The Board has pleasure in presenting its report on the Association's affairs for the year ended 31 March 2021.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

**Legal Status and Registration**

The Association is established under the Co-operative and Community Benefit Societies Act 2014, (having formed in 1975), is registered with the Office of the Scottish Charity Regulator as a charity, and with the Scottish Housing Regulator as a registered housing association under the Housing (Scotland) Act 2010, and is also registered with the Financial Conduct Authority.

**Membership of Board of Management and Structure**

The Association's Rules provide for up to 15 members (including two co-optees) on the Board. At the year end the Board comprised 12 members. In addition to the main Board, there is one sub-Committee for Group Audit and Remuneration.

Members of the Board of Management are noted on page 3.

**Directors**

The following directors held office during the financial year and up to the date of signing off these financial statements.

Caitlin McCorry	(Chair)
Richard Bolton – (resigned 28.5.20)	
Gordon Munro	
Philip Neaves – (resigned 4.9.20)	
Helen Phillips	
Brian Reilly	
Anthony Gillespie	
Kevin Anderson	
Jenny Neville – (resigned 14.8.20)	
Gurmit Singh – (resigned 12.3.21)	
Jakub Stojek – (resigned 28.5.20)	
David Welsh	
Liz McLean	
Campbell Whyte – (co-opted 30.7.20, elected 4.9.20)	
Alan Armstrong – (co-opted 18.3.21)	
Nicola Dobson – (co-opted 18.3.21)	
Leigh Eardley – (co-opted 18.3.21)r	

**Key management personnel**

The following key management personnel held office during the financial year and up to the date of signing of these financial statements.

Heather Kiteley	Chief Executive
Mike Beniston	Director of Group Organisational Development and Placemaking
Ngeme Ntuli	Director of Group Finance and Business Support
Gordon Cameron	Director of Group Operations

The composition of the Board of Management changed during the year resulting from five resignations and four new additions to its membership. Board members undertook an assessment of their learning and development needs to inform a programme of activity in support of their role to provide strategic direction and oversight of performance. In addition to its regular monthly business meeting (held 8 times over the year), the Board met on one specific occasion, including with the Boards of its subsidiary companies, Persevere Developments Limited and Quay Community Improvements, to discuss future strategy, planning priorities and addressing risks.

The Board is responsible for overseeing the strategic direction and providing oversight of the performance of the Association and its members are elected from the membership.

Each member of the Board of Management holds one fully paid share of £1 in the Association. The Chief Executive of the Association holds no interest in the Association's share capital and although not having the legal status of a director, they act as an executive within the authority delegated by the Board.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

**Objectives and Principal Activities**

The principal activities of Port of Leith Housing Association (PoLHA) are the provision of high-quality accommodation at affordable rents for those in housing need and the provision of support services for those in necessitous circumstances including due to age, infirmity, disability, or economic hardship.

The Association has established Persevere Developments Limited (PDL) which is a private company limited by shares (having formed in 2010 as a wholly owned subsidiary of PoLHA). The principal activity of PDL is to increase the range and variety of high quality housing available for those experiencing difficulty accessing social or affording full market priced accommodation and is currently focused on the provision of mid-market rented housing.

The Association has established Quay Community Improvements (Quay) which is a community interest company limited by shares (having formed in 2016 as a wholly owned subsidiary of PoLHA). The principal activities of Quay are to deliver facilities management services and provide opportunities to support the wider economic and social wellbeing of the community.

The Association wholly acquired TB Mackay an energy services company on the 13 December 2019. The principal activities of TB Mackay are to provide a repairs and maintenance service.

**Vision, Mission and Strategy**

The vision of the Association and its subsidiaries, herein referred to as “the PoLHA Group”, is “Our communities are brilliant” and it is the PoLHA Group’s mission “To make a positive impact on people’s lives in Leith and north Edinburgh by providing affordable homes and services, and creating brilliant communities.

The Group aims to remain a strong effective organisation making a positive impact on improving peoples’ quality of life and wellbeing, contributing to the ongoing regeneration of the areas of operation, developing and maintaining sustainable communities through alleviating poverty and reducing social exclusion.

Housing, support and targeted community development activity including employability support will remain our core activities. The Group will continue to diversify, using its expertise to increase the range of products and services available to address need and demand within our communities.

The Group is committed to learn and improve in pursuit of delivering excellent services and which provide value for money for its customers. It will continue to invest in its people and in the wider community. The Group will adapt to the changing needs, expectations and opportunities and deliver its services within a culture of continuous improvement.

The Group maintains a five-year Business Plan setting out its vision, mission, priorities and resources and which is reviewed and approved by the Board each year. The Plan is designed to ensure that its strategy, products and services are delivered in accordance with its overall ambition and goals, that resources are in place to deliver according to the agreed performance standards, and that key risks are identified and mitigated.

**Risk Management Policy**

The Board has a formal risk management process to assess business risks and implement risk management strategies. This involves identifying the types of risks the Group faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying means of mitigating the risks.

**Key Strategic Risks**

The Management Team has identified six key strategic hazards that the Group faces with resulting risks that have medium or high-risk exposure. These risks, all relating to the Association, have been specifically addressed as part of the business planning process and are detailed below. It should be noted that although PDL, Quay and TBM have strategic risks the impact of these on the group are lower than when considered for the subsidiaries on their own.

