REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

The Board of Management presents its report and the financial statements for the year ended 31 March 2023.

Legal Status

The Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefit Society (No. 1933R(S)), the Scottish Housing Regulator as a registered social landlord (No. HAL193) under the Housing (Scotland) Act 2010 and as is a registered Scottish Charity with the charity number SC032782.

Principal Activities

The principal activities of the Association are the provision and management of affordable rented accommodation.

Review of Business and Future Developments

From our inception, the aim at Thenue has always been to work together to create better homes and stronger communities. That means that Thenue is committed to delivering quality and affordable homes with excellent customer service...improving homes, lives and communities. Working with partners and people, the aim is to improve all services and grow deep community roots.

The past year has seen continued challenges in energy prices and the cost of living, with inflation reaching a 40 year high. Thenue's focus has been to support our tenants through these challenges and help sustain our tenancies and communities. In addition, we've worked hard to keep rent rises as low as possible in light of the challenging economic environment.

The organisation has continued to work remarkably well and adapted to new ways of working, connection and communicating both internally and externally. Investment in improved forms of mobile working and technology continues to improve our use of systems and the service we deliver. Further development of our customer online access in the coming year will again enhance the customer experience and provide more usability.

The last year has seen the completion and handover of 77 houses and flats at Abercromby Street and 18 homes at Craighead Avenue The development of 27 retirement flats at Landressy Place has continued and is due to be fully completed in Q1 of 2023/24. Other developments due to commence during 2023/24 include 41 units at Springfield Park, 10 units at Dalmarnock Road and 12 units at Ruchazie Place.

The accounts show that the Association has generated a surplus of £1.96m compared with a budgeted surplus of £2.49m. This represents a decrease of £0.52m. The main factors contributing to this deficit against budget are as follows:

- 1. Void losses lower than anticipated by £152k.
- 2. Overall Repair costs are higher than anticipated by £928k, reactive & void repairs and major repairs are £530k and £509k overspent respectively.
- 3. Loan interest charged lower than anticipated by £125k.
- 4. Office & Corporate Overhead costs lower than anticipated by £95k.

The cash flow shows that in addition to the increased expenditure costs, development spend has also increased during the year. This has been offset by drawdown of £3m of available loan funding resulting in a shortfall of £209k and a decrease in the year end cash position to £5.75m.

REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

Review of Business and Future Developments (Contd.)

The cost of living crisis and the continued after effects of the covid pandemic continue to have a significant impact on the customer and Association, along with contractors experiencing material shortages, trade shortages, and large increases in material costs due to the market conditions. However, throughout the association continued to address repair, maintenance and component replacement issues spending £2.7m on Reactive & Void repairs and a further £1.1m on Cyclical repairs.

A total of 325 properties were let in the year including the handover of 95 new build properties and 230 properties which were re-let with 41% being allocated to applicants from the general 'waiting' list, 36% being offered successfully to homeless families. Void turnaround times remained fairly consistent at 21.5 days at the end of March 2023 compared to 20.5 days at the end of March 22. This also led to Void Rent loss showing at 0.67% against a target of 1.0%, again a big positive in terms of performance and income into the business.

Staff have worked very hard, in conjunction with our main contractor, in terms of improving our reactive repair delivery as the cost of living crisis added to the difficulties being faced by all. This has work has resulted in significant improvement in the right first time repairs from 77% to 92%. In addition, we have joined 2 Frameworks to enable us to procure other contractors should this situation arise again in the future. Tenant satisfaction overall, measured independently remains high at 95%, and we will review fully again in 2023.

The pandemic unfortunately led to significant delays to the associations planned replacement programme, in particular kitchens, bathrooms and boilers. These works progressed during the year and the programme is due to be completed in Q1 of 2023/24 whilst also delivering on our planned work for the year alongside to ensure our properties receive the right level of improvement and investment.

The health and safety of all people associated with Thenue remained paramount throughout the year. Full compliance with gas safety continued as 100% of gas safety inspections were carried out in time for the second year in a row. No staff workplace accidents took place, and staff attendance remained high at 97.6%. Staff turnover was 10% which was a slight increase on the 8.57% recorded the previous year, primarily due to the changes in the Executive Team.

