the end of their economic lives. In line with the SORP 2010, replacements to building components (as identified in Note 1) are capitalised in the accounts as they occur. All other major repairs are charged to the Income and Expenditure account.

Credit Payment Policy

The Association's policy concerning the payment of its trade creditors complies with the Confederation of British Industry guidelines. The average payment period is thirty days (2012: thirty days).

Future Developments

The Association intends to continue with its policy of improving the quality of housing within its area of operation.

Budgetary Process

Each year the Committee of Management approve the annual budget and rolling 5 year strategic plan. Key risk areas are identified. Performance is monitored and relevant action taken throughout the year through quarterly reporting to the Finance Sub Committee of variances from the budget, updated forecasts for the year together with information on the key risk areas. Approval procedures are in place in respect of major areas of risk such as major contract tenders, expenditure and treasury management.

REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

Quality and Integrity of Personnel

The integrity and competence of personnel are ensured through high recruitment standards and subsequent training courses. High quality personnel are seen as an essential part of the control environment and the ethical standards expected are communicated through the Director.

General Reserves Policy

The Committee members have reviewed the reserves of North View. This review encompassed the nature of the income and expenditure streams, the need to match variable income with fixed commitments and the nature of the reserves. North View will be applying measures to rebuild the reserve to a position to cover 1 year's total general expenditure.

Sales of housing properties

Properties are disposed of under the appropriate legislation and guidance. All costs, first tranche sales, and grants relating to the share of property sold are removed from the financial statements at the date of sale. Any grants received that cannot be repaid from the proceeds of sale are abated and the grants removed from the financial statements.

Employee Involvement and Health and Safety

North View takes seriously its responsibilities to employees and as a policy, provides employees with information on matters of concern to them. It is also the policy of the Association to consult, where practical, employees or their representatives so that their views may be taken into account in making decisions likely to affect their interests.

Disabled Employees

Applications for employment by disabled persons are given full and fair consideration for all vacancies in accordance with their particular aptitudes and abilities. In the event of employees becoming disabled, every effort is made to retrain them in order that their employment with the Association may continue.

It is the policy of the Association that training, career development and promotion opportunities should be available to all employees.

Committee and Officers' Insurance

North View has purchased and maintains insurance to cover its Committee and officers against liabilities in relation to their duties on behalf of North View, as authorised by the Association's rules.

Home Ownership

In 2003, Communities Scotland with funding from the Scottish Executive, launched a Mortgage to Rent scheme, aimed at helping those under threat of repossession as a result of mortgage arrears. The Association is committed to the scheme, which allows the owner to become a tenant, avoiding the upheaval of removing families from their existing support networks, and the costs of housing homeless families. The Association has not processed any mortgage to rent purchases as yet.

One property was sold under right to buy in the year 2012/13.

REPORT OF THE COMMITTEE OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2013

Going Concern

The Committee of Management has reviewed the results for this year and has also reviewed the projections for the next five years. It, therefore, has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, the going concern basis has been adopted in these financial statements.

Committee of Management

The Members of the Committee of the Association during the year to 31 March 2013 were as follows:

Wilma McCubbin	Chairperson	William Hamilton	Member

STATEMENT OF COMMITTEE RESPONSIBILITIES

YEAR ENDED 31 MARCH 2013

The Committee of Management is responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Under the legislation relating to Industrial and Provident Societies the Committee of Management are required to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association of that period. In preparing those financial statements the Committee of Management are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the RSL SORP;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Committee of Management is also responsible for:

- keeping proper accounting records that disclose with reasonable accuracy at any time the
 financial position of the RSL and enable them to ensure that the financial statements comply
 with the Industrial and Provident Societies Act 1965 to 2002, the Housing (Scotland) Act 2010
 and the Determination of Accounting Requirement April 2012;
- · safeguarding the Association's assets; and
- taking reasonable steps for the prevention and detection of fraud.

As far as the Committee members are aware there is no relevant audit information of which the auditors are unaware and the Committee members have taken all the steps they ought to have taken to make themselves aware of any relevant audit information and to ensure that the auditors are aware of any such information.

COMMITTEE OF MANAGEMENT'S STATEMENT ON INTERNAL FINANCIAL CONTROL

YEAR ENDED 31 MARCH 2013

The Committee of Management acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association or for publication
- the maintenance of proper accounting records; and
- the safeguarding of assets (against unauthorised use or disposition).