After considering the existing policies, processes and systems in place which provide mitigation against the identified hazards and resulting risks only four risks for the Association remain classed as having moderate exposure:

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

- The UK wide Welfare Benefit Reforms may cause an increase in both arrears and bad debt. This risk still sits in the 'moderate' exposure level, primarily because of the likelihood score over which we have no control. The controls in place have mitigated the impact and so we tolerate this risk.
- The Defined Benefit Pension Scheme represents a significant financial liability to the organisation because actuarial assumptions and stock market performance is unpredictable / volatile. The defined benefit pension scheme liability may grow further increasing past deficit contributions on an annual basis. This risk still sits in the 'moderate' exposure level as it is considered that we have no affordable option to further mitigate this risk and so we tolerate it.
- Build cost inflation and competition for sites results in increased costs of development and may restrict the development programme. This risk still sits in the 'moderate' exposure level, primarily because of the likelihood score over which we have no control. The controls in place have mitigated the impact and so we tolerate this risk.
- Public spending cuts / Government austerity measures may result in a reduction in available HAG meaning more private funding would need to be obtained. This risk still sits in the 'moderate' exposure level primarily because of the likelihood score over which we have no control. The controls in place have reduced the impact and we continue to monitor and tolerate this risk.

## **Business Review**

### **Achievements and Performance**

The Association has, over the past year, continued with its ambition to support the regeneration and wellbeing of the community including being very active in developing new additional affordable housing in the City. This presents ongoing challenges due to the continued pressure on public spending and restrictions on the availability of public subsidy.

In view of the changing and growing nature of demand for affordable housing in the City, the Association established a wholly owned subsidiary company, Persevere Developments Limited (PDL) in 2010. This is its tenth year of operation providing, through a service level agreement with the Association, much needed new mid-market rented housing for the growing number of middle income households who are in need of high quality affordable housing for rent but who cannot access social rented or afford full open market housing for rent or purchase.

In 2016, the Association established another wholly owned subsidiary, Quay Community Improvements (Quay) which is a community interest company limited by shares. The principal activities of Quay are to deliver facilities management services and provide opportunities to support the wider economic and social wellbeing of the community.

In 2019, the Association purchased TB Mackay Energy Services (TBM), a multi-trades repairs and maintenance company. It has been added to the group as another wholly owned subsidiary.

More information on PDL, Quay's and TBM's activities can be found in their separate Annual Accounts.

We are an accredited "Investor in People" organisation having been re-accredited the "Gold" standard in 2017.

In early 2020 the Association was named the 20th Best Housing Association to Work for in the UK and the 34th Best Company to Work for in Scotland by the Sunday Times' Best Companies to Work For List.

The Association was recognised by the National Centre for Diversity as 2020 Housing Provider of the Year and placed at No. 9 in the NCFD Top 100 Index of champions of Equality, Diversity and Inclusion. In March 2020 the Association was awarded Investors in Diversity Award.

### **New development**

There were no new build handovers during 2020-21. This was due to programme delays as a result of Covid-19 and the three-month long site closure which commenced at the start of lockdown in March 2020. The 199 units at Bonnington Mill, Heron Place (Plot 3, Granton Harbour) and Waterfront Plaza will now complete in Summer/Autumn 2021. During the year the Association commenced the

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

construction of 310 units on its site at Plot S, Granton Harbour, of which 226 will be retained by PoLHA, and 84 will be developed for others. The 43 flats at Bath Road, developed under a Section 75 agreement, also started on site in 2020-21. The Association also continued to project manage future developments on the PoLHA-owned sites at Wellington Place and Constitution Street, and negotiated three Section 75 developments at Ashley Place, Iona Street and Telford Drive.

The Association will continue to be actively involved in the ongoing regeneration of Leith and North Edinburgh over the five-year strategy period and is continuing to pursue any further development opportunities within the area. As the need and demand for affordable housing in Edinburgh is still very high, the Association continues to work closely with Edinburgh City Council, the Scottish Federation of Housing Associations (SFHA) and developers, to explore alternative ways to finance additional new affordable housing in the city. The Association is also exploring the potential provision of open market rent properties through PDL.

**Property management**

In 2020-21, the Association continued to maintain the Association's properties to the Scottish Housing Quality Standard (SHQS) and work towards the Energy Efficiency Standard for Social Housing (EESH) 2020. 97.78% of our total number of homes in ownership meet SHQS and currently 89.24% of the Association's properties meet the requirements of the EESH 2020 standard.

Major repair works to properties were largely suspended during 2020-21 due to the COVID-19 pandemic restrictions. No programmed works within occupied properties were undertaken. Some limited external and common area works were undertaken including 2 passenger lift upgrades.

The Association has continued to face challenges in relation to the City of Edinburgh Council's Shared Repairs Service and is continuing to directly manage a number of complex common repair and improvement projects. These are located in pre-1919 tenement stairs of mixed ownership where the Association has an interest either as majority but also as minority owners. During the year this co-ordinated activity has focused on 3 separate stairs, affecting 33 flats in the Association's ownership and which are at various stages of progress to complete necessary repair works. Negotiations are underway for a further 2 projects including 34 Association properties. We also have 22 smaller projects where owners are leading the project negotiations.

