REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

G12 8AN

G2 5HS

The Board of Management presents their report and audited financial statements for the year ended 31 March 2023.

Legal Status

The Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefit Society (No.1824 R (S)), the Scottish Housing Regulator as a registered social landlord (No. HAL 168) and as a registered Scottish Charity with the charity number SC033751.

Principal Activity

The principal activities of the Association are the provision and management of affordable rented accommodation.

Financial Review

It has been a strong year in terms of operational performance and the Association continues with its investment programme in its housing stock and new housing supply projects, spending £3.3m in this area during the financial year.

Accounting Policies

The Association's accounting policies comply with UK Generally Accepted Accounting Principles. The major accounting policies in terms of impact on the financial statements are the treatment of capital grants and the calculation of housing property depreciation.

Treasury Policy

The treasury function manages the Association's financial resources to ensure it can meet its financial obligations as they fall due.

Net cash inflow during the year amounted to £261,068 (2022: £50,832 outflow), details of which are shown in the cash flow statement. Cash inflows included £4.2m from operating activities and £2.9m of social housing grants received. Cash outflows included £3.3m on developments and housing improvements. Total debt decreased in the year from £17.7m to £14.4m. The Association currently has a revolving credit facility of £18m with the Clydesdale Bank of which £0.5m was drawn down at 31 March 2023. It also has a £13m bond from Allia C&C which is a 15 year fixed deal repayable in full in 2034 together with rolled up interest charged at 2.74% pa.

The Association continues to apply its Treasury Management policy to maximise the resources available to it and is confident that it will continue to be able to access loan facilities when required.

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Revenue

Total revenue increased in the year by £785k to £9.41m. Gross income from social rents and service charges increased in the year by 4.1% to £8.29m mainly due to increased net rental income of £329k, and voids amounted to £27k (0.3% of gross income). Revenue grants for social letting activities decreased in the year by £14k to £102k. Grants released from deferred income (HAG) increased by £176k due to additional grant being amortised for the new build development at Mansfield Gate. Non-social housing income increased by £294k to £690k, mainly due to grant income for the Food and Fuel Project of £170k, additional MMR lease income of £67k and the gift aid receipt from the subsidiary this year of £191k (2022: £111k).

Operating Costs

Operating costs decreased in the year by 26% (£2.32m) to £6.65m. This decrease relates to the change in the impairment charges relating to the exceptional costs incurred following delays at the development on the site of the former St Peter's school. A reduction in impairment of £0.67m was processed this year relating to the impact of additional HAG received, while a charge of £2.47m was processed last year. Housing reactive maintenance costs increased by 39% to £1.62m reflecting the increasing cost of this service and the full year impact of Covid-19 lockdown restrictions being removed. Planned and cyclical maintenance costs also increased in the year by 3% to £836k. Housing depreciation decreased by 13% to £1.93m due to one-off costs being processed in 2021/22 relating to the Purdon Street development. The Association's interest cover for the year was 596% (2022: 226%).

Statement of Financial Position (Balance Sheet)

The net worth of the Association increased in the year by $\pounds 1.62m$ to $\pounds 45.4m$ represented by revenue reserves of $\pounds 45.92m$, pension reserve of $(\pounds 0.52m)$ and issued share capital of $\pounds 103$.

Surplus for the year and transfers

The results for the year are shown in the Statement of Comprehensive Income on page 17. The total comprehensive income for the year of £1.621m (2022: (£26k)) has been transferred to revenue reserves.

Operational Review

During the year the Association completed the new housing supply project at Mansfield Gate providing 39 new homes for social rent (including 8 units for supported accommodation) and 21 mid-market rent properties. We have continued to improve our existing homes spending £0.56m on kitchens, bathrooms, central heating and windows during the year and £2.45m on planned, cyclical and reactive maintenance. Following a stock condition survey in 2021/22, the Association continues to plan the investment that will be required in our stock in the next 5 years to ensure continuing compliance with the Scottish Housing Quality Standard (SHQS) and Energy Efficiency Standard for Social Housing (EESSH/EESSH2).

