

Renfrewshire Council

We don't at this point require any further assurance from Renfrewshire Council (Renfrewshire) other than the annual regulatory returns required from all local authority landlords.

What we will do

We will review Renfrewshire's services for people who are homeless with a particular focus on the following area when we receive the Scottish Government's 2018/19 national homelessness statistics and the Annual Returns on the Charter:

- outcomes for people who are homeless: the percentage of its lets Renfrewshire makes to people who are unintentionally homeless.

Regulatory returns

Renfrewshire must provide us with the following annual regulatory returns:

- Annual Assurance Statement
- Annual Return on the Charter; and
- the return on the Energy Efficiency Standard for Social Housing.

It should also notify us of any material changes to its Annual Assurance Statement, and any tenant and resident safety matter which has been reported to or is being investigated by the Health and Safety Executive or reports from regulatory or statutory authorities or insurance providers, relating to safety concerns