Of the 202 anti-social complaints referred to the Association, 99% were resolved within locally agreed timescales. There have been 55 general service complaints of which 100.0% of Stage 1 and Stage 2 complaints were resolved within target times of either 5 or 20 days, depending on the nature of that complaint. Not one complaint was referred unresolved to the Ombudsman.

The financial situation is a difficult one for our tenants and the rent increase of 3.1% for 2022/23 had this very much in mind, to ensure value for money, quality service and affordability. Our teams have worked really hard to support and engage, providing help and assistance with Universal Credit, payment plans, energy advice, and far more. Financially, 98.8%* of the £14.79m* of rental income was collected, and gross rent arrears sat at £719k at year end, a reduction from £768k at the previous year end. We were also pleased that current tenant arrears at 2.5%* matched our annual target of 2.5%. (* figures here based on the Annual Charter Return definitions)

Overall, a surplus of £1.97 million was generated in the year, which amounted to a total comprehensive income of £1.08 million after accounting adjustments for the pension deficit liability.

REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

Review of Business and Future Developments (Contd.)

Loans with three lenders, (Royal Bank of Scotland, Nationwide Building Society and The Housing Finance Corporation), when combined, totalled some £37.6 million at the end of the year. Consistently throughout the year the association has satisfied all relevant financial covenants.

Overall, given the current climate and challenges, the year was a very positive one. The Executive Team have settled in really well with our Chief Executive, Gary Naylor and Director of Housing, Michael Byrne completing their first years in the roles. In addition, the Senior Management Team was further strengthened in September 2022 with the appointment of Barry Allan as Director of Finance, IT & Resources. Throughout the past year and well into next year the association's Board of Management closely monitor risk, finances, key performance indicators and value for money. The Board is guided by the seven standards of Governance and Financial Management for Registered Social Landlords, supporting the staff team to deliver housing related services to all the association's customers. With the approval of our new overarching strategy in February 2023 and revised underlying strategies to follow throughout 2023, Thenue are continuing to review and improve how we successfully meet the needs of our customers, with their voice at the heart of our decision making.

Board of Management and Executive Officers

The members of the Board of Management and the Executive officers are listed on page 1.

Each member of the Board of Management holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of directors, they act as executives within the authority delegated by the Board of Management.

The members of the Board of Management are also trustees of the charity. Members of the Board of Management are appointed by the members at the Association's Annual General Meeting.

Statement of Board of Management's Responsibilities

The Co-operative and Community Benefit Societies Act 2014 requires the Board of Management to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those financial statements the Board of Management is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Association will continue in business; and
- prepare a statement on internal financial control.

The Board of Management is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to: ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

Going Concern

Based on its budgetary and forecasting processes the Board of Management has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future; therefore, it continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Statement on Internal Financial Control

The Board of Management acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Board of Management's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Board of Management to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Board of Management;
- the Board of Management receives reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Board of Management has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year end 31 March 2023. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR ENDED 31 MARCH 2023

Disclosure of Information to the Auditor

The members of the Board of Management at the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant information of which the auditors are unaware. They confirm that they have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors.

Auditor

A resolution to reappoint the Auditors, Alexander Sloan, Accountants and Business Advisers, will be proposed at the Annual General Meeting.

By order of the Board of Management

Gary Naylor Secretary 22/8/2023

REPORT BY THE AUDITORS TO THE MEMBERS OF THENUE HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the financial statements, we have reviewed your statement on page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement of Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain members of the Board of Management and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Board of Management's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THENUE HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of Thenue Housing Association Limited (the 'Association') for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of the surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board of Management use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board of Management with respect to going concern are described in the relevant sections of this report.