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Corporate Governance

The Association is the charitable parent of the group and has a clear and separate identity. The members of the group are:

Company Name	Activity
Partick Housing Association Limited	Provision of affordable rented accommodation
Partick Works Limited	Factoring, rental of mid-market and commercial properties

Partick Works Limited is a wholly owned subsidiary of Partick Housing Association Limited. Our governing body is our Board of Management, which is elected by and is responsible to the wider share membership. Board members, who serve in a voluntary capacity, are responsible for determining the overall direction of the Association, its strategy and policies. The Board exercises effective control over our activities and makes decisions in the best interests of the organisation and its service users. Standards of service delivery are set and monitored through regular reporting.

The Association exercises high standards of governance, monitoring and reviewing its governance policies and processes routinely. It undertakes regular self-assessment of its performance, seeks assurance and ensures that it has the right mix of skills and expertise to meet its responsibilities. The Association operates to high ethical standards and conducts its business in accordance with its Code of Conduct. The Leadership Team is responsible for delivering the strategy set by the Board and undertakes operational activities in line with the policies set. This report details issues that have arisen during the year relating to the main activities undertaken by Partick Housing Association Limited.

Corporate Issues

Engagement with our service users is part of the Association's aims and objectives, as set out in its Customer Engagement Strategy.

The Association is committed to engaging stakeholders in the development of its business planning and ensuring that people have the necessary skills and knowledge to deliver our business objectives.

Best use of resources

The Association has robust risk management processes in place to mitigate risk and consider its risk appetite. It has rolling programmes of major investment in its housing stock and uses updated stock condition information so that its long-term financial planning reflects its future investment requirements. The Association has a Value For Money Strategy and looks for efficiencies and best value in the way that it carries out business processes.

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Services

The Association aims to deliver quality services and pursue continuous improvement. It continues to upgrade its housing stock by investing in a major component replacement programme, along with the day to day reactive repairs and cyclical maintenance work, as well as adaptations to meet particular needs.

The Association's focus on effective arrears management continues, with a clear commitment to maximising income while promoting tenancy sustainment.

Risk Management

The Board has a formal risk management process in place to assess business risks, consider risk appetite and implement effective risk management strategies. This involves identifying the types of risks the Association faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks. As part of this process the Board has reviewed the adequacy of the Association's current internal controls. Accordingly, they have set policies on internal controls which cover the following:

- consideration of the types of risk the Association faces;
- consideration of risk appetite and the level of risks which they regard as acceptable;
- the likelihood of the risks materialising;
- the Association's ability to reduce the incidence and impact on the business of risks that do materialise and the costs of operating particular controls relative to the benefit obtained;
- clarification of the responsibility of management to implement the Board's policies and to identify and evaluate risks for their consideration;
- communication that employees have responsibility for internal control as part of their accountability for achieving objectives;
- embedding the control system in the Association's operations so that it becomes part of the culture of the Association;
- developing systems to respond quickly to evolving risks arising from factors within the Association to changes in the external environment; and
- including procedures for reporting failings immediately to appropriate levels of management and the Board together with details of corrective action being undertaken.

Credit Payment

The Association's policy concerning the payment of its trade creditors complies with the Confederation of British Industry guidelines. The average payment period is thirty days.

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Maintenance policies

The Association seeks to maintain its properties to a modern standard, including day to day repairs and cyclical maintenance to deal with the gradual wear and tear of building components. It is expected that the cost of all these repairs would be charged to the Statement of Comprehensive Income.

In addition, the Association has a long-term programme of major repairs to replace components which have come to the end of their useful lives or to update standards as a result of legislative or regulatory changes. The cost of these repairs would be charged to the Statement of Comprehensive Income, unless it was agreed they could be capitalised within the terms outlined in the SORP.

Treasury Management

The Association has an active treasury management function, which operates in accordance with the Treasury Management Policy approved by the Board. In this way the Association manages its borrowing arrangements to ensure that it is always in a position to meet its financial obligations as they fall due, whilst minimising excess cash and liquid resources held.

Employee Engagement and Health & Safety

The Association facilitates employee engagement in service delivery and planning, and maintains Health & Safety standards as required.