In December 2015 the Association received approval from the City of Edinburgh Council and Scottish Government to dispose of 113 pre-1919 tenement flats over a 10 year period. These properties are where the Association only owns 1, 2 or 3 properties in mutually owned tenement buildings and where co-ordinating other owners to undertake necessary common repairs is problematic. In previous years 57 properties were sold with a further 3 properties sold during 2020-21 fully removing the Association's liability to a total of 29 common stairs. Board approval was granted during 2020 for the disposal of a further 136 properties over the next 10 years.

**Customer feedback**

The Association continued to assess its customer requirements and undertook the usual annual postal satisfaction survey of all tenants and sharing owners in autumn 2020. A total of 385 surveys were completed which equates to a 16% response rate. Overall, 89% of households have expressed being very/fairly satisfied with PoLHA as their landlord. While this compares favourably with our peers, the survey also provides some very important pointers towards improving our service further in future and will be used to help shape how our services should be developed and tailored to meet these in future.

The Association also monitors customer satisfaction for key services on an ongoing basis throughout the year. Due to Covid restrictions and the requirements to work from home we were unable to issue customer satisfaction survey for reactive repairs. The Association also asked our customers how likely they were to recommend the Association to a family member, friend or colleague as a way of measuring customer loyalty, known as Net Promotor Score. In 2020, the Association scored 45, which means the majority of our customers would recommend us.

**Housing management and support**

The Association let 167 homes in Leith and North Edinburgh through the city's Choice Based Lettings scheme during the year, all of which were re-lets of existing properties. It continued to work in partnership with other social landlords in the City (including housing associations and the City Council), letting its available social housing through the established Edindex system.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

The Association owns and manages three sheltered housing developments for older people, with a housing support service which is registered with the Care Inspectorate. The Association is currently graded the top Grade 6 (excellent) for the quality of care and support provided to the residents.

The Association has a tenant advice team, consisting of a Money Advice Worker, two Welfare Rights Officers and two Tenancy Sustainment Officers who together provide advice and assistance to tenants with debt, benefit and help and advice on practical issues to help people sustain their tenancies in a positive way. The Scottish Government Debt Advice Levy Fund provided £15,000 for a part time money advisor.

**Employability and community initiatives**

The Association plays a very active part supporting the wider community. It does this by providing a range of services to various client groups which are focused on improving the employability of people within its community, reducing social isolation of older people, improving the capacity of people to take a more active role and responsibility for their lives, and improving the quality of the environment around their homes.

Community Works has been operational since August 2017, it targets primarily our tenants and other unemployed or underemployment people living in Leith. So far more than 1200 adults in Leith and North Edinburgh have received support and training to gain employment, education, qualifications or to improve their prospects of securing better paid, more secure employment. Working in close partnership with Job Centre Plus and a wide range of local providers such as Dr. Bell's, Community Renewal, Street Soccer, Turning Point Scotland and many more. The service has so far delivered an outcome rate of 67%, with many service users gaining permanent employment through its support.

Community Works also provides a range of certificated training through Quallsafe, ITOL and ITOL in Hospitality, Customer Service, Emergency First Aid at Work, First Aid at Work, Paediatric First Aid, Citizen Aid, Safeguarding Children, Food Hygiene and Skills for Employment. It also provides a number of non-certificated courses are available and utilised on a weekly basis; CV skills, Interview Skills, Universal Credit Employability and Confidence Building.

Community Works has worked alongside Quay CIC to provide commercial training to a range of organisations, both partner RSLs, charitable organisations and private sector firms alike. In addition, Community Works in conjunction with Quay has gone into partnership with SHARE to deliver training to staff working with RSLs throughout Scotland.

The Association is also active with its partners as a Board member of the Leith Neighbourhood Partnership, working alongside the City Council, Lothian Health and range of other key third sector organisations and local community councils to develop and oversee delivery of the Community Plan and to support joint working within our communities. The Association has also continued to play a very active part as a key member of the Edinburgh Affordable Housing Partnership, facilitating collaboration and co-ordinated activity on local and city-wide housing priorities including delivery of the City Housing Strategy.

**Financial Review**

**Overall results**

Group turnover was £22,4m (2020: £22,1m) offset by operating costs of £18,3m (2020: £17,7m), leading to an operating surplus of £4,1m (2020: £4,4m) and a net surplus of £224k (2020: £4,5m).

The SHAPS pension scheme's defined benefit liability as at 31 March 2021 is £1,185k (2020: £110k), resulting in an increase in the liability of £1,273k. This has also resulted in an actuarial loss through other comprehensive income of £1,471k (2020: actuarial gain of £1,993k).

The decrease in operating surplus is attributable to an increase in rent income from affordable letting activities and growth in the mid-market letting activities of Persevere Developments, which is set off against an increase in expenditure on letting activities.

Annual surpluses are required to cover long term maintenance obligations to property, repayment of loans and future risks.

The surplus has resulted in an increase in the value of net assets over the year, from £43,413k to

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

£43,739k as at 31 March 2021. The Association's liquidity remains strong with a significant number of unencumbered properties available as security for further funding if required.

**Going Concern**

The Board has a reasonable expectation that the Association has adequate resources to continue in operation for the foreseeable future.