Other Information

The Board of Management is responsible for the other information. The other information comprises the information contained in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THENUE HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

Other Information (Contd.)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 require us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Board of Management

As explained more fully in the statement of Board of Management's responsibilities as set out on page 4, the Board of Management is responsible for the preparation of the financial statements and for being satisfied that they give true and fair view, and for such internal control as the Board of Management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THENUE HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

The extent to which the audit was considered capable of detecting irregularities including fraud Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we gained an understanding of the legal and regulatory framework applicable to the Association through discussions with the Board of Management and other management, and from our wider knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material
 effect on the financial statements or the operations of the Association, including the Cooperative and Community Benefit Societies Act 2014 (and related regulations), the Housing
 (Scotland) Act 2010 and other laws and regulations applicable to a registered social housing
 provider in Scotland. We also considered the risks of non-compliance with the other
 requirements imposed by the Scottish Housing Regulator and we considered the extent to
 which non-compliance might have a material effect on the financial statements.
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reviewing the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims;
- reviewing the Association's Assurance Statement and associated supporting information; and
- reviewing correspondence with the Scottish Housing Regulator. HMRC and the Association's legal advisors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THENUE HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

The extent to which the audit was considered capable of detecting irregularities including fraud (Contd.)

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the Directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. The description forms part of our audit report.

Use of our Report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Cooperative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS

. PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance and Basis of Accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2019. They comply with the Determination of Accounting Requirements 2019. A summary of the principal accounting policies is set out below

Revenue

Revenue comprises rental and service charge income receivable in the period, income from shared ownership first tranche sales, sales of properties built for sale, other services provided, revenue grants receivable and government grants released to income in the period.

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government grants are released to income over the expected useful life of the asset to which they relate. Revenue grants are receivable when the conditions for receipt of the agreed grant funding have been met.

Retirement Benefits

The Association participates in the Scottish Housing Association Pension Scheme (SHAPS) a multiemployer defined benefit scheme. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

The Association also participates in the Scottish Housing Associations Defined Contribution scheme. Contributions to defined contribution plans are recognised as employee benefit expense when they are due.

Going Concern

On the basis that the Board of Management has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future, the Association has adopted the going concern basis of accounting in preparing these financial statements.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Housing Properties

Housing properties are held for the provision of social housing. Housing properties are stated at cost less accumulated depreciation and impairment losses. Cost includes acquisition of land and buildings and development cost. The Association depreciates housing properties over the useful life of each major component. Housing under construction and land are not depreciated.

Component	Useful Economic Life
Bathrooms	Over 30 years
Boilers	Over 15 years
Cladding	Over 20 years
Doors	Over 30 years
Heating System	Over 30 years
Kitchens	Over 20 years
Structure	Over 50 years
Windows	Over 30 years
Wiring	Over 30 years

Depreciation and Impairment of Other Tangible Assets

Non-current assets are stated at cost less accumulated depreciation. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Commercial Premises	Over 30-50 years
Furnuture and Fittings	Over 5 years
Computer & Office Equipment	Over 5 years
Office Premises, Community & Learning Centres:	
Bathrooms	Over 30 years
Boilers	Over 15 years
Cladding	Over 20 years
Doors	Over 30 years
Heating System	Over 30 years
Kitchens	Over 20 years
Structure	Over 50 years
Windows	Over 30 years
Wiring	Over 30 years

The carrying values of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grants and Other Capital Grants

Social housing grants and other capital grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social housing grant attributed to individual components is written off to the statement of comprehensive income when these components are replaced.

Although social housing grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals under shared equity schemes are accounted for in the Statement of Comprehensive Income. The remaining equity in the property is treated as a non-current asset investment, which is matched with the grant received.

Taxation

The Association is a Scottish Charity and is not liable to taxation on its charitable activities.

Leases

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives or the term of the lease whichever is shorter.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property, a material reduction in future maintenance costs, or a significant extention of the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to ongoing development activities are capitalised.

Borrowing Costs

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme. All other borrowing costs are expensed to the statement of comprehensive income using the effective interest rate method.

Property Development Cost

The proportion of the development cost of shared ownership properties expected to be disposed of as a first tranche sale is held in current assets until it is disposed of. The remaining part of the development cost is treated as a non-current asset. Surpluses made on the disposal of first tranche sales are taken to the Statement of Comprehensive Income.

Property developments that are intended for resale are included in current assets until disposal.

