### Our engagement with Paisley South – Medium

1. We will review our engagement with Paisley South once the on site inquiry work has concluded.
2. Paisley South should alert us to notifiable events and seek our consent as appropriate. It should provide us with the annual regulatory returns we review for all RSLs:
  - audited annual accounts and external auditor's management letter;
  - loan portfolio return;
  - five year financial projections; and
  - annual performance and statistical return.

This plan will be kept under review and may be changed to reflect particular or new events. The engagement strategy set out in this plan does not restrict us from using any other form of regulatory engagement to seek additional assurance should the need arise.