Quality and Integrity of Personnel

The integrity and competence of human resources are ensured through robust recruitment standards and subsequent training and development. Effective and professional staff are an essential part of the control environment and the standards set out in policies, which are communicated to all by the Chief Executive and wider Leadership Team.

Investment Appraisal

Capital expenditure is regulated by budgetary process and authorisation levels. For expenditure beyond specified levels, detailed written proposals have to be submitted to the Board. Reviews are carried out during major development projects, to monitor expenditure and performance and a final review is carried out upon completion of each such project to determine if any revisions are required to our process having reflected on any lessons learned.

Budgetary Process

Each year the Board approves the annual budget and strategic priorities. Key risk areas are identified. Performance is monitored and relevant action taken throughout the year through quarterly reporting to the Board of Management of variances from the budget, updated forecasts for the year, together with information

on the key risk areas. Approval procedures are in place in respect of major areas of risk such as major contract tenders, expenditure and treasury management.

PARTICK HOUSING ASSOCIATION LIMITED

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Rental income

The Association's Rent Setting & Service Charge Policy uses a points system reflecting the size, type and facilities of the accommodation. Between April 2018 and March 2022 the Board agreed to implement a phased restructuring of the rent setting process to ensure that the rent charged is affordable, equitable, transparent, consistent and reasonable within the context of the local housing market. Rents were increased on 1 April 2023 by an average of 7%, which was 3.1% below the reference point CPI rate at September 2022 (10.1%).

General Reserves Policy

The Board members have reviewed the reserves of the Association. This review encompassed the nature of the income and expenditure streams, the need to match variable income with fixed commitments and the nature of the reserves. The Board is satisfied that the Association has a sufficient level of reserves to meet future commitments. During the year the Association's general reserve increased from £44.01m to \pounds 45.92m.

Home ownership

Properties are disposed of under the appropriate legislation and guidance. All costs, first tranche sales, and grants relating to the share of property sold are removed from the financial statements at the date of sale. Any grants received that cannot be repaid from the proceeds of sale are abated and the grants removed from the financial statements. No properties have been sold under the Right to Buy since 2017 due to changes in legislation. One shared equity property tranche of 50% was purchased for £88k in the year 2022/23.

New Housing Supply

During the year the Association completed its the new housing supply project on the site of the former St Peters school on Chancellor Street, sometimes referred to as Mansfield Gate, providing 39 homes for social rent (including 8 supported accommodation units) and 21 homes for mid-market rental.

The Association is currently exploring further potential new housing supply opportunities and plans to build a further 122 units over the next 4 to 5 years.

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Board and Executive Officers

The members of the Board and the Executive officers are listed on page 1.

Each member of the Board holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of directors, they act as executives within the authority delegated by the Board.

The members of the Board are also trustees of the charity. Members of the Board are appointed by the members at the Association's Annual General Meeting.

Statement of Board of Management's Responsibilities

The Co-operative and Community Benefit Societies Act 2014 requires the Board to prepare Financial Statements for each financial year which give a true and fair view of affairs of the Association and of the surplus or deficit for that period. In preparing those financial statements, the Board is required to:

- select suitable accounting policies and apply them consistently;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business; and
- prepare a Statement on Internal Financial Control.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2019. They are responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. They are also responsible for ensuring the Association's suppliers are paid promptly.

Going Concern

Based on its budgetary and forecasting processes the Board has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future; therefore, it continues to adopt the going concern basis of accounting in preparing the annual financial statements.

REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

Statement on Internal Financial Control

The Board acknowledges their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate to the various business environments in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association or for publication;
- the maintenance of proper accounting records; and
- the safeguarding of assets against unauthorised use or disposition.

It is the Board's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the Leadership Team and the Board to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Board;
- the Board receives reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken; and
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Board has reviewed the system of internal financial control in the Association during the year ended 31 March 2023. No weaknesses were found in internal financial controls which could result in material losses, contingencies, or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

REPORT OF THE BOARD OF MANAGEMENT

FOR THE YEAR ENDED 31 MARCH 2023

Donations

During the year the Association made charitable donations of £691 (2022 - £600).

Disclosure of Information to the Auditor

The members of the Board at the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant information of which the auditors are unaware. They confirm that they have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors.

