**REIDVALE HOUSING ASSOCIATION
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2020**

The Management Committee presents their report and the audited Financial Statements for the year ended 31 March 2020.

Legal Status

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No. 1825R (S). The Association is governed under its Rule Book. The Association is a Registered Scottish Charity with the charity number SC044023.

Principal Activities

The principal activity of the Association is the provision of social housing.

Review of business and future developments

The Association is financially strong and delivers high quality services with high levels of customer satisfaction (eg. an independent survey carried out in November 2019 found that 95% of our tenants are satisfied with the overall services provided by RHA). The Association has a record of high performance across a wide range of service provision as demonstrated by its Key Performance Indicators relative to its peers. We cannot rest on our laurels, however, and must constantly strive to provide the services that our residents want, in the way they want it, in the most efficient and effective manner possible.

The impact of the coronavirus pandemic has clearly been the greatest challenge faced by the Association this financial year and will continue to be so for the foreseeable future. The Association had previously reviewed its Business Continuity Policy and it could not have been more rigorously tested! The Association has been able to continue to provide most of its services remotely with all staff able to work from home equipped with mobile phones and tablets/laptops that are able to access our computer systems to ensure that we continue to provide the optimum level of services to our residents and other stakeholders.

The UK Government's welfare reforms, particularly the introduction of universal credit, has impacted on our level of rent arrears and is likely to get worse over the coming year. The Association has worked with other agencies to ensure that our residents are able to obtain every possible assistance to maximise their income/benefit entitlement.

Resident satisfaction surveys have repeatedly shown that the issues that cause the greatest level of dissatisfaction are those that are largely outwith the direct control of the Association – namely, drugs, crime, refuse collection, street litter, dog fouling and car parking problems. The Association has worked with the community in a constructive manner to enable positive partnerships to be developed with the appropriate agencies in an effort to secure demonstrable improvements for our residents.

The Association recognises the need to demonstrate to the Scottish Housing Regulator that in achieving the outcomes that are wanted by our residents that we are doing so in a manner that is fully compliant with the revised Regulatory Standards of Governance and Financial Management. The Association has worked with an independent consultant during 2019/20 and has devised a Governance Improvement Plan which will ensure the Association is fully compliant with all regulatory requirements.

The Association recognises the need to embrace technology and thereby maximise the opportunities for people to engage with us and to increase the efficiency and effectiveness of our service provision. We have developed our IT systems and provided staff with tablets to enable them to access all of our systems while they are in tenants' homes. We also intend to redesign our current website to enhance its overall effectiveness for users in the coming year.

**REIDVALE HOUSING ASSOCIATION
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2020**

Objectives

Our Rules state that the objects of the Association are:

- To provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care
- any other purpose or object permitted under Section 24 of the Housing (Scotland) Act 2010 which is charitable both for the purposes of Section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and also in relation to the application of the Taxes Acts
- the permitted activities and powers of the Association will include anything which is necessary or expedient to help the Association achieve these objects; and
- the Association shall not trade for profit

Reidvale Housing Association's Business Plan, covering the period 2019/2023, is the key strategic document communicating the vision, objectives and strategic direction of the Association and provides a framework for implementation.

Financial Review

The Management Committee is of the opinion that the state of affairs of the Association, are satisfactory. The surplus for the year, pre pension remeasurement, was £232,662 (2019 - £292,999). Total Net Assets stand at £4,216,750 (2019 - £3,417,460) with Net Current Assets now standing at £2,240,162 (2019-£1,660,188).

Risk Management

The Association has a comprehensive range of policies and procedures in place to ensure that all aspects of risk are managed and mitigated as far as is possible in the interests of business continuity. The key elements of our risk management are:

- a detailed Risk Management Policy which aims to identify, manage and minimise risks which may prevent the Association from achieving its objectives. The identification and management of risk is a continuous process as changes are made to how the Association operates and to the internal/external environment in which it operates.
- a Risk Register which is subject to regular review and update, identifying changes in risk since last considered and identifying all key mitigation measures proposed to reduce or manage the risk, financial risk in particular.
- a Business Continuity Policy which sets out the roles and responsibilities of staff and committee in the event of significant disruption to the normal business of the Association and aims to minimise the disruption and confusion this might cause.
- the defining of our top risks as mitigating the impact of the coronavirus pandemic, ensuring compliance with Regulatory Standards; EESSH compliance; the failure to achieve major reinvestment per the Life Cycle Costing (HUB) programme ; tackling our backlog of policy framework reviews; impact of current homelessness policy on community stability and IT systems failure and security breaches.