It is the Committee of Management's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements include ensuring that:

- formal policies and procedures are in place, including the documentation of key systems and rules relating to the delegation of authorities, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets.
- experienced and suitably qualified staff take responsibility for important business functions. Annual appraisal procedures have been established to maintain standards of performance.
- forecasts and budgets are prepared regularly which allow the Committee of Management and staff to monitor the key business risks and financial objectives, and progress towards financial plans set for the year and the medium term; regular management accounts are prepared promptly, providing relevant, reliable and up-to-date financial and other information and significant variances from budgets are investigated as appropriate.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through relevant sub-committees comprising Committee of Management members and others.
- the Committee of Management review reports from management, from directors, staff and from internal and the external auditors to provide reasonable assurance that control procedures are in place and are being followed. This includes a general review of the major risks facing the Association.
- there is a continuing programme of internal audit work, undertaken by a firm of Chartered Accountants, to review the effectiveness of the system of internal financial control.
- formal procedures have been established for instituting appropriate action to correct weaknesses identified from the above reports.

COMMITTEE OF MANAGEMENT'S STATEMENT ON INTERNAL FINANCIAL CONTROL

YEAR ENDED 31 MARCH 2013 (CONTINUED)

The Committee of Management have reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2013 and until the below date. No weaknesses were found in internal financial controls, which could result in material losses, contingencies, or uncertainties, which require disclosure in the financial statements, or in the auditors' report on the financial statements.

NORTH VIEW HOUSING ASSOCIATION LIMITED AUDITORS' REPORT TO THE MEMBERS OF NORTH VIEW HOUSING ASSOCIATION LIMITED

We have audited the financial statements of North View Housing Association for the year ended 31 March 2013 on pages 11 to 32. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members as a body, in accordance with section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Committee and auditor

As explained more fully in the Committee's Responsibilities Statement set out on page 7, the Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org,uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2013 and of its income and expenditure for the year then ended; and
- have been prepared in accordance with the requirements of the Industrial and Provident Societies Acts 1965 to 2002, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirement April 2012.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Industrial and Provident Societies Acts 1965 to 2002 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2013

1. Accounting Policies

The Association is incorporated under the Industrial and Provident Societies Act 1965 and is registered by The Financial Services Authority. These financial statements are based on the Determination of Accounting Order – April 2012 and the Statement of Recommended Practice "Accounting by Registered Social Housing Providers Update 2010" and comply with relevant accounting standards.

1.1 Basis of Accounting

The financial statements are prepared under the historical cost convention.

1.2 Turnover

Turnover relates to the income from the letting of properties at affordable rents, service charges and the supply of feuing services, together with revenue grants from grant awarding bodies, local authorities and other organisations.

1.3 Housing Association Grant

The amount of Housing Association Grant is calculated on the qualifying costs of a scheme in accordance with instructions issued by the grant awarding body. The grant is paid directly to the Association in order to meet liabilities during the development process. Housing Association Grants are repayable under certain circumstances, primarily following the sale of the property and are restricted to the net proceeds of the sale.

1.4 Fixed Assets – Housing Land and Buildings

Housing land and buildings are stated at cost less Housing Association Grant (HAG). The development of housing land and buildings include the following:

- (i) cost of acquiring land and buildings
- (ii) development expenditure
- (iii) acquisition and development allowances receivable.
- (iv) interest on development loans up to the date of completion

All invoices and certificates relating to capital expenditure incurred in the period are included in the financial statements for the period, provided that the date of issue or valuation are prior to the period-end.

1.5 **Depreciation**

i) Housing Land and Buildings

Housing Properties are stated at cost, less social housing and other public grants and less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of each major component that makes up the housing property as follows;

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2013 (Continued)

Land	Not depreciated
Structure	Over 60 years
Component - Kitchen	Over 15 years
Component - Window	Over 25 years
Component - Heating	Over 30 years
Component - Boiler	Over 15 years
Component – Bathroom	Over 25 years
Component – Doors	Over 25 years

ii) Other Fixed Assets

Depreciation is charged by equal annual instalments at rates estimated to write off costs less any residual value over their expected useful lives. The following rates have been used:

Fixtures, fittings and equipment – 20% straight line Motor Vehicles – 35% straight line Office Property – 2% straight line

1.6 Pensions

The Association participates in the centralised SFHA Defined Benefit Pension Scheme and retirement benefits to employees of the Association are funded by contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

The expected cost to the Association of pensions is charged to the Income and Expenditure Account so as to spread the cost of pensions over the service lives of the employees.