Auditor

A resolution to reappoint the Auditors, Alexander Sloan, Accountants and Business Advisers, will be proposed at the Annual General Meeting.

By order of the Board of Management

S MacKenzie: Secretary

Date: 23 August 2023

REPORT BY THE AUDITORS TO THE MEMBERS OF PARTICK HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANACE MATTERS

In addition to our audit of the financial statements, we have reviewed your statement on page 9 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement of Internal Financial Control on page 9 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain members of the Board and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Board's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

ALEXANDER SLOAN Accountants and Business Advisers Statutory Auditors GLASGOW 23 August 2023

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PARTICK HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of Partick Housing Association ('the Association') for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable

in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2019.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PARTICK HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Other information

The Association is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- Proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- A satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- The Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- We have not received all the information and explanations we require for our audit.

Responsibilities of the Board

As explained more fully in the Statement of the Board's Responsibilities as set out on Page 8, the Board are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PARTICK HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The extent to which the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we gained an understanding of the legal and regulatory framework applicable to the Association through discussions with management, and from our wider knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the Association, including the Co-operative and Community Benefit Societies Act 2014 (and related regulations), the Housing (Scotland) Act 2010 and other laws and regulations applicable to a registered social housing provider in Scotland. We also considered the risks of non-compliance with the other requirements imposed by the Scottish Housing Regulator and we considered the extent to which non-compliance might have a material effect on the financial statements.
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PARTICK HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

The extent to which the audit was considered capable of detecting irregularities including fraud (Contd.)

To address the risk of fraud through management bias and override of controls, we:

- · performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reviewing the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims;
- · reviewing the Association's Assurance Statement and associated supporting information; and
- reviewing correspondence with the Scottish Housing Regulator.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the Directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. The description forms part of our audit report.

Use of our Report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Cooperative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance and Basis of Accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2019. They comply with the Determination of Accounting Requirements 2019. A summary of the principal accounting policies is set out below.

Revenue

Revenue comprises rental and service charge income receivable in the period, income from shared ownership first tranche sales, sales of properties built for sale, other services provided, revenue grants receivable and government grants released to income in the period.

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government grants are released to income over the expected useful life of the asset to which they relate. Revenue grants are receivable when the conditions for receipt of the agreed grant funding have been met.

Retirement Benefits

The Association participates in the Scottish Housing Association Pension Scheme (SHAPS) a multiemployer defined benefit scheme. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

Going Concern

On the basis that the Board of Management has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future, the Association has adopted the going concern basis of accounting in preparing these financial statements.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Housing Properties

Housing properties are held for the provision of social housing. Housing properties are stated at cost less accumulated depreciation and impairment losses. Cost includes acquisition of land and buildings and development cost. The Association depreciates housing properties over the useful life of each major component. Housing under construction and land are not depreciated.

Component	Useful Economic Life
Land	Not Depreciated
Structure	Over 50 years
Windows	Over 30 years
Central Heating System	Over 15 years
Bathroom	Over 25 Years
Kitchen	Over 15 Years

Depreciation and Impairment of Other Tangible Assets

Non-current assets are stated at cost less accumulated depreciation. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Office Premises	2%
Furniture and Fittings	25%
Computer Equipment	25%

The carrying values of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grants and Other Capital Grants

Social housing grants and other capital grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social housing grant attributed to individual components is written off to the statement of comprehensive income when these components are replaced.

Although social housing grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche shared ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the statement of recommended practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the statement of comprehensive income.

Disposals under shared equity schemes are accounted for in the statement of comprehensive income. The remaining equity in the property is treated as a non-current asset investment, which is matched with the grant received.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Taxation

The Association is a Scottish Charity and is not liable to taxation on its charitable activities.

Leases

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives or the term of the lease whichever is shorter.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property, a material reduction in future maintenance costs, or a significant extension of the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to ongoing development activities are capitalised.

Property Development Cost

The proportion of the development cost of shared ownership properties expected to be disposed of as a first tranche sale is held in current assets until it is disposed of. The remaining part of the development cost is treated as a non-current asset. Surpluses made on the disposal of first tranche sales are taken to the Statement of Comprehensive Income.

