YOKER HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS 31st March 2015

REPORT OF THE MANAGEMENT COMMITTEE

The Management Committee presents its Report and Financial Statements for the year ended 31st March 2015.

Legal Status

The Association is registered as a non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No. 1998(R)S. The Association is constituted under its Rule Book. The Association is a registered Scottish Charity with the charity number SC036604.

Principal Activities

The Association is a registered charity whose principal activities include the provision of low cost affordable housing for rent to those in the greatest housing need and the improvement of housing which does not meet tolerable standards.

Review of Business & Future Developments

The members of the Management Committee are of the opinion that the state of affairs of the Association is satisfactory. The surplus for the year, after taxation, was £522,732 (2014 - £259,486). Following a transfer of £nil (2014 - £nil), the retained surplus for the year was £522,732 (2014 - £259,486). Net Assets now stand at £8,240,417 (2014 - £7,717,669).

During the year the Association secured Social Housing Grant for the acquisition of additional tenement flats and hopes to supplement these with further additions in future years. These additions are helping to facilitate the completion of common repairs where these are currently obstructed by a lack of willingness on the part of co-owners.

An opportunity to progress a comprehensive scheme of tenement improvements in the remaining unimproved housing stock within the area was explored during the year. However a lack of willingness on the part of the majority of owner-occupiers to either participate or sell to the Association meant that this opportunity has now been lost for the foreseeable future.

The Association is also currently pursuing the development of the site of the former Blawarthill Hospital for new housing. Although this development opportunity is not likely to yield a large number of housing units, it does have funding support from Glasgow City Council. Subject to the outcome of a feasibility study into the viability of the project, it is possible that it will commence development before the end of the next financial year.

While construction and development of new housing for rent continues to be pursued by the Association, resources are also being applied to planned and major repairs and maintenance of existing housing stock.

Management Committee & Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

Statement of Management Committee's Responsibilities

The Co-operative and Community Benefit Societies Act 2014 requires the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business; and
- prepare a statement on Internal Financial Control.

The Management Committee are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Scottish Housing Regulator's Determination of Accounting Requirements 2012. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. They are also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting principles and practice.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Housing Association's auditors are unaware; and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

YOKER HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS 31st March 2015

REPORT OF THE MANAGEMENT COMMITTEE (Continued)

Internal Financial Control

The Management Committee acknowledge their ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:-

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:-

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of the Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor the key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors, to provide reasonable assurance that internal financial controls are in place and are effective and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

Auditors

A resolution to re-appoint the Auditors, Alexander Sloan, will be proposed at the Annual General Meeting.

By order of the Management Committee

M. Elsby
Secretary

Date: 26 May 2015

YOKER HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS 31st March 2015

REPORT BY THE AUDITORS TO THE MANAGEMENT COMMITTEE OF YOKER HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on Page 3 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

Opinion

In our opinion the Statement on Internal Financial Control on page 3 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

YOKER HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS 31st March 2015

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF YOKER HOUSING ASSOCIATION LIMITED

We have audited the financial statements of Yoker Housing Association Limited for the year ended 31st March 2015 which comprise an income and expenditure account, balance sheet, cash flow statement and related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Management Committee and Auditors

As explained more fully in the Statement of Management Committee's Responsibilities the Association's Management Committee, are responsible for the preparation of the Financial Statements that give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit on the Financial Statements

An audit involves obtaining evidence about the amounts and disclosures in the Financial Statements sufficient to give reasonable assurance that the Financial Statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Management Committee; and the overall presentation of the Financial Statements. In addition, we read all the financial and non-financial information in the Management Committee's report to identify material inconsistencies with the audited Financial Statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the Financial Statements

In our opinion the Financial Statements:

- give a true and fair view of the state of the Association's affairs as at 31st March 2015 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2012.

Matters on which we are required to report by exception

We are required to report to you if, in our opinion:

- the information given in the Management Committee's Report is inconsistent with the financial statements.
- proper books of account have not been kept by the Association in accordance with the requirements of the legislation.
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation.

We have nothing to report in respect of these matters.

NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Basis of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice – "Accounting by registered social landlords 2010", and on the historical cost basis. They also comply with the Scottish Housing Regulator's Determination of Accounting Requirements 2012. A summary of the more important accounting policies is set out below.

Turnover

Turnover represents rental and service charge income receivable, fees receivable and revenue grants receivable from the Scottish Government.

Retirement Benefits

The Association participates in the Scottish Housing Association Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole.