Matters which are taken into account in this process include:

- The prevailing economic climate, both internationally and locally and its impact, if any, on the Association's viability.
- The financial position of the Association and the impact if any of perceived weaknesses on the Association's viability.
- The short, medium and long-term financial prospects resulting from the modelling exercise carried out annually in updating the Association's 30 year Business Plan including sensitivity analysis and independent verification of key underlying assumptions.

Our approach to see the business through the short and long-term period, involves careful planning, as well as respect for the unpredictability of Covid-19.

We are maintaining constant access to trusted sources of information such as Government, Scottish Housing Regulator, World Health Organisation, advisors and peer to peer networks.

We have set up various cross departmental teams, at each stage of the pandemic. This allows us to continue to focus our resources in gathering information, reforecasting our plans and implementing mitigating actions.

The short- term impact of Covid-19 is predicted by revisions to our annual budgets on a quarterly basis and the long- term impact is predicted by revisions to our 5 year and 30 year plans including, scenario planning, impact analysis and robust stress testing of all plans. The forecasts we have produced for the next 12-24 months demonstrate that we expect to generate surpluses and maintain a strong cash position. We expect no significant adverse medium to long term issues.

In the absence of any fundamental shortcomings raised as a result of the above exercise the Board consider the going concern assumption underlying the preparation of the Association's Financial Statements to be appropriate.

**Plans for the Future**

The PoLHA Group Vision is: Our communities are brilliant.

The PoLHA Group Mission is: To make a positive impact on people's lives in Leith and north Edinburgh by providing affordable homes and services and creating brilliant communities.

There are significant opportunities over the years up to 2025 for the Group to play an important part in the ongoing regeneration and development of Leith and in the wider Edinburgh Waterfront, within Western Harbour and Granton in particular. As core areas of operation the Group is extremely well placed to continue playing a very active part creating new and large scale mixed-use and mixed-tenure communities and where new services will be developed for ongoing management, maintenance and support linking together both existing and new communities in future.

There are also opportunities through collaboration and partnership working with other RSLs operating in the City and including through the newly formed ARCHIE alliance of smaller independent housing organisations to be working more closely together, and benefitting through sharing knowledge and information, undertaking joint procurement activity to secure improved value for specific goods and services, and improving the range of service offering to tenants and other stakeholders in future.

It is also a period of significant change and challenge, most notably from the continued roll out of Universal Credit, from the uncertainty and the impact of Brexit, the impact from the COVID-19 pandemic, and from the inevitable disruption to residents and businesses due to the planned extension of the tram line to Newhaven being constructed over the next three years.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

**Funds Held on Behalf of Others**

The Association holds no funds on behalf of other organisations.

**Employees**

The Association's policy is to discuss and consult with employees, through a staff representative group, on all matters likely to affect employees' interests. Information regarding the Association is provided through staff team meetings and reports including a monthly business progress update report. This seeks to achieve a common awareness on the part of all employees of the financial and economic factors affecting the Association's performance. The Association encourages all staff to participate in reviewing its strategic direction and key priorities during its business planning process. The Association strives to afford equal opportunities to all individuals and sections of the community and the policy is to encourage the recruitment of disabled people for all suitable vacancies. All necessary assistance with initial training courses is given. Arrangements are made, where possible, for re-training employees who become disabled, to enable them to perform work identified as appropriate to their aptitudes and abilities.

Members of the Group Leadership Team, consisting of the Group Chief Executive and 3 Group Directors are defined as the key management of the Association. Remuneration for all staff is based on salary scales, with the exception of the Group Leadership Team who are on spot salaries. The salaries are all benchmarked and approved by the Group Audit and Remuneration Committee on an annual basis (further information is contained within note 7).

**Political and charitable gifts**

No political donations or gifts were made in the year to 31 March 2021 (2020: £nil). During the year there were no charitable donations made to housing related charities (2020: £nil).

**Statement of Board of Management's Responsibilities**

The Co-operative and Community Benefit Societies Act 2014 and registered social housing legislation require the Board to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Association, and of its surplus for that year.

In preparing these accounts, the Board is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time, the financial position of the Association and to enable it to ensure that the accounts comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements – February 2019. The Board is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board is responsible for the maintenance and integrity of the corporate and financial information included on the Association's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

**Information for the Auditors**

The Board members have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. Each of the Board members has confirmed that they have taken all the steps they ought to take as trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

**Treasury Management**

The Association has an active treasury management function, which operates in accordance with the Treasury Management Policy approved by the Board. In this way the Association manages its borrowing arrangements to ensure that it is always in a position to meet its financial obligations as they fall due.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**REPORT of the BOARD of MANAGEMENT**  
**For the year ended 31 March 2021**

The Association, as a matter of policy, does not enter into transactions of a speculative nature. At 31 March 2021, the Association has a mix of fixed and variable rate finance, which it considers appropriate at this time.

**Rent Arrears**

Management has a preventative measure for managing rent arrears. Information is given to tenants which reinforces responsibility for payment of rent, the possible consequences of falling into arrears and the action we will take if in arrears. Balances are checked on a monthly basis to identify cases where accounts have fallen into arrears and/or arrangements have been broken, allowing for prompt follow up action. We attempt to find out if there are any underlying causes for the arrears eg change in employment/benefits; relationship breakdown/death of a partner; vulnerability; habitual late or erratic payers and provide assistance and advice accordingly. A variety of options and methods for recovery of rent arrears will be used, including deduction from welfare benefits and, as a last resort, court action and eviction.

