Annual Assurance Statement 2022 on behalf of Trafalgar Housing Association Management Committee.

As a result of evidence based reporting to our Management Committee, along with the 4th assurance assessment by our Internal Auditors, we can confirm to the best of our knowledge and belief that we have assurance of compliance with:

- Regulatory requirements set out in Section 3 of the Regulatory Framework.
- Standards and outcomes in the Scottish Social Housing Charter.
- Legislative duties.
- The SHR Standards of Governance and Financial Management.

We are pleased to therefore report **no areas of material non-compliance** and note from our review identified that:

- There is sufficient evidence in place to confirm compliance with only a few areas of non-material significance requiring attention.
- We have taken account of the ongoing impact of the Covid-19 pandemic.

We remain committed to work with our internal auditors and other independent advisors to identify areas where we feel further improvements can be achieved.