Negative Goodwill

Negative goodwill created through acquisition is written off to the Statement of Comprehensive Income as the non-cash assets acquired are depreciated or sold.

Housing Property Managed By Agents

Where a third party manages the Association's housing property the accounting treatment reflects the substance of the transactions. The property is only excluded if the rights and obligations associated with the scheme has been transferred to the third party.

VAT

The Association is VAT registered but the substantial proportion of its income is exempt for VAT purposes. As a result most of the VAT paid is not recovered and therefore expenditure is shown inclusive of VAT.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Provisions

In accordance with Financial Reporting Standard 102 provision is made for the following items in the accounts: The Association receives service charge income from supported accommodation tenants in relation to the costs of furniture and flooring replacement. The balance of unspent service charge income relating to furniture and flooring is included as a liability where amounts are repayable or contributions reduced.

Basis of Consolidation

The financial statements for Thenue Housing Association Limited present information about it as an individual undertaking and not about the group.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

Cash and Liquid Resources

Cash comprises cash at bank and in hand, deposits repayable on demand less overdrafts. Liquid resources are current asset investments that can't be disposed of without penalty and are readily convertible into amounts of cash at their carrying value.

Impairment

The Association assesses at the end of each accounting period whether there are indications that a noncurrent asset may be impaired or that an impairment loss previously recognised has fully or partially reversed.

Where the carrying value of non-current assets is less that their recoverable amounts the shortfall is recognised as an impairment loss in the Statement of Comprehensive Income. The recoverable amount is the higher of the fair value less costs to sell and value-in-use of the asset based on its service potential.

Impairment losses previously recognised are reversed if the reasons for the impairment loss have ceased to apply. Reversals of impairment losses are recognised in the Statement of Comprehensive Income.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Key Judgements and estimates made in the application of Accounting Policies

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the Association to exercise judgement in applying it's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

Key Judgements

a) Categorisation of Housing Properties

In the judgement of the Board of Management the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Board of Management considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Financial instrument break clauses

The Board of Management has considered the break clauses attached to the financial instruments that it has in place for its loan funding. In their judgement these break clauses do not cause the financial instrument to be classified as a complex financial instrument and therefore they meet the definition of a basic financial instrument.

d) Pension Liability

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. The Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Association and has therefore adopted this valuation method.

Estimation Uncertainty

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

d) Costs of shared ownership

The Association allocates costs to shared ownership properties on an percentage basis split across the number of properties the Association owns.

e) Defined pension liability

In determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds. The contingent liability note to the accounts contains more information on uncertainty relating to pension benefits. Further details of estimates in defined benefit obligations is included in Note32.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

20. RETIREMENT BENEFIT OBLIGATIONS

Scottish Housing Association Pension Scheme

Thenue Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non- associated employers. The Scheme is a defined benefit scheme in the UK.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pensions schemes in the UK.

The last valuation of the Scheme was performed as at 30 September 2021 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £1,173m. The valuation revealed a shortfall of assets compared with the value of liabilities of £27m (equivalent to a past service funding level of 98%).

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal, then the liability of the withdrawing employer is reapportioned amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

The latest accounting valuation was carried out with an effective date of 30 September 2021. The liability figures from this valuation were rolled forward for accounting year-ends from the following 31 March 2022 to 28 February 2023 inclusive

The liabilities are compared, at the relevant accounting date, with the company's fair share of the scheme's total assets to calculate the company's net defict or surplus.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

31 CONTINGENT LIABILITY

We were notified in 2021 by the Trustee of the Scheme that it has performed a review of the changes made to the Scheme's benefits over the years and the result is that there is uncertainty surrounding some of these changes. The Trustee is seeking clarification from the Court on these items and this process is ongoing with it unlikely to be resolved before the end of 2024 at the earliest. It is estimated that this could potentially increase the value of the full scheme liabilities by £27m. We note that this estimate has been calculated at 30 September 2022 on the Scheme's Technical Provisions basis. Until the Court direction is received, it is unknown whether the full (or any) increase in liabilities will apply and therefore, in line with the prior year, no adjustment has been made in these financial statements in respect of this.