**Internal Financial Control**

The Board is ultimately responsible for the Association's systems of internal financial controls. However, it should be recognised that such systems can provide only reasonable and not absolute assurance against material misstatement or loss.

The approach adopted by the Board to provide effective financial control can be summarised as follows:

- (a) an appropriate control environment has been created by careful recruitment and training of staff and provision of comprehensive guidance on the standards and controls to be applied throughout the Association.
- (b) management information systems have been developed to provide accurate and timeous data on all aspects of the business. Management accounts comparing actual results against budget are presented to the Board quarterly.
- (c) major business risks and their financial implications are assessed systematically by reference to established criteria.
- (d) the financial implications of major business risks are controlled by means of delegated authorities which reserve significant matters to the Board for decision; segregation of duties in appropriate areas and physical controls over assets and access to records.
- (e) the Board monitors the operation of the internal financial control system by considering regular reports from management and the internal and external auditors and ensures appropriate corrective action is taken to address any reported weakness.

The Board confirms that it has reviewed the effectiveness of the Association's system of internal financial control as it operated during the year under review. Such a system can provide only reasonable and not absolute assurance against material misstatement or loss.

During the period there were no identified weaknesses in internal controls which resulted in material losses, contingencies or uncertainties that require disclosure in the accounts or the report of the auditor.

**BY ORDER OF THE BOARD OF MANAGEMENT**

Signature

**CAITLIN MCCORRY**  
Chairperson

**16 August 2021**

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
PORT OF LEITH HOUSING ASSOCIATION LIMITED  
For the year ended 31 March 2021**

**Opinion**

We have audited the financial statements of Port of Leith Housing Association Limited (the 'Association') and its subsidiaries (the 'Group') for the year ended 31 March 2021 which comprise the Consolidated and Association Statement of Comprehensive Income, Consolidated and Association Statement of Changes in Reserves, Consolidated Statement of Financial Position, Consolidated and Association Statement of Cash Flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Group's and Association's affairs as at 31 March 2021 and of the income and expenditure of the Group and the income and expenditure of the Association for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Co-operative and Community Benefit Societies (Group Accounts) Regulations 1969, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements – February 2019.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group and the parent Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Board is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
PORT OF LEITH HOUSING ASSOCIATION LIMITED  
For the year ended 31 March 2021**

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- A satisfactory system of control over transactions has not been maintained; or
- the Association has not kept proper accounting records; or
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of the Board**

As explained more fully in the Board's responsibilities statement set out on page 10, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**The extent to which the audit was considered capable of detecting irregularities, including fraud**

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the group audit engagement team:

- obtained an understanding of the nature of the sector, including the legal and regulatory frameworks that the group and the Association operate in and how the group and the Association are complying with the legal and regulatory frameworks;

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
PORT OF LEITH HOUSING ASSOCIATION LIMITED  
For the year ended 31 March 2021**

- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, the Housing SORP 2018, the Housing (Scotland) Act 2010 and the Scottish Housing Regulator's Determination of Accounting Requirements – February 2019. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures.

The most significant laws and regulations that have an indirect impact on the financial statements are the Scottish Housing Regulator's Regulatory Framework (published 2019), the Housing (Scotland) Acts 2006 and 2014 and those in relation to employment, including health and safety. We performed audit procedures to inquire of management whether the Association is in compliance with these law and regulations and inspected correspondence with licensing or regulatory authorities.

The group audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business and challenging judgments and estimates.

A further description of our responsibilities for the audit of the financial statements is provided on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Date .....

**REPORT BY THE AUDITOR TO THE MEMBERS OF  
PORT OF LEITH HOUSING ASSOCIATION LIMITED  
ON CORPORATE GOVERNANCE MATTERS  
For the year ended 31 March 2021**

In addition to our audit of the Financial Statements, we have reviewed your statement on page 11 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

**Basis of Opinion**

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

**Opinion**

In our opinion the Statement on Internal Financial Control on page 11 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS**  
**For the year ended 31 March 2021**

**1. Accounting Policies**

The Association is incorporated under the Co-operative and Community Benefit Societies Act 2014 and is registered with the Financial Conduct Authority (registered number is 1844R (S)). The Association is a Public Benefit Entity incorporated in Scotland. The Association is registered with SHR under the Housing (Scotland) Act 2010.

The accounts have been prepared in accordance with UK Generally Accepted Accounting Practice (UKGAAP), including Financial Reporting Standard 102 (FRS 102) and in compliance with the Statement of Recommended Practice for Registered Social Housing Providers (Housing SORP 2018) and the Scottish Housing Regulator's Determination of Accounting Requirements (2019). The accounts are prepared on the historical cost basis of accounting modified to include the fair value of fixed assets at the date of a transfer of engagements.

The address of the Association's registered office and principal place of business is on page 3.

The Association's principal activities are detailed on page 5.

The financial statements are prepared in Sterling (£). The amounts are rounded to the nearest thousand (£'000) unless otherwise stated.