Property developments that are intended for resale are included in current assets until disposal.

Housing Property Managed By Agents

Where a third party manages the Association's housing property the accounting treatment reflects the substance of the transactions. The property is only excluded if the rights and obligations associated with the scheme has been transferred to the third party.

Value Added Tax

The Association is VAT registered. Hpwever a large proportion of the income, namely rents, is exempt from VAT purposes and therefore gives rise to a partial exemption calculation. Expenditure as a result is shown inclusive of VAT,

Consolidation

The Association has obtained exemption from the Financial Conduct Authority from producing Consolidated Financial Statements as provided by Section 14(2A) of the Friendly and Industrial and Provident Societies Act 1968. The financial statements for Partick Housing Association Limited present information about it as an individual undertaking and not about the group.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

Cash and Liquid Resources

Cash comprises cash at bank and in hand, deposits repayable on demand less overdrafts. Liquid resources are current asset investments that can't be disposed of without penalty and are readily convertible into amounts of cash at their carrying value.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Impairment

The Association assesses at the end of each accounting period whether there are indications that a noncurrent asset may be impaired or that an impairment loss previously recognised has fully or partially reversed.

Where the carrying value of non-current assets is less that their recoverable amounts the shortfall is recognised as an impairment loss in the Statement of Comprehensive Income. The recoverable amount is the higher of the fair value less costs to sell and value-in-use of the asset based on its service potential.

Impairment losses previously recognised are reversed if the reasons for the impairment loss have ceased to apply. Reversals of impairment losses are recognised in the Statement of Comprehensive Income.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Key Judgements and estimates made in the application of Accounting Policies

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the Association to exercise judgement in applying the it's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

Key Judgements

a) Categorisation of Housing Properties

In the judgement of the Board of Management the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Board of Management considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Pension Liability

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. The Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Association and has therefore adopted this valuation method. The Association was informed in May 2022 that the pension liabilities could be higher. No adjustment has been made for this and more details of the circumstances are provided in note 30.

Estimation Uncertainty

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

d) Costs of shared ownership

The Association allocates costs to shared ownership properties on a percentage basis split across the number of properties the Association owns.

e) Defined pension liability

In determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds.

f) Allocation of share of assets and liabilities for multi employer schemes

Judgements in respect of the assets and liabilities to be recognised are based upon source information provided by administrators of the multi employer pension schemes and estimations perfomed by the Pensions Trust in respect of the scottish Housing Association Pension Scheme.

Amounts capitalised Amounts charged to the statement of	253,102	-	1,039,749	-
comprehensive income	-	2,454,660	-	1,971,956

The Association doesn't capitalise development administration costs. All land and housing properties are heritable.

The Clydesdale Bank has standard securities over Housing Property with a carrying value of £45,470,000 (2022 - £45,470,000). In August 2019 the Association secured bond financing in the amount of £13m with Allia C&C. No standard securities are required for the bond but the Association has to guarantee that 130% of the outstanding loan amount is covered by unencumbered housing properties at any time.

The depreciation charge on housing properties as shown above differs from that per Note 3 due to reallocation of MMR costs amounting to £299,652

20. RETIREMENT BENEFIT OBLIGATIONS

Scottish Housing Association Pension Scheme

Partick Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pensions schemes in the UK.

The last valuation of the Scheme was performed as at 30 September 2021 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £1,173m. The valuation revealed a shortfall of assets compared with the value of liabilities of £27m (equivalent to a past service funding level of 98%).

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal, then the liability of the withdrawing employer is reapportioned amongst the remaining employers. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

Present values of defined benefit obligation, fair value of assets and defined benefit asset / (liability)

	2023	2022	2021
	£	£	£
Fair value of plan assets	9,095,000	13,370,000	13,143,000
Present value of defined benefit obligation	9,612,000	13,600,000	14,579,000
Surplus / (deficit) in plan Unrecognised surplus	(517,000) -	(2 30,000) -	(1,436,000)
Defined benefit asset / (liability) to be recognised	(517,000)	(230,000)	(1,436,000)

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

20. RETIREMENT BENEFIT OBLIGATIONS (continued)

The Growth Plan (Former Employees Only)

The Association participates in the scheme, a multi-employer scheme which provides benefits to some 638 non-associated participating employers.