Housing Properties, Office Premises and Depreciation

Housing Properties are stated at cost, less social housing and other public grants and less accumulated depreciation. The Association depreciates housing properties and office premises by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as either Housing Properties or Office Premises within Note 12. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

<u>Component</u> (Useful Economic Life)	
Structure	(50 yrs)
Windows	(25 yrs)
Central Heating Boilers	(15 yrs)
Central Heating Infrastructure	(25 yrs)
Kitchens	(15 yrs)
Bathrooms	(15 yrs)
Electrical Infrastructure	(25 yrs)
Lifts	(25 yrs)

Depreciation and Impairment of Other Fixed Assets

Other Fixed Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets, less estimated residual value, at the following annual rates:-

Furniture and Equipment	- 25%
Motor Vehicles	- 20%

The carrying value of tangible fixed assets is reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Stocks

Stock of maintenance supplies is stated at the lower of cost and net realisable value.

Social Housing Grant and Other Grants in Advance / Arrears

Where developments have been financed wholly or partly by Social Housing Grant or other capital grant, the cost of those developments has been reduced by the amount of the grant receivable. The amount of the grants receivable is shown separately on the Balance Sheet.

Social Housing Grant received in respect of revenue expenditure is credited to the Income and Expenditure Account in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

Sales of Housing Properties

Surpluses or deficits on the sale of housing properties are accounted for in the Income and Expenditure Account in the year of disposal. The surplus or deficit is shown on the face of the Income and Expenditure Account.

Leased Assets

Costs in respect of operating leases are charged to the Income and Expenditure Account on a straight-line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (Continued)

Work to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

Capitalisation of Development Overheads

Directly attributable development administration costs relating to development activities are capitalised in accordance with the Statement of Recommended Practice.

Development Interest

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme.

Designated Reserves

The Association has designated part of its reserves to meet its long-term obligations.

The Planned Repairs Reserve has been designated to meet future repair and maintenance obligations carried out in accordance with a planned programme of works. This programme is based on the Association's liability to maintain housing properties in a state of repair, which at least maintains their residual values in prices prevailing at the time of acquisition and construction.

2. RETIREMENT BENEFITS

General

Yoker Housing Association Limited participates in the Scottish Housing Associations' Pension Scheme ('the Scheme'). The Scheme is funded and is contracted-out of the State Pension scheme.

The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted-out of the State Pension scheme.

The Scheme offers six benefit structures to employers, namely:

- Final salary with a 1/60th accrual rate
- Career average revalued earnings with a 1/60th accrual rate
- Career average revalued earnings with a 1/70th accrual rate
- Career average revalued earnings with a 1/80th accrual rate
- Career average revalued earnings with a 1/120th accrual rate, contracted-in
- Defined Contribution (DC) option.

An employer can elect to operate different defined benefit structures for their active members (as at the first day of April in any given year) and their new entrants. The DC option can be introduced by the employer on the first day of any month after giving a minimum of three months' prior notice.

The Association has elected to operate the final salary with a 1/60th accrual rate benefit option for active members as at 1 April 2013 and the final salary with a 1/60th accrual rate benefit option for new entrants from 1 April 2013.

During the accounting period the Association paid contributions at the rate of 12.3% of pensionable salaries. Member contributions were 12.3% of pensionable salaries. As at the balance sheet date there were six active members of the Scheme employed by the Association. The annual pensionable payroll in respect of these members was £217,544. The Association continues to offer membership of the Scheme to its employees.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to an individual participating employer as the Scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total Scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the Scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS17 represents the employer contribution payable.

The Trustee commissions an actuarial valuation of the Scheme every three years. The main purpose of the valuation is to determine the financial position of the Scheme in order to determine the level of future contributions required, so that the Scheme can meet its pension obligations as they fall due.

The last formal valuation of the Scheme was performed as at 30 September 2012 by a professionally qualified Actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £394 million. The valuation revealed a shortfall of assets compared with the value of liabilities of £304 million, equivalent to a past service funding level of 56.4%.

The Scheme Actuary has prepared an Actuarial Report that provides an approximate update on the funding position of the Scheme as at 30 September 2014. Such a report is required by legislation for years in which a full actuarial valuation is not carried out. The funding update revealed an increase in the assets of the Scheme to £539 million and indicated an increase in the shortfall of assets compared to liabilities to approximately £281 million, equivalent to a past service funding level of 66%.