The principal accounting policies of the Association are set out below.

**Critical Accounting Estimates and Areas of Judgement**

Preparation of the financial statements requires management to make critical judgements and estimates concerning the future. Estimates and judgements are continually evaluated and are based on historical experience, advice from qualified experts and other factors. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

Management's estimate of the defined benefit obligation is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the liability and the annual defined benefit expenses (as analysed in Note 22). The net defined benefit pension liability at 31 March 2021 was £1,185k.

Bad debts are provided 100% on all former tenants. Arrears that are greater than 2 months are provided at 10% of the total; greater than 3 months 25% of the total. All rechargeable repairs and private owners are provided at 100% of total amount raised, with insurance claims at 50% of the total claim.

Management deem any gain or loss on disposal of housing property to be part of the operating activities.

Management reviews its estimates of the useful lives of goodwill and depreciable assets at each reporting date, using both internal and external advice. See continuation of note 1 for depreciation information.

Shared owners are 100% liable for the maintenance of their property and also for their share of communal areas.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**1. Accounting Policies (Contd.)**

**Going concern**

The Board consider on an annual basis the appropriateness of preparing the Association's Financial Statements on a going concern basis. Matters which are taken into account in this process include:

- The prevailing economic climate, both internationally and locally and its impact, if any, on the Association's viability.
- The financial position of the Association and the impact if any of perceived weaknesses on the Association's viability.
- The short, medium and long term financial prospects resulting from the modelling exercise carried out annually in updating the Association's 30 year Business Plan including sensitivity analysis and independent verification of key underlying assumptions.
- The impact of COVID 19 on the wider community and effect this will have on the economic climate.
- Forecasts that cover 12 months from the signing of the accounts.

In the absence of any fundamental shortcomings raised as a result of the above exercise the Board consider the going concern assumption underlying the preparation of the Association's Financial Statements to be appropriate.

**Financial Instruments**

The Association has elected to apply the provisions of Section 11 "Basic Financial Instruments" and section 12 "Other Financial Instruments Issues" of FRS102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the instrument and are offset only when the Association currently has a legal enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**Financial Assets – Debtors**

Debtors, which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price. Trade debtors are subsequently measured at amortised cost being the transaction price less any amounts settled and any impairment losses. Where the arrangement with a trade debtor constitutes a financing transaction, the debtor is initially and subsequently measured at the present value of future payments, discounted at a market rate of interest for a similar debt instrument.

**Financial Liabilities – Trade Creditors**

Trade creditors payable within one year that do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled. Where the arrangement with a trade creditor constitutes a financing transaction, the creditor is initially and subsequently measured at the present value of future payments discounted at a market rate of interest for a similar instrument.

**Borrowings**

Borrowings are initially recognised at the transaction price, including transaction costs, and subsequently measured at amortised cost using the effective interest method. Interest expense is recognised on the basis of the effective interest method and is included in interest payable and other similar charges. Commitments to receive a loan are measured at cost less impairment.

Loans provided at a below market interest rate are recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**1. Accounting Policies (Contd.)**

**Basis of consolidation**

The Association has a wholly owned non-charitable subsidiary, Persevere Developments Limited; a community interest company, Quay Community Improvements CIC and an energy services & repair company TB Mackay. These group accounts consolidate those of the Association and its subsidiaries on a line by line basis.

**Turnover**

Turnover represents rental and service charge income receivable, income from support services, income from fees, grants of a revenue nature from local authorities and the Scottish Government and amortisation of capital grant income. Turnover is recognised when amounts fall due and when income has been earned.

**Fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. The threshold for capitalisation of all fixed assets is £5,000. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates net of any net realisable value:

Other Fixed Assets	
Heritable Property	2%
Furniture	10%
Fittings, Equipment & Motor Vehicles	20%
Computer Equipment	20% - 33%
Intangible Assets	20%

**Housing properties**

Housing properties are properties for the provision of social housing or to otherwise provide social housing and are principally properties available for rent and shared ownership.

Housing properties are stated at cost less accumulated depreciation and impairment losses. The cost of properties includes land cost, all construction costs, professional fees, borrowing costs, impairment losses and development administration costs.

Housing properties under construction are stated at cost and are not depreciated. These are reclassified as housing properties on practical completion of construction.

The Association depreciates housing properties by component on a straight line basis over the estimated useful economic lives of component categories, which have materially different useful lives. Land is not depreciated and is stated at cost.

Useful economic lives for identified components are as follows:

<b>Component</b>	<b>Useful Economic Life</b>	<b>Depreciation rate</b>
Structure	50 years	2%
Kitchens	15 years	6.67%
Bathrooms	30 years	3.34%
Central heating distribution	15 years	6.67%
Central heating source	30 years	3.34%
Windows	30 years	3.34%
Lifts	10 - 25 years	4% - 10%
Solar panels	25 years	4%

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**1. Accounting Policies (Contd.)**

**Works to existing properties**

Works to existing properties which replace a component that has been treated separately for depreciation purposes, along with those works that enhance the economic benefits of the property are capitalised as improvements. Such enhancement can occur if the improvements result in:

- the ability to increase rental income or
- a material reduction in future maintenance costs or
- a significant extension of the life of the property

Works to existing properties, which fail to meet the above criteria, are charged to the Statement of Comprehensive Income.