**REIDVALE HOUSING ASSOCIATION
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2020**

Committee of Management and Executive Officers

The members of the Management Committee and the Executive Officer are listed on page one. Each member of the Management Committee holds one fully paid share of £1 in the Association. Members of the Management Board are unpaid.

The governance structures are focused on our governing body, the Management Committee. This meets on at least nine occasions during the year with additional meetings being held where the volume of business warrants this.

In addition the Association has a Sub Committee structure with specific remits delegated to cover Housing Services (housing management, maintenance and factoring), Finance, Community Development and Staff and Training. Membership is drawn, but not exclusively, from the Management Committee.

The Director and other senior managers of the Association are salaried staff. However, they hold no interest in the Association's share capital. Although not having the legal status of Trustees, they act within Financial Regulations and a Scheme of Delegated Authority laid down by the Management Committee.

Statement of Management Committee's responsibilities

The Co-operative and Community Benefit Societies Act 2014 require The Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that year. In preparing those Financial Statements, the Management Committee is required to:-

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- Prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements - 2019. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

**REIDVALE HOUSING ASSOCIATION
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2020**

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditor is unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditor is aware of that information.

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- The reliability of financial information used within the Association, or for publication;
- The maintenance of proper accounting records; and
- The safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- Formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- Experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- Forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- All significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- The Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken; and
- Formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

**REIDVALE HOUSING ASSOCIATION
REPORT FROM THE MANAGEMENT COMMITTEE
FOR THE YEAR ENDED 31 MARCH 2020**

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2020. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Auditors

A resolution to re-appoint the auditor, French Duncan LLP, Chartered Accountants, will be proposed at the Annual General Meeting

By order of Management Committee

Irene McInnes, Secretary
4 August 2020

**REIDVALE HOUSING ASSOCIATION
INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF REIDVALE HOUSING
ASSOCIATION FOR THE YEAR ENDED 31 MARCH 2020**

In addition to our audit of the Financial Statements, we have reviewed your statement on pages 5 and 6 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on pages 5 and 6 has provided the disclosures required by the relevant Regulatory Standards with the publication "Our Regulatory Framework" and associated Regulatory Advice Notes by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of The Management Committee and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that The Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

**REIDVALE HOUSING ASSOCIATION
INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF REIDVALE HOUSING
ASSOCIATION FOR THE YEAR ENDED 31 MARCH 2020**

OPINION

We have audited the financial statements of Reidvale Housing Association for the year ended 31 March 2020 which comprise a statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in reserves and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been properly prepared in accordance with the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs UK) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the housing association in accordance with the ethical requirements that are relevant to our audit of financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the committee members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the committee members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The other information comprises the information contained in the Management Committees' report, other than the financial statements and our auditor's report thereon. The Management Committee are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

**REIDVALE HOUSING ASSOCIATION
INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF REIDVALE HOUSING
ASSOCIATION FOR THE YEAR ENDED 31 MARCH 2020**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you, if in our opinion:

- a satisfactory system of control over transactions has not been maintained; or,
- the Association has not kept proper accounting records; or,
- the financial statements are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF COMMITTEE MEMBERS

As explained more fully in the management committee's responsibilities statement set out on page 4, the committee members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management committee are responsible for assessing the housing association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee members either intend to liquidate the housing association or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

We have been appointed as auditor under the Co-operative and Community Benefit Societies Act 2014 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

**REIDVALE HOUSING ASSOCIATION
INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT COMMITTEE OF REIDVALE HOUSING
ASSOCIATION FOR THE YEAR ENDED 31 MARCH 2020**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide the basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the housing association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee members.
- Conclude on the appropriateness of the committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the housing association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

USE OF OUR REPORT

This report is made solely to the Association's members, as a body, in accordance with Section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

REIDVALE HOUSING ASSOCIATION
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Legal status

The Association is incorporated under the Co-operative and Community Benefits Societies Act 2014 and is registered by the Financial Conduct Authority. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102.

Basis of Accounting

These financial statements have been prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for Social Housing Providers 2018 and comply with the requirements of the Determination of Housing Requirements 2019 as issued by the Scottish Housing Regulator.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Association's accounting policies (see below).

The following principal accounting policies have been applied:

Going Concern

The financial statements have been prepared on a going concern basis after consideration of the future prospects of the Association, its long term financial forecasts and the certainty of cash flow from rental of social housing stock. The Association has taken into account the Covid 19 pandemic in its consideration and is satisfied that the Association has adequate resources to manage the impact of the pandemic on an ongoing basis.

Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised as expenditure is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates.

Retirement Benefits

The Association participates in the Scottish Housing Association Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

The Association accounts for the pension scheme on a defined benefit basis based on its share of scheme assets and liabilities as determined by the actuary. Defined benefit costs are recognised in the Statement of Comprehensive Income within operating costs. Actuarial gains and losses are recognised in Other Comprehensive Income. Further details are disclosed in the notes to the accounts.

REIDVALE HOUSING ASSOCIATION
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

Valuation of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 12. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Kitchens	15 years
Central Heating	15 years
Windows	30 years
Structure	50 years

Depreciation and Impairment of Other Non-Current Assets

Non-Current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:-

Office Premises	15 years Straight Line
Commercial premises	15 years Straight Line
Fixtures and Fittings	15 years Reducing Balance
Office Equipment	5 years Straight Line

The carrying value of non-current assets is reviewed for impairment at the end of each reporting year. Other fixed assets with a cost of £10,000 or more are capitalised and depreciated in accordance with the policy noted above.

Social Housing Grant and Other Grants in Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which it relates.

Social Housing Grant attributed to individual components is written off to the Income and Expenditure Account when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same year as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

**REIDVALE HOUSING ASSOCIATION
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
NOTES TO THE FINANCIAL STATEMENTS**

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

Disposals of housing property under the Right to Buy scheme are treated as a non-current asset disposals and any gain and loss on disposal accounted for in the Statement of Comprehensive Income.

Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Management Committee to exercise judgement in applying the Association's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, is disclosed below:

Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers: tenant payment history, arrangements in place, and court action.

Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

Useful Lives of Other Fixed Assets

The useful lives of other fixed Assets are based on the knowledge of senior management at the Association with reference to expected asset life cycles.

Pension Liabilities

This has relied on the actuarial assumptions of qualified actuaries which have been reviewed and are considered reasonable and appropriate. Assumptions in respect of discount rates and inflation will vary from year to year, as will the value of assets and will be dependent on circumstances at the date of valuation. Since the year end there has been volatility in market assumptions given the Covid 19 pandemic and , in particular, discount rates have fallen which would increase scheme liabilities. However stock market performance has improved which would help to offset any increase in liabilities.

Costs of Shared Ownership

The Association allocates costs to shared ownership properties on a percentage basis split across the number of properties the Association owns.

Leases/Leased Assets

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

**REIDVALE HOUSING ASSOCIATION
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
NOTES TO THE FINANCIAL STATEMENTS**

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

Key Judgements made in the application of Accounting Policies

a) The Categorisation of Housing Properties

In the judgement of the Management Committee the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Association considers its cash-generating units to be the scheme in which it manages its housing property for asset management purposes.

c) Pension liability

In May 2020 the Association received details from the Pension Trust of its share of assets, liabilities and scheme deficit. The Association has used this information as the basis of the pension defined benefit liability as disclosed in these accounts. The Board consider this is the best estimate of their scheme liability.

d) Financial Instruments – Basic

The Association only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like rents, accounts receivable and payable, loans from banks and related parties.

These are recognised in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

20. RELATED PARTY TRANSACTIONS

Members of the Management Committee are related parties of the Association as defined by Financial Reporting Standard 102. The related party relationships of the members of the Management Committee are summarised as:

- 11 Members are or were tenants of the Association
- 3 Members are or were factored owners
- Management Committee members cannot use their position to their advantage. Any transactions between the Association and any entity with which a Management Committee member has a connection with is made at arm's length and is under normal commercial terms.

Transactions with Management Committee members were or are as follows:

- Rent Received from Tenants on the Committee – £30,228
- Factoring income received from Owner Occupiers in the Committee - £2,208
- At the year-end total rent arrears owed by the tenant members of the Committee were – £92
- At the year-end total rent arrears owed by Owner Occupiers of the Committee were - £46

21. DETAILS OF ASSOCIATION

The Association is a Registered Society registered within the Financial Conduct Authority and is domiciled in Scotland.

The Association's principal place of business is 13 Whitevale Street, Glasgow, G31 1QW.

The Association is a Registered Social Landlord and Scottish Charity that owns and manages social housing in Glasgow.

