REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2012

The Management Committee presents its report and the Financial Statements for the year ended 31st March 2012.

Legal Status

The Association is a registered non-profit making organisation under the Industrial and Provident Societies Act 1965 No.2316R(S). The Association is constituted under its Rule Book. The Association is a registered Scottish Charity with the charity number SC038597.

Principal Activities

The principal activities of the Association are the provision and management of affordable rented accommodation.

Review of Business and Future Developments

The last financial year has once again seen the association strengthen its financial position. The surplus of £163,402 now brings our total capital and reserves to £2,260,687 at the financial year end.

With many of our refurbished properties approaching twenty years old we face a number of years where repair and replacement expenditure will be significantly higher than in previous years.

We are reviewing our longer term budgets to ensure that we continue meet legislative change and future investment needs.

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2012

Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

Statement of Management Committee's Responsibilities

The Industrial and Provident Societies Acts 1965 to 2002 require the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Industrial and Provident Societies Act 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements (Scotland) Order 2007. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31ST MARCH 2012

Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- · the maintenance of proper accounting records;
- · the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or Loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and theManagement Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- regular financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

Donations

During the year the Association made charitable donations amounting to £1,540 (2011 £1,400).

Auditors

A resolution to re-appoint the Auditors, Alexander Sloan, Chartered Accountants, will be proposed at the Annual General Meeting.

By Order of the Management Committee

JOHN MUNRO

Secretary

30 August 2012

REPORT BY THE AUDITORS TO THE MANAGEMENT COMMITTEE OF TRAFALGAR HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 4 concerning the Association's compliance with the information required by the section on Internal Financial Control within SFHA's publication "Raising Standards in Housing".

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 4 has provided the disclosures required by the section on Internal Financial Control within SFHA's publication "Raising Standards in Housing" and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the section on Internal Financial Control within SFHA's "Raising Standards in Housing".

GLASGOW 30 August 2012

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TRAFALGAR HOUSING ASSOCIATION LIMITED

We have audited the financial statements of Trafalgar Housing Association Limited for the year ended 31st March 2012 which comprise an income and expenditure account, balance sheet, cash flow statement and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with Section 9 of the Friendly and Industrial and Provident Societies Act 1968. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Management Committee and Auditors

As explained more fully in the Statement of Management Committee's Responsibilities the Association's Management Committee, are responsible for the preparation of the Financial Statements that give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit on the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Management Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Management Committee's report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications of our report.

Opinion on the financial statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31st March 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice: and
- have been properly prepared in accordance with the Industrial and Provident Societies Acts 1965 to 2002, the Housing (Scotland) Act 2001 and the Registered Social Landlords Accounting Requirements

Matters on which we are required to report by exception

We are required to report to you if, in our opinion:

- the information given in the Management Committee's Report is inconsistent with the financial statements.
- proper books of account have not been kept by the Association in accordance with the requirements of the legislation.
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TRAFALGAR HOUSING ASSOCIATION LIMITED

Matters on which we are required to report by exception (contd.)

- the Income and Expenditure Account to which our report relates, and the Balance Sheet are not in agreement with the books of the Association.
- we have not received all the information and explanations necessary for the purposes of our audit.

We have nothing to report in respect of these matters.

ALEXANDER SLOAN

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS

1 PRINCIPAL ACCOUNTING POLICIES

Basis Of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by Registered Social Landlords 2010, and on the historical cost basis. They also comply with the Registered Social Landlords Accounting Requirements (Scotland) Order 2007. A summary of the more important accounting policies is set out below.

Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable.

Retirement Benefits

The Association participates in the S.H.A. Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

Valuation Of Housing Properties

Housing Properties are stated at cost, less social housing and other public grants and less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 11. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Land	n/a
Structure	50
Bathrooms	30
Central Heating	30
Drainage	40
External Doors	25
Floor Coverings	20
Gutters & Downpipes	30
Internal Doors	30
Kitchens	20
Plumbing	30
Render	40
Rewiring	30
Roof	40
Windows	35

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1 PRINCIPAL ACCOUNTING POLICIES (Continued.)

Depreciation And Impairment Of Other Fixed Assets

Other Fixed Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:-

Office Premises - 4%
Furniture and Fittings - 10%
Office Equipment - 25%

The carrying value of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Social Housing Grant And Other Grants In Advance/Arrears

Where developments have been financed wholly or partly by Social Housing Grant or other capital grant, the cost of those developments has been reduced by the amount of the grant receivable. The amount of the grants receivable is shown separately on the Balance Sheet.

Social Housing Grant attributed to individual components is written off to the Income and Expenditure Account when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as fixed asset disposals with the gain or loss on disposal shown in the Income and Expenditure Account.

Disposals of housing property under the Right to Buy scheme are treated as a fixed asset disposal and any gain and loss on disposal accounted for in the Income and Expenditure Account.

Disposals under shared equity schemes are accounted for in the Income and Expenditure Account. The remaining equity in the property is treated as a fixed asset investment, which is matched with the grant received.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1 PRINCIPAL ACCOUNTING POLICIES (Continued.)

Leases/Leased Assets

Costs in respect of operating leases are charged to the Income and Expenditure Account on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Balance Sheet and are depreciated over their useful lives.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Designated Reserves

The Association has designated part of its reserves to meet its long term obligations.

The Cyclical Maintenance Reserve has been designated to meet future repair and maintenance obligations which are cyclical in nature. These are carried out in accordance with a planned programme of works.