1.7 Designated Reserves

Reserves for major repairs

Accrued major repairs expenditure, being the Association's commitment to undertake major repairs to its properties is set aside in a designated reserve to the extent that it is not met from HAG.

Furniture replacement reserve

The Association has furnished properties. Included within the service charge for these properties is an element relating to the replacement of furniture. The income arising in the year has been set aside in a designated reserve to meet the costs of future furniture replacement.

Cyclical repairs reserve

The reserve represents amounts set aside in respect of an estimate of future costs and will be released to the Income and Expenditure as required.

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2013 (Continued)

Rent Reserve - Youth Project

The reserve represents amounts set aside to meet any costs which may arise in sustaining tenancies of properties which were granted to youths.

Scottish Homes

The reserve has been designated to meet any costs associated with communal areas which require upgrading within Windlaw. This amount was received from Scottish Homes when the Association took over Feu Superiority.

1.8 Consolidation

The Association and its subsidiary undertaking comprise a group. The Financial Services Authority has granted exemption from preparing group accounts. The accounts represent the results of the Association and not of the group.

1.9 Impairment of fixed assets

Reviews for impairment of housing properties are carried out on an annual basis and any impairment in an income-generating unit is recognised by a charge to the income and expenditure account. Impairment is recognised where the carrying value of an incomegenerating unit exceeds the higher of its net realisable value or its value in use. Value in use represents the net present value of expected future cash flows from these units.

Impairment of assets would be recognised in the income and expenditure account.

1.10 Improvements

In previous years, improvements are capitalised where these result in an enhancement of the economic benefits of the property. Such enhancement can occur if the improvements result in:-

- an increase in rental income, or
- a material reduction in future maintenance costs, or
- a significant extension to the life of the property.

Works to existing properties, which fail to meet the above criteria, are charged to the income and expenditure account.

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2013 (Continued)

1.11 Sale of housing properties

Properties are disposed of under the appropriate legislation and guidance. All costs and grants relating to the share of property sold are removed from the financial statements at the date of sale.

1.12 Management of Liquid Resources

Cash and cash equivalents comprise cash on hand and in deposit and are subject to an insignificant risk of change in value.

1.13 Work in Progress

Work in Progress represents net sums spent to date on Shared Equity properties. No element of profit is included in the valuation of work in progress. Properties are valued at the lower of cost and net realisable value. Cost comprises material, direct labour and direct development overheads. Net realisable value is based on estimated sales price after allowing for all further costs of completion and disposal.

18. Pension Fund

North View Housing Association Limited participates in the SFHA Pension Scheme (the "Scheme"). The Scheme is funded and is contracted out of the State Pension scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed at 30 September 2009 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets as at the valuation date was £295 million. The valuation showed a shortfall of assets compared to liabilities of £160 million, equivalent to a past service funding level of 64.8%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2011. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £341 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £207 million, equivalent to a past service funding level of 62.2%

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

18. Pension Fund (continued)

North View Housing Association Limited has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the SFHA Scheme based on the financial position of the Scheme as at 30 September 2012. As of this date the estimated employer debt for North View Housing Association Limited was £1,041,565.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate.
- Career average revalued earnings with a 1/60th accrual rate.
- Career average revalued earnings with a 1/70th accrual rate.
- Career average revalued earnings with a 1/80th accrual rate.
- Career average revalued earnings with a 1/120th accrual rate, contracted in.

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

North View Housing Association Limited has elected to operate the Benefit option for active members as at 1 April 2011 and the same benefit structure for any new entrants

During the accounting period North View Housing Association Limited paid contributions at the rate of 9.6% of pensionable salaries. Member contributions were 9.6%.

As at the balance sheet date there were ten active members of the Scheme employed by North View Housing Association Limited. The annual pensionable payroll in respect of these members was £250,545.09.

North View Housing Association Limited continues to offer membership of the Scheme to its employees