Shared ownership properties are split proportionately between fixed assets and current assets based on the element relating to first tranche sales. The first tranche acquisition is classed as a current asset and related sale proceeds are included in turnover.

**Housing Association Grant and other capital grants**

For developments under the terms of the Housing (Scotland) Act 2010, Housing Association Grant (HAG) is paid directly to the Association as required to meet its liabilities during the development process.

Government grants received for housing properties are recognised in income over the useful economic life of the structure of the asset and, where applicable, the individual components of the structure (excluding land) under the accruals model. These are held as deferred capital grants.

**Impairment**

Reviews for impairment indicators of housing properties are carried out on an annual basis and any impairment in an income generating unit is recognised by a charge to the Statement of Comprehensive Income. Indicators of impairment can be: contamination of land; a change in government policy that has a material impact on the net income; a change in demand with a material increase in the level of voids; or obsolescence of a property.

If there is an indication of impairment, the carrying amount of the asset should be compared to the recoverable amount. If the recoverable amount is lower than the carrying value, the Association will need to record an impairment. The recoverable amount is the higher of value in use of the property and fair value.

A provision for impairment of debtors is established when there is objective evidence that the amounts due will not be collected according to the original terms of the contract. Impairment losses are recognised in profit or loss for the excess of the carrying value of the trade debtor over the present value of the future cash flows discounted using the original effective interest rate. Subsequent reversals of an impairment loss that objectively relate to an event occurring after the impairment loss was recognised, are recognised immediately in income and expenditure.

**Taxation**

Port of Leith as a registered charity is not subject to corporation tax on its charitable activities, but is subject to corporation tax on its non-charitable trading activities. Persevere Developments Limited; Quay Community Improvements CIC and TB Mackay Energy Service Limited are subject to corporation tax. Taxation is accrued based on taxable profits for the year.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**1. Accounting Policies (Contd.)**

**Pension Costs**

The Association is a member of the Scottish Housing Association Pension Scheme, a defined benefit scheme. The Association recognises its share of assets and liabilities in these financial statements. The scheme assets are measured at fair value. Scheme liabilities are measured on an actuarial basis using the projected unit credit method and are discounted at appropriate high- quality corporate bond rates. The current service cost and costs from settlements and curtailments are charged against operating surplus. Past service costs are recognised in the current reporting period within the income and expenditure account. Interest is calculated on the net defined benefit liability. Remeasurements and actuarial gains or losses are reported in other comprehensive income.

As at the year ended 31 March 2021, the net defined benefit pension deficit liability was £1,185k, which has been included within the provisions for pensions liability in the financial statements.

In the year ended 31 March 2021, the current service cost and costs from settlements and curtailments are charged against operating surplus. Past service costs are recognised in the current reporting period within the income and expenditure account. Interest is calculated on the net defined benefit liability. Remeasurements are reported in other comprehensive income. Refer to Note 22 for more details.

**Operating leases**

Operating leases and the payments made under them are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Companies which the group controls are fully consolidated from the date at which the group obtains control.

**Business Combinations**

The cost of a business combination is the fair value at the acquisition date, of the assets given, equity instruments issued and liabilities incurred or assumed, plus costs directly attributable to the business combination. The excess of the cost of the business combination over the fair value of the identifiable assets, liabilities and contingent liabilities acquired is recognised as goodwill.

**Contingent consideration**

The cost of the combination includes the estimated amount of contingent consideration that is probable and can be measured reliably and is adjusted for changes in contingent consideration after the acquisition date. Contingent consideration is discounted, if material.

**Intangible assets – Goodwill**

Goodwill is capitalised and written off evenly over 10 years as in the opinion of management, this represents the period over which the goodwill is expected to give rise to economic benefits as this is the length of contracted services between POLHA and TB Mackay.

**Work in Progress**

Construction work undertaken by Port of Leith Housing Association on development Plot S Granton Harbour includes expenditure for another Housing Association: Cairn Housing; and Dean and Cauvin Young Peoples Trust. These costs are reported within Stock and Work in Progress within Current Assets. All these costs are recoverable and the subsequent income that is received will net off against these costs.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**

**Services**

Included within the service charges receivable above are amounts relating to non-eligible housing benefit amounting to £13k (2020: £11k). Supporting People income receivable for Scheme Co-ordinator support for the Association's sheltered housing schemes is disclosed above. This income covers part of the cost of providing this service with the balance being recovered from service charges. The Association feels that to disclose the Supporting People income under "Other Activities" in note 5 would not show a true position in relation to these services.

All housing land and buildings are heritable property. All schemes in progress have been approved for Housing Association Grant.

Housing properties includes properties developed for mid-market rent and leased to Persevere Developments Limited (note 25).

For major repairs during the year the Association spent £1,452k (2020: £2,357k); £263k (2020: £366k) was capitalised for replacement components; and £893k (2020: £1,991k) was expensed through operating costs in the Statement of Comprehensive Income.

Interest capitalised in the year amounted to £355k (2020: £322k). The interest capitalised was in respect of the interest paid on loans used specifically for new development expenditure.

Interest capitalised on fixed assets is capitalised at a rate of 3.38% (2020: 3.84%).