The Major Repairs Reserve is based on the Association's liability to maintain housing properties in a state of repair which at least maintains their residual values in prices prevailing at the time of acquisition and construction.

21. RELATED PARTY TRANSACTIONS

Members of the Management Committee are related parties of the Association as defined by Financial Reporting Standard 8.

The related party relationships of the members of the Management Committee is summarised as follows:

14 members are tenants of the Association

Those members that are tenants of the Association have tenancies that are on the Association's normal tenancy terms and they cannot use their positions to their advantage.

Governing Body Members cannot use their position to their advantage. Any transactions between the Association and any entity with which a Governing Body Member has a connection with is made at arm's length and is under normal commercial terms.

23. RETIREMENT BENEFIT OBLIGATIONS

General

Trafalgar Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the scheme).

The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted out of the state scheme.

The Scheme offers five benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate.
- · Career average revalued earnings with a 1/60th accrual rate
- · Career average revalued earnings with a 1/70th accrual rate
- Career average revalued earnings with a 1/80th accrual rate
- · Career average revalued earnings with a 1/120th accrual rate, contracted in

An employer can elect to operate different benefit structures for their active members (as at the first day of April in any given year) and their new entrants. An employer can only operate one open benefit structure at any one time. An open benefit structure is one which new entrants are able to join.

Trafalgar Housing Association Limited has elected to operate the final salary with a 1/60th accrual rate benefit structure for active members as at 31st March 2008 and the final salary with a 1/60th accrual rate benefit structure for new entrants from 1st April 2008.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

The actuarial valuation assesses whether the Scheme's assets at the valuation date are likely to be sufficient to pay the pension benefits accrued by members as at the valuation date. Asset values are calculated by reference to market values. Accrued pension benefits are valued by discounting expected future benefit payments using a discount rate calculated by reference to the expected future investment returns.

During the accounting period Trafalgar Housing Association Limited paid contributions at the rate of 9.6% of pensionable salaries. Member contributions were 9.6%.

As at the balance sheet date there were 6 active members of the Scheme employed by Trafalgar Housing Association Limited. The annual pensionable payroll in respect of these members was £179,562. Trafalgar Housing Association Limited continues to offer membership of the Scheme to its employees.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS (Continued)

23. RETIREMENT BENEFIT OBLIGATIONS (Continued)

The last formal valuation of the Scheme was performed as at 30th September 2009 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £295m. The valuation revealed a shortfall of assets compared with the value of liabilities of £160m (equivalent to a past service funding level of 64.8%).

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30th September 2011. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed a increase in the assets of the Scheme to £341 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £207 million, equivalent to a past service funding level of 62.2%.

Financial Assumptions

The financial assumptions underlying the valuation as at 30th September 2009 were as follows:

	% p.a.
- Investment return pre-retirement	7.4
- Investment return post-retirement - non pensioners	4.6
- Investment return post-retirement - pensioners	4.8
- Rate of Salary increases	4.5
- Rate of pension increases: pension accrued pre 6 April 2005 in excess of GMP pension accrued from 6 April 2005 (for leavers before 1 October 1993 pension increases are 5.0%)	2.9 2.2
- Rate of price inflation	3.0

The valuation was carried out using the SAPS (S1PA) All pensioners Year of Birth Long Cohort with 1% p.a. minimum improvement for non-pensioners and pensioners.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS (Continued)

23. RETIREMENT BENEFIT OBLIGATIONS (Continued)

Valuation Results

The long-term joint contribution rates required from employers and members to meet the cost of future benefit accrual were assessed as:

Benefit Structure	Long-term joint contribution rate (% of pensionable
Final salary - 60ths	19.2
Career average 60ths	17.1
Career average 70ths	14.9
Career average 80ths	13.2
Career average 120ths	9.4

If an actuarial valuation reveals a shortfall of assets compared to liabilities the Trustee must prepare a recovery plan setting out the steps to be taken to make up the shortfall.

Following consideration of the results of the valuation it was agreed that the shortfall of £160m would be dealt with by the payment of additional contributions of 10.4% of pensionable salaries per annum with effect from 1st April 2011, increasing each 1 April in line with the rate of salary increases assumption.

As a result of Pension Scheme legislation there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buyout basis i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the currently participating employers). The leaving employer's debt therefore includes a share of any "orphan" liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2012

NOTES TO THE FINANCIAL STATEMENTS (Continued)

24. PRIOR YEAR ADJUSTMENT

During the year, the Association changed its accounting policy in relation to housing properties and depreciation, as detailed in Note 1 of the Financial Statements, in order to incorporate component accounting. Major repairs which relate to identified components are capitalised, with major components being depreciated over the estimated useful economic lives of each identified component.

As a result of the change in accounting policy, a prior year adjustment has been required under Financial Reporting Standard 3 - Reporting Financial Performance and Financial Reporting Standard 18 - Accounting Policies, as follows:

£

Decrease in Net Book Value of Housing Properties

77,344

The effect of adopting component accounting has been to decrease reserves as at 1 April 2010 by £82,582.

The figures in the 2011 Financial Statements have been adjusted as follows:

	Reported in 2011 Accounts	Restated 2011 figures
Housing Property	3,033,106	2,955,762
Revenue Reserves	566,154	488,810
Housing Depreciation Charge Major Repairs Charge	62,174 128,603	69,864 115,675

The reported surplus in 2011 has been restated by £5,238 and now stands at £81,339.