YOKER HOUSING ASSOCIATION LIMITED

FINANCIAL STATEMENTS 31st March 2015

NOTES TO THE FINANCIAL STATEMENTS (Continued)

2. RETIREMENT BENEFITS (Continued)

General (Continued)

Following a change in legislation in September 2005 there is a potential debt on the employer that could be levied by the Trustee of the Scheme. The debt is due in the event of the employer ceasing to participate in the Scheme or the Scheme winding up.

The debt for the Scheme as a whole is calculated by comparing the liabilities for the Scheme (calculated on a buy-out basis, i.e. the cost of securing benefits by purchasing annuity policies from an insurer, plus an allowance for expenses) with the assets of the Scheme. If the liabilities exceed assets there is a buy-out debt.

The leaving employer's share of the buy-out debt is the proportion of the Scheme's liability attributable to employment with the leaving employer compared to the total amount of the Scheme's liabilities (relating to employment with all the employers). The leaving employer's debt therefore includes a share of any 'orphan' liabilities in respect of previously participating employers. The amount of the debt therefore depends on many factors including total Scheme liabilities, Scheme investment performance, the liabilities in respect of current and former employees of the employer, financial conditions at the time of the cessation event and the insurance buy-out market. The amounts of debt can therefore be volatile over time.

Yoker Housing Association Limited has been notified by The Pensions Trust of the estimated employer debt on withdrawal from the Scottish Housing Associations' Pension Scheme based on the financial position of the Scheme as at 30 September 2014. As of that date the estimated employer debt for the Association was £2,757,772. As the Association does not have any plans to withdraw from the Scheme this is not considered to be a Contingent Liability.

Valuation Assumptions

The key valuation assumptions used to determine the assets and liabilities of the Scottish Housing Associations' Pension Scheme are:

2012 Valuation Assumptions		
Investment return pre-retirement		5.3% p.a.
Investment return post retirement (non-pensioners)		3.4% p.a.
Investment return post retirement (pensioners)		3.4% p.a.
Rate of salary increases		4.1% p.a.
Rate of pension increases	- pension accrued pre 6 April 2005 in excess of GMP	2.0% p.a.
	- pension accrued from 6 April 2005	1.7% p.a.
	- for leavers before 1 October 1993	5.0 % p.a.
Rate of price inflation		2.6% p.a.

Mortality Tables	
Non-pensioners	44% of S1PMA (males) and S1PFA (females) projected using CMI_2011 with a long term improvement of 1.50% p.a. for males and 1.25% p.a. for females
Pensioners	90% of S1PMA (males) and S1PFA (females) projected using CMI_2011 with a long term rate of improvement of 1.50% p.a. for males and 1.25% p.a. for females

Contribution Rates for Future Service (payable from 1 April 2014)	
Final salary 1/60ths	24.6 %
Career average revalued earnings 1/60ths	22.4 %
Career average revalued earnings 1/70ths	19.2 %
Career average revalued earnings 1/80ths	16.9 %
Career average revalued earnings 1/120ths	11.4 %

Additional deficit contributions are payable from 1 April 2014 and will increase by 3% per annum each 1 April thereafter. Technical Provisions liabilities as at 30 September 2012 will be used as the reference point for calculating the additional contributions.

6. OFFICERS' EMOLUMENTS

The Officers are defined in s149 of the Co-operative and Community Benefit Societies Act 2014 as the members of the Management Committee, managers or servants of the Association. One officer of the Association received emoluments (excluding pension contributions) greater than £60,000 as follows:

	2015 £	2014 £
Emoluments payable to Chief Executive (excluding pension contributions)	83,017	83,183

The Chief Executive is an ordinary member of the Association's pension scheme described in notes 1 and 2. No enhanced or special terms apply to his membership and he has no other pension arrangements to which the Association contributes. The Association's contributions for the Chief Executive in the year amounted to £9,759 (2014 - £7,331).

7. EMPLOYEE INFORMATION

	2015 No.	2014 No.
The average monthly number of full time equivalent persons employed during the year was	8	10

General Needs - New Build	130	130
- Improved	501	488
- Unimproved	2	2
	<u>633</u>	<u>620</u>

22. RELATED PARTY TRANSACTIONS

Some members of the Management Committee / Board have related party relationships with the Association as defined by Financial Reporting Standard 8.

The related party relationships of the members of the Management Committee / Board are summarised as follows:

- Seven members are tenants of the Association
- One member is a close relative of a tenant of the Association
- One member is a property owner with a sharing interest in Association property
- One member is a local councillor

Those committee members that are tenants of the Association have tenancies that are on the Association's normal tenancy terms and they cannot use their positions to their advantage. Any transactions between the Association and any entity with which a Committee Member has a connection is made at arm's length and is under normal commercial terms.