Fixed assets pledged as security amount to £126m (2020: £93m).

The value of land amounts to £15m (2020: £15.1m).

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**22. Pension Obligations**

The company participates in the Scottish Housing Associations' Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The Scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the scheme for funding purposes was carried out as at 30 September 2018. This valuation revealed a deficit of £198m. A Recovery Plan has been put in place to eliminate the deficit which runs to 28 February 2022 for the majority of employers, although certain employers have different arrangements.

The Scheme is classified as a 'last-person standing arrangement'. Therefore, the company is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the Scheme. Participating employers are legally required to meet their share of the Scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

Sufficient information is available for the Association in respect of SHAPS to account for its obligation on a defined benefit basis. The most recent formal actuarial valuation was completed as at 30 September 2018 and rolled forward, allowing for the different financial assumptions required under FRS 102, to 31 March 2020 by a qualified independent actuary.

	-----	-----	-----	-----	-----
	2,959	-	(3)	2	2,958
	=====	=====	=====	=====	=====

As at 31 March 2021 the number of properties the Association leased to Persevere Developments Limited for onward letting at mid-market rent was 291 (2020: 291).  
General and shared ownership properties were classed incorrectly at 1 April 2020, adjustments have been noted.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**25. Related party disclosure**

The 3 tenant members (2020: 2) of the Board of Management during the year had tenancies on normal terms and the Board Members cannot use their position to their advantage. The amount of rents charged in the year ended 31 March 2021 in respect of the tenancies amounted to £13k (2020: £13k). The rent prepaid at 31 March was £nil (2020: £542).

The Association has leased to Persevere Developments Limited (PDL), its subsidiary company, those properties which it has developed for mid-market rent. Port of Leith Housing Association also provides staff and services to Persevere Developments under a Service Level Agreement (SLA). Under the terms of the lease and SLA quarterly charges commenced in the quarter commencing 1 April following commencement of the lease and will continue over the duration of the lease concluding with a final charge in the quarter following the termination of the lease and SLA. Management charges amounted to £220k (2020: £176k) and leasing fees totalled £1,625k (2020: £1,571k) in the year ended 31 March 2021. PDL owed POLHA £236k (2020: £18k) and POLHA owed PDL £124k (2020: £53k).

Quay Community Improvements provides cleaning services to Port of Leith Housing Association Limited. Invoices amounted to £nil (2020: £nil) in the period ended 31 March 2021. There is a balance due to Quay Community Improvement CIC at 31 March 2021 of £nil (2020: £nil). The Association has provided a loan to Quay Community Improvements, its subsidiary, and provides staff and services under a Service Level Agreement (SLA). Management charges amounted to £9k (2020: £9k) and recharges of staff costs amounted to £97k (2020: £113k) in the year ended 31 March 2021. Quay owed POLHA £200k (2020: £202k). A loan of £174k (2020: £174k) is included in the amount owed.

In the year ended 31 March 2021 POLHA owed TB Mackay £174k in respect of outstanding invoices for maintenance and repair work. In the same period Persevere Developments Limited (PDL) owed TB Mackay £21k.

**26. Contingent liabilities**

**Lorne Area Housing Association Limited - Pension Scheme**

On 30 September 2005 the activities and the net assets of Lorne Area Housing Association Limited (LAHA) were transferred to Port of Leith Housing Association Limited (POLHA) as a transfer of engagements.

At the date of transfer, LAHA was a participating member of the Scottish Housing Associations' Pension Scheme; a multi-employer defined benefit pension scheme. New legislation on the treatment of funding deficits when solvent employers withdraw from a multi-employer scheme came into effect on 2 September 2005 and required the withdrawing employer to settle a minimum funding debt level.

A form of security in favour of the Pensions Trust for the buy-out liability, as an alternative to payment of the liability, was agreed during 2009. An "account security arrangement" has been entered into with the Pensions Trust and the Association placed on deposit in 2009 the sum of £520,507. The deposit held under the security arrangement must be amended as necessary to reflect the periodic revaluation of the buy-out debt. As at 31 March 2021 the Association has on deposit £1,124,687 being the latest estimate of the potential debt notified by the Pensions Trust based on the draft 2020 triennial valuation. This separate deposit account is included in these accounts.

**Port of Leith Housing Association Limited – Pension Scheme**

The Pensions Trust has notified the Association of the latest estimate of the debt on withdrawal potentially due by the Association based on the draft 2020 triennial actuarial valuation of the Scheme. This contingent liability, crystallization of which is considered remote due to the continued membership of the Scheme, is estimated at £9,095,606 and includes an amount in respect of Lorne Area Housing Association of £1,124,687.

**Housing Association Grant**

Grants relating to assets are recognised as a liability which is then amortised or released to income over the lifetime of the related asset. The deferred capital grant disclosed at note 18 represents the remaining capital grants yet to be released to income. The original amounts of these grants become repayable on the sale or disposal of the related assets, unless there is a specific agreement in place to recycle the grant against new property development. Housing Association Grant amortised to 31 March 2021 amounts to £2,615k.

**PORT OF LEITH HOUSING ASSOCIATION LIMITED**  
**NOTES to the GROUP ACCOUNTS (Contd.)**  
**For the year ended 31 March 2021**

**27. Group and Association Reserves**