**REIDVALE HOUSING ASSOCIATION
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
NOTES TO THE FINANCIAL STATEMENTS**

22. RETIREMENT BENEFIT OBLIGATIONS

SCHEME: TPT Retirement Solutions – Scottish Housing Associations’ Pension Scheme

The Association participates in the Scottish Housing Associations’ Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The Scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The last triennial valuation of the scheme for funding purposes was carried out as at 30 September 2018. This valuation revealed a deficit of £121m. A Recovery Plan has been put in place to eliminate the deficit which will run to either 30 September 2022 or 31 March 2023 (depending on funding levels) for the majority of employers, although certain employers have different arrangements.

The Scheme is classified as a 'last-man standing arrangement'. Therefore the Association is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the Scheme. Participating employers are legally required to meet their share of the Scheme deficit on an annuity purchase basis on withdrawal from the Scheme.

For financial years ending on or before 28 February 2019, it was not possible for the Association to obtain sufficient information to enable it to account for the Scheme as a defined benefit scheme, therefore the Association has accounted for the Scheme as a defined contribution scheme.

For financial years ending on or after 31 March 2019, it is possible to obtain sufficient information to enable the Association to account for the Scheme as a defined benefit scheme.

For accounting purposes, a valuation of the scheme was carried out with an effective date of 30 September 2018. The liability figures from this valuation were rolled forward for accounting year-ends from 31 March 2019 to 29 February 2020 inclusive. The liabilities are compared, at the relevant accounting date, with the Association’s fair share of the Scheme’s total assets to calculate the Association’s net deficit or surplus.

Similarly, an actuarial valuation of the scheme was carried out as at 30 September 2019 to inform the liabilities for accounting year ends from 31 March 2020 to 28 February 2021 inclusive.

 FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020
 NOTES TO THE FINANCIAL STATEMENTS**

22. RETIREMENT BENEFIT OBLIGATIONS (continued)

The mortality assumptions adopted at 31 March 2020 imply the following life expectancies:

	Life expectancy at age 65 (Years)
Male retiring in 2020	21.5
Female retiring in 2020	23.2
Male retiring in 2040	22.8
Female retiring in 2040	24.5

Assumptions in respect of discount rates and inflation will vary from year to year, as will the value of assets and will be dependent on circumstances at the date of valuation. Since the year end there has been volatility in market assumptions given the Covid 19 pandemic and , in particular, discount rates have fallen which would increase scheme liabilities. However stock market performance has improved which would help to offset any increase in liabilities.

22. RETIREMENT BENEFIT OBLIGATIONS (continued)

SCHEME: TPT Retirement Solutions – The Growth Plan

The Association participates in the scheme, a multi-employer scheme which provides benefits to some 950 non-associated participating employers. The scheme is a defined benefit scheme in the UK. It is not possible for the Association to obtain sufficient information to enable it to account for the scheme as a defined benefit scheme. Therefore it accounts for the scheme as a defined contribution scheme.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pension schemes in the UK.

The scheme is classified as a 'last-man standing arrangement'. Therefore the Association is potentially liable for other participating employers' obligations if those employers are unable to meet their share of the scheme deficit following withdrawal from the scheme. Participating employers are legally required to meet their share of the scheme deficit on an annuity purchase basis on withdrawal from the scheme.

A full actuarial valuation for the scheme was carried out at 30 September 2017. This valuation showed assets of £794.9m, liabilities of £926.4m and a deficit of £131.5m. To eliminate this funding shortfall, the Trustee has asked the participating employers to pay additional contributions to the scheme as follows:

Deficit contributions

From 1 April 2019 to 31 January 2025:	£11,243,000 per annum	(payable monthly and increasing by 3% each on 1st April)
---------------------------------------	-----------------------	----------------------------------------------------------

Unless a concession has been agreed with the Trustee the term to 31 January 2025 applies.

Note that the scheme's previous valuation was carried out with an effective date of 30 September 2014. This valuation showed assets of £793.4m, liabilities of £969.9m and a deficit of £176.5m. To eliminate this funding shortfall, the Trustee has asked the participating employers to pay additional contributions to the scheme as follows:

Deficit contributions

From 1 April 2016 to 30 September 2025:	£12,945,440 per annum	(payable monthly and increasing by 3% each on 1st April)
From 1 April 2016 to 30 September 2028:	£54,560 per annum	(payable monthly and increasing by 3% each on 1st April)

The recovery plan contributions are allocated to each participating employer in line with their estimated share of the Series 1 and Series 2 scheme liabilities.

Where the scheme is in deficit and where the company has agreed to a deficit funding arrangement the company recognises a liability for this obligation. The amount recognised is the net present value of the deficit reduction contributions payable under the agreement that relates to the deficit. The present value is calculated using the discount rate detailed in these disclosures. The unwinding of the discount rate is recognised as a finance cost.