The scheme is a defined benefit scheme in the UK. It is not possible for the company to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK. The scheme is classified as a 'last-man standing arrangement'. Therefore the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out at 30 September 2020. This valuation showed assets of £800.3m, liabilities of £831.9m and a deficit of £31.6m. To eliminate this funding shortfall, the Trustee has asked the participating employers to pay additional contributions to the scheme.

Only a small number of Partick Housing Association's Staff were in the growth scheme and the Association's share of the deficit is £559, down from £876 at the beginning of the year. The Association pays a small additional deficit payment each year and will continue to do so until the deficit is eliminated which it is estimated could take up to 2 years.

26. DETAILS OF ASSOCIATION

The Association is a Registered Society registered with the Financial Conduct Authority and is domiciled in Scotland.

The Association's principal place of business is 10 Mansfield Street, Glasgow, G11 5QP.

The Association is a Registered Social Landlord and Scottish Charity that owns and manages social housing property in the West End of Glasgow.

27. BOARD OF MANAGEMENT MEMBER EMOLUMENTS

Board of Management members received £nil (2022 - £nil) in the year by way of reimbursement of expenses. No remuneration is paid to Board of Management members in respect of their duties to the Association.

28. HOUSING STOCK

The number of units of accommodation in management at the year end was:-	2023 No.	2022 No.
General needs Shared ownership Other Property type	1,798 12 93	1,766 13 64
	1,903	1,843
The number of units owned by the association and managed on behalf of the Association by Partick Works Limited was:		
Mid Market Rents	60	40

29. RELATED PARTY TRANSACTIONS

Members of the Board of Management are related parties of the Association as defined by Financial Reporting Standard 102.

Any transactions between the Association and any entity with which a Board of Management member has a connection with is made at arm's length and is under normal commercial terms.

Transactions with Board of Management members (and their close family) were as follows:

	2023	2022
	£	£
Rent received from tenants on the Board of Management and		
their close family members	8,465	9,105
Factoring charges received from factored owners on the Board of		
Management and their close family members	1,108	2,066

At the year end total rent arrears owed by the tenant members on the Board of Management (and their close family) were £Nil (2022 - £Nil).

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

29 RELATED PARTY TRANSACTIONS (continued)

At the year end total factoring arrears owed by owner occupiers on the Board of Management (and their close family) were $\pounds 0$ (2022 - $\pounds 0$).

Members of the Board of Management who are tenants	2	3
authority employees	-	1

During the year Partick Works Limited paid funds to the Association. The following related party transactions took place during the year:

The Association charged lease payments amounting to £335,194 (2022 - £267,648), charged interest amounting to £15,009 (2022 - £19,922) and recharged other costs amounting to £524,135 (2022 - £550,781) to its subsidiary Partick Works Limited. The subsidiary in turn repaid £891,813 (2022 - £966,495) to the Association and drew down £48,982 (2022 -£nil). At the balance sheet date, the amount due to the Association was £890,147 (2022 -£858,640). Amounts due are secured by a bond and floating charge in favour of the Association being the parent and interest is charged on the loan at a rate of 2% over base rate. Repayment of the loan will not be sought within the next 12 months.

In addition, Partick Works Limited paid a charitable distribution of £191,407 (2022 - £110,842) to the association during the year.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

30. CONTINGENT LIABILITY

We were notified in 2021 by the Trustee of the Scheme that it has performed a review of the changes made to the Scheme's benefits over the years and the result is that there is uncertainty surrounding some of these changes. The Trustee is seeking clarification from the Court on these items, and this process is ongoing with it being unlikely to be resolved before the end of 2024 at the earliest. It is estimated that this could potentially increase the value of the full Scheme liabilities by £27m. We note that this estimate has been calculated as at 30 September 2022 on the Scheme's Technical Provisions basis. Until the Court direction is received, it is unknown whether the full (or any) increase in liabilities will apply and therefore, in line with the prior year, no adjustment has been made in these financial statements in respect of this.
